Roll number : _____

Semester : _____

Branch : _____

CFI EDUCATION POLICY STATEMENT

We, the Carmelites of Mary Immaculate, after the example of our founder Saint Kuriakose Elias Chavara, consider education as the integral formation of the human person for the fulfilment of his/her individual and social responsibilities.

Our educational endeavors aim at forming leaders who are intellectually competent, spiritually mature, morally upright, psychologically integrated, physically healthy and socially acceptable, who will champion the cause of justice, love, truth and peace, and who are ever open to further growth.

The secret of the success of our educational institutions is a community of teachers who are committed to their vocation, professionally competent, morally upright, just and humane in dealings, culturally sensitive and who grow in the true vision of education.

We aspire towards creating a just and humane society where dignity of the human person is respected, where unjust social structures are challenged, where our cultural heritage of ahimsa, religious harmony and national unity are upheld, and where the poor and the marginalized are specially taken care of.

We have to reach out to the families, primarily of the students, to assist them in their needs, to share in their joys and sorrows, and to help them experience love and freedom so that the students realize that our educational institutions are an extension of their homes.

Our institutions are open to all students irrespective of caste and creed; they are accepted and cherished as they are and are helped to grow in their cultural, social, and religious traditions. As they are privileged to be in our institutions, they will also have the right to get acquainted with the person of Jesus Christ and his Gospel. Being institutions established and administered by and for a minority

community based on religion, they will give preference to Christians in admissions and appointments and have a special concern for the faith formation of the Christian youth.

Our institutions are also open to the society at large by making their resources available for the ongoing education and growth.

For the realization of this CMI goal of education, we invite students, parents and teachers to share this vision and to cooperate with us wholeheartedly.

1. INSTITUTIONAL INFORMATION

1.1 PROFILE

Rajagiri School of Engineering & Technology (RSET), established in 2001, is a private self-financing college, affiliated to the A.P.J. Abdul Kalam Technological University, Trivandrum, Kerala. The college was granted autonomous status in the year 2020 and is approved by the All-India Council for Technical Education, New Delhi. RSET offers 9 Undergraduate, 5 Postgraduate, and 10 Ph.D. programmes.

Seven of the nine UG programmes, i.e., B.Tech. Applied Electronics and Instrumentation, B.Tech. Civil Engineering, B.Tech. Computer Science and Engineering, B.Tech. Electrical and Electronics Engineering, B.Tech. Electronics and Communication Engineering, B.Tech. Information Technology, and B.Tech. Mechanical Engineering have been granted Tier 1 accreditation by NBA till June 30, 2028. The institution is accredited with an A grade in the second cycle by NAAC till December 2025.

RSET is an endeavour of the Sacred Heart Province of the Carmelites of Mary Immaculate (CMI) the first-ever indigenous religious congregation for men in the Syrian Catholic tradition of Christianity in India. The CMI congregation, canonically established in 1855, played a major role in revolutionizing the education scene in Kerala in the late 19th century. Heirs to the profound vision of St. Kuriakose Elias Chavara, one of the founding fathers of the congregation, the CMIs' have zealously worked towards providing value-based quality education to society at large, irrespective of religious differences, down the centuries. Today, the congregation has more than 400 educational institutions, from schools to professional colleges under its umbrella.

The Rajagiri Valley campus is a perfect blend of the urban and the rural: while the verdant and serene backdrop of the self-contained campus provides the ideal atmosphere for stimulating the creativity and intellectual pursuits of the academia, the proximity to the industrial

belt of Kerala, the Infopark, and the smart city helps in providing the students with exposure to the practical aspects of their profession. This ensures a smooth transition from the institution to the industry for our graduates.

Rajagiri School of Engineering & Technology proudly celebrates its Silver Jubilee this academic year, marking 25 years of excellence in engineering education. With the admission of the 25th batch of B.Tech students, the institution steps into its jubilee year, reaffirming its commitment to academic excellence, innovation, and holistic student development.

1.2 VISION

To evolve into a premier technological and research institution, moulding eminent professionals with creative minds, innovative ideas, and sound practical skills, and to shape a future where technology works for the enrichment of mankind.

1.3 MISSION

To impart state-of-the-art knowledge to individuals in various technological disciplines and to inculcate in them a high degree of social consciousness and human values, thereby enabling them to face the challenges of life with courage and conviction.

1.4 OBJECTIVE

The institution has the broad objective of being an active agent of change by responding to the needs and challenges of the times. This is achieved basically through the process of education, training, and research.

We sincerely acknowledge Mr. Joe Paul Anosh of 2024-28 CSE, whose creative design of the Silver Jubilee Logo adds distinctive identity to our celebration.

2. ADMINISTRATION

Rev. Fr. Benny Nalkara CMI

*Provincial of the CMI Sacred Heart Province and
Manager*

Rev. Fr. Dr. Jose Kuriedath CMI

Director

Rev. Fr. Dr. Jaison Paul Mulerikkal CMI

Principal

3. PROGRAMMES OFFERED

3.1 B.TECH. DEGREE

Programme	Code	Sanctioned Intake
Applied Electronics and Instrumentation Engineering*	AE	60
Artificial Intelligence and Data Science	AD	60
Civil Engineering *	CE	60
Computer Science and Business Systems **	CU	60
Computer Science and Engineering*	CS	240
Electrical and Electronics Engineering*	EE	60
Electronics and Communication Engineering*	EC	180
Information Technology*	IT	60
Mechanical Engineering*	ME	120

* NBA Accredited till 30th June 2028

** Industry Oriented – in collaboration with Tata Consultancy Services

3.2 M. TECH. DEGREE

Programme	Code	Sanctioned Intake
Computer Science and Engineering	CSE	12
Computer Science and Engineering (Artificial intelligence and Machine Learning)	AIML	12
Computer Science and Information System	CSIS	18
Data Sciences	DS	12
VLSI and Embedded Systems	VAES	18

3.3 Ph.D. DEGREE

Discipline	No: of Research Scholars
Applied Electronics and Instrumentation Engineering	1
Artificial Intelligence and Data Science	5
Civil Engineering	2
Computer Science and Engineering	12
Electronics and Communication Engineering	16
Electrical and Electronics Engineering	3
Information Technology	2
Mathematics	17
Mechanical Engineering	7
Physics	4
TOTAL	69

3.4 B. TECH DEGREE WITH HONOURS

Honours is an additional credential a student may earn if he/she opts for the extra 20 credits needed for this in her/his own discipline. Honours is not indicative of class. This option is provided for academically extra brilliant students to acquire Honours. Honours is intended for a student to gain expertise/specialize in an area inside his/her major B.Tech discipline and to enrich knowledge in emerging/advanced areas in the branch of engineering concerned. It is particularly suited for students aiming to pursue higher studies. Upon completion of Honours, a student will be better equipped to perform research in her/his branch of engineering. On successful accumulation of credits at the end of the programme, this will be mentioned in the Degree Certificate as “**Bachelor of Technology**” in Applied Electronics and Instrumentation/ Artificial Intelligence and Data Science / Civil Engineering/ Computer Science and Business Systems / Computer Science and Engineering / Electrical and Electronics Engineering/ Electronics and Communication Engineering / Mechanical Engineering / Information Technology with “**Honours**”.

3.5 B. TECH DEGREE WITH MINOR

Minor is an additional credential a student may earn if she/he does 20 credits worth of additional learning in a discipline other than her/his major discipline of B.Tech. degree. The objective is to permit a student to customize their Engineering degree to suit their specific interests. Upon completion of an Engineering Minor, a student will be better equipped to perform interdisciplinary research and will be better employable. Engineering Minor allow a student to gain interdisciplinary experience and exposure to concepts and perspectives that may not be a part of their major degree programmes. The academic units offering minor in their discipline will prescribe the set of courses and/or other activities like projects necessary for earning a minor in that discipline. A specialist basket of 3-6 courses is identified for each Minor. Each basket may rest on one or more foundation courses. A basket may have sequences within it, i.e., advanced courses may rest on basic courses in the basket. She/he accumulates credits by registering for the required courses, and if the requirements for a particular minor are met within the time limit for the course, the minor will be awarded. This will be mentioned in the Degree Certificate as **“Bachelor of Technology”** in Applied Electronics and Instrumentation/Artificial Intelligence and Data Science/Civil Engineering/Computer Science and Engineering/Electrical and Electronics Engineering/Electronics and Communication Engineering/Mechanical Engineering/Information Technology with **“Minor”** in < Minor subject basket >

These are the Minor programmes offered:

1. Minor in Smart and Sustainable Energy
2. Minor in Computer Science and Engineering
3. Minor in Artificial Intelligence and Data Science
4. Minor in Artificial Intelligence and Machine Learning
5. Minor in Sustainability Engineering
6. Minor in Robotics and Automation
7. Minor in Biomedical Engineering
8. Minor in Mathematics
9. Minor in Innovation, Entrepreneurship and Venture Development
10. Minor in 3D Printing

3.6 DIPLOMA & CERTIFICATE COURSES

RSET offers online diploma and certificate courses in emerging areas of science and technology. The courses offered by various departments are detailed in <https://www.rajagiritech.ac.in/Home/stc/>

Diploma Courses

1. Applied Medical Diagnostics
2. Artificial Intelligence & Machine Learning
3. Topological Data Analysis

Certification Courses

1. Music Technology
2. Cybersecurity and Block Chain Technology
3. FEA and CFD for Engineers using ANSYS
4. NDT ASNT Level 2 International Certification Course
5. Artificial Intelligence and Machine Learning
6. Python for Data Science
7. Internet of Things (IOT)
8. Topology and Data Analysis
9. Nano Composites: From Laboratory Concept to Higher-end Applications
10. Cloud Computing and DevOps

3.7 ADDITIONAL ACADEMIC PROGRAMS

The institution offers additional academic programs such as add-on courses and institution-level online MOOC courses. These initiatives provide students with specialized skills, exposure to emerging areas, and enhanced career opportunities alongside their regular curriculum.

3.7.1 Add-on Courses

Add-on courses are designed to equip the students to face the emerging challenges in the job market. It also enhances the knowledge and skills in more specialized areas of engineering and technology beyond the curriculum.

Add-on Courses offered for second year UG students are:

1. Introductory Training in QGIS, DCE
2. Introduction to Prompt Engineering, DAE
3. Building skills in algorithms and programming, DEC
4. Building a Web App: Django/Flask REST Framework API Development, DCS
5. PHP with MySQL, DIT
6. Introduction to Web Programming, DAD
7. Design of Quantum Materials for Quantum Computing Applications, DSH
8. Linear Algebra using Matlab, DMA
9. Applied Linear Algebra, DMA
10. 3D modelling tool (Autodesk Fusion 360), DME
11. CNC Programming and Practice, DME
12. AutoCad Fusion 360, DEE
13. MATLAB for Electric Vehicles, DEE
14. Web Development using Python, DCS
15. R Programming, DAD
16. Introduction to R programming, DIT

Add-on Courses offered for third year UG students are:

1. MEP using Revit, DME
2. Printed Circuit Board Design, DAE
3. AIML Algorithms, DAE
4. Autodesk Revit MEP Electrical, DEE
5. Energy Simulation in Buildings, DCE
6. Design of Experiments, DCE
7. Building Applications on FPGA Development Board, DEC
8. VLSI Design and Verification, DEC
9. Data Analysis using Power BI, DAD
10. Core Java, DCU

3.7.2 Rajagiri Innovation Zone e-Learning (RIZe)

An in-house online learning initiative following the NPTEL MOOC structure designed to deliver courses equivalent to MOOC offerings for minor programmes. These online courses are developed and delivered by our own faculty and industry experts, ensuring contextual relevance, academic

rigor, and alignment with our institutional standards. The RIZe platform serves as an effective alternative to external MOOCs, offering our students the convenience of online learning while maintaining the academic integrity and quality of our curriculum. The courses can be accessed through: <https://rize.academy/courses>

4. ACADEMIC INFORMATION

4.1 B. TECH CURRICULUM & SYLLABUS

The curriculum for B.Tech. consists of induction programme, core courses, practical courses, programme elective courses, non-credit pass or fail courses, mini project & main project, internships and various activities. The curriculum is designed for 169 credits and has 7 non-credit courses. The 169 credits include 2 credits for co-curricular and extracurricular activities. The curriculum is framed to mould eminent professionals with creative minds and innovative ideas.

4.1.1 B. TECH CURRICULUM 2023–SALIENT FEATURES

1. Project-based Core Courses

Starting from the third semester, core courses are structured into six modules. The sixth module focuses on recent developments and industrial applications related to the course which will be assessed as assignments/quizzes/course projects and is exempted from the End Semester Examination.

2. Practical Integrated Core Courses

A five-credit core course is offered each semester from the second to the sixth, integrating theoretical concepts with practical applications to provide students with a comprehensive understanding through concurrent learning experiences. This structured approach ensures that theoretical knowledge is complemented by hands-on application, fostering deeper insights and continuous skill development throughout the course sequence.

3. Workshop Integrated Basic Engineering Courses

These courses blend theory and practical components to introduce foundational engineering sciences. Each course includes 2 modules from two related engineering sections such as Civil Engineering and Mechanical Engineering/ Electrical Engineering and Electronics Engineering/ Mechanical Engineering and Instrumentation Engineering and concludes with hands-on experience.

4. Choice based Elective Courses

Students are granted flexibility in selecting elective courses from all six available slots offered in the curriculum. This allows them to tailor their education to their interests and career goals by choosing courses that align with their academic pursuits and personal development objectives.

5. Practical Elective Course

Uniquely, the curriculum includes a practical-only elective course that can be taken in conjunction with a programme elective course. This practical-oriented elective emphasizes hands-on learning experiences, providing students with valuable practical skills and application-based knowledge relevant to their chosen programme of study

6. Rajagiri Elective

In the seventh semester, the student may choose one non-credit course from a wide array which includes Industrial Safety, Financial Management, Tech-driven Entrepreneurship, and foreign languages such as German, French, or Japanese, amongst others as per their career aspirations.

7. Open Elective

The three Open Elective courses offered across semesters seven and eight, provide the students with the opportunity to explore interdisciplinary domains aligned with their professional goals, and master essential concepts in Economics and Ethics for their chosen career.

8. Credited Mandatory Internship

After completing the fourth semester and before entering the seventh semester, during semester break, a student shall undergo two weeks mandatory internship with industry/ NGO's/ Government organizations/ Micro/ Small/ Medium enterprises to make themselves ready for the industry. The Office of the UG Dean shall be responsible for coordinating and monitoring all short-term internship activities.

9. Long Term Internship for Students

After finishing six semesters, students can pursue internship of 4 to 6 months in either seventh or eighth semester with reputable industries or R&D organizations, contingent upon meeting specified conditions and requirements. This practical experience allows students to apply their academic knowledge in real-world settings and gain valuable insights into their chosen field of study. Long-term internship activities will be coordinated and monitored by the Central Internship Committee.

10. Fast Track Credit Accomplishment

A student has the provision of earning up to 12/15* credits out of the total credits apportioned to the elective courses in the seventh and eighth semester after registering for the fifth semester. This can be accomplished by taking MOOC corresponding to the electives listed in semesters seven and eight. Only any two electives from semester seven and/or any two electives from semester eight may be pursued in this way.

**For B.Tech. Computer Science and Business Systems*

11. Mandatory MOOC

As a part of the curriculum, students are required to complete a mandatory MOOC, fostering self-directed learning and equipping them with lifelong learning skills. This initiative helps students familiarize themselves with online learning platforms, enhancing their ability to adapt to evolving knowledge landscapes.

4.1.2 CURRICULUM DEVELOPMENT PROCESS

The structured process involved in the curriculum and syllabus development ensures that they align with the institutional goals, meet the demands of stakeholders, and adhere to external guidelines. The steps followed are detailed below

1. The Central Curriculum and Syllabus Committee (CCSC), chaired by the Principal and comprising key academic leaders including the UG Dean, Controller of Examinations, and departmental coordinators acts as the governing body for curriculum development.

2. The CCSC reviews the fundamental structure and guidelines for the curriculum and syllabus, integrating insights from the institution's vision and mission, Programme Outcomes (POs) and Programme Specific Outcomes (PSOs), as well as considerations such as the AICTE model curriculum and employability requirements.

3. The Programme Curriculum and Syllabus Committee (PCSC) focusing on a particular program or discipline hold planning sessions to brainstorm ideas, outline courses, arrange semester sequences, and develop the syllabus for each programme. They also consider how the curriculum and syllabus align with local, national, and global developmental needs during these discussions.

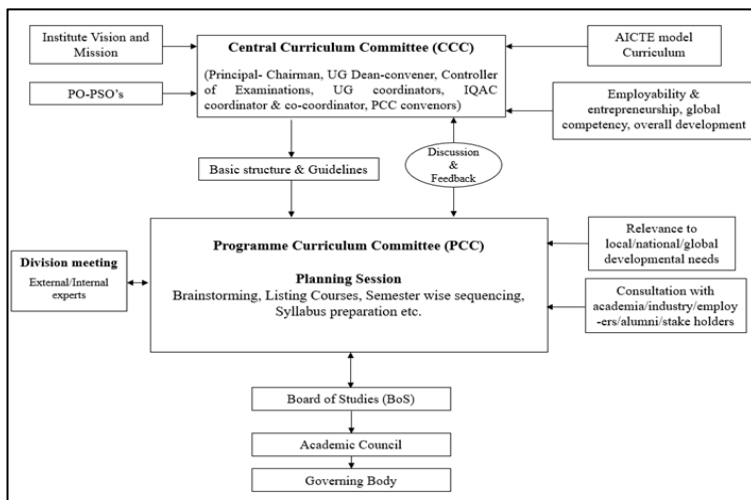

4. The PCSC engages with academic professionals, industry experts, employers, alumni, and other stakeholders to collect insights and feedback, ensuring that the curriculum and syllabus meet the demands of the job market and the wider educational landscape.

5. The PCSC submits the proposed curriculum to the Board of Studies for an in-depth review, ensuring academic rigor, relevance, and alignment with both academic and industry standards. The recommendations and approvals from the BOS are presented in CCSC and then forwarded to the Academic Council.

6. The Academic Council reviews and endorses the curriculum and syllabus before submitting them to the Governing Body for final approval.

7. The Governing Body, as the highest decision-making authority, grants final approval, making the curriculum and syllabus official and ready for implementation.

The flow chart illustrates a comprehensive and collaborative approach to curriculum and syllabus development, ensuring that academic programmes remain current, relevant, and aligned with the institution's vision, industry needs, and global educational standards. The participation of various committees and stakeholders at every stage guarantees a well-rounded, rigorous, and market-responsive curriculum.

Central Curriculum Committee (UG)

1. Rev. Fr. Dr. Jaison Paul Mulerikkal CMI, Principal – Chairman
2. Rev. Fr. Dr. Joel George CMI, Dean UG - Convenor
3. UG Coordinators
 - a. Prof. Kuttyamma A. J.
 - b. Dr. Jibin Noble
 - c. Dr. Mary Priya Sebastian
 - d. Ms. Rinju Mariam Rolly
4. Dr. Antony V. Varghese, Controller of Examinations
5. Dr. Manoj G Tharian, IQAC Coordinator
6. Dr. Elizabeth Rita Samuel, IQAC Co-coordinator
7. Programme curriculum committee convenors:
 - a. Ms. Mary Hexy (AE)
 - b. Dr. Lakshmi K S (AD)
 - c. Ms. Neethu George (BSH)

- d. Dr. Ramesh Hari (CE)
- e. Ms. Sangeetha Jamal (CS)
- f. Dr. Nikhila T Bhuvan (CU)
- g. Dr. Jaison Jacob (EC)
- h. Ms. Santhi B. (EE)
- i. Dr. Saritha S (IT)
- j. Dr. Radhika Das (MA)
- k. Dr. Thankachan T Pullan (ME)

4.1.3 CREDIT SYSTEM

The B.Tech. programme follows the Credit System and credits are apportioned among the following knowledge segments.

Knowledge Segments	Credits
English & Humanities	9
Basic Sciences	10
Mathematics	16
Engineering Sciences including workshops	15
Professional Core	83
Professional Electives	14
Open Elective	3
Project work, seminar, internship	17
Rajagiri core/ Rajagiri electives	Non-credit
Mandatory Student Activities* (Pass/Fail)	2
Total credits for B.Tech. Degree: 169	

*There could be changes from time to time based on the needs and availability.

Student Activity Points

Apart from technical knowledge and skills, students should have excellent soft skills, leadership qualities, and team spirit to be successful as professionals. They should have entrepreneurial capabilities and societal commitment. To match these multifarious requirements the activities are divided into three categories as detailed in the Annexure.

Minimum Cumulative Credits Requirement

The minimum cumulative credits requirement to register for higher semester courses is as given below

Semester	Allotted Credits	Cumulative Credits	Credits to be earned for Promotion
First	17/19/20*	17/19/20*	Not applicable
Second	23/21/21*	40/41*	Not insisted
Third	22/23*	62/64*	Not insisted
Fourth	22	84/86*	Not insisted
Fifth	22/21*	106/107*	21 credits from S1 & S2
Sixth	22/25*	128/132*	Not insisted
Seventh	20	148/152*	43/44* credits from S1 to S4
Eighth	21/24	169/176*	Not insisted

**For B.Tech. Computer Science and Business Systems*

4.2 M. TECH CURRICULUM & SYLLABUS

The M. Tech curriculum comprises core courses, programme elective courses, industry/interdisciplinary elective course, non-credit pass/fail course, research methodology and IPR, internship, MOOC, a mini project, and a main project. The curriculum is structured for a total of 80 credits and includes one non-credit course. It is designed to develop professionals with creative minds, innovative ideas, and strong research capabilities. All core theory courses are divided into five modules, with the fifth module dedicated to project-based assignments/seminars, while all elective courses consist of four modules.

4.2.1 M. TECH CURRICULUM 2024–SALIENT FEATURES

(1) Internship

The Internship Programme offers students valuable hands-on experience in industry, research organizations, and prestigious academic institutions. It allows students to apply their academic knowledge to real-world situations, improving their practical skills and problem-solving abilities. Additionally, the programme promotes professional development by offering mentorship, networking, and collaboration opportunities, ultimately preparing students for successful careers in engineering through essential skills, experience, and industry connections.

(2) Technical Communication

The course on Technical Communication focuses on enhancing students' proficiency in listening, speaking, reading, and writing, with an emphasis on professional and academic contexts. It equips students with skills in technical writing, presentation, and effective communication while also introducing LaTeX for creating well-structured documents, complex equations, citations, and references. The course further familiarizes students with Beamer for professional presentations and collaborative document preparation. By the end, students will be able to communicate confidently, prepare technical content effectively, and design professional-quality documents and presentations.

(3) Simulation Hours

Simulation hours are incorporated into the timetable to provide students with dedicated time to use the library and labs for working with simulation tools, reading research publications, preparing for seminars, and completing project-based assignments.

(4) Choice Based Elective Courses

Students have the option to choose elective courses of their choice in all the five programme elective courses.

(5) Industry/Interdisciplinary Elective Course

Industry/Interdisciplinary elective courses are designed to bridge the gap between academic learning and practical, real-world applications. These courses provide students with the flexibility to explore topics outside their core curriculum, often focusing on areas relevant to emerging industry trends or interdisciplinary fields that combine multiple disciplines.

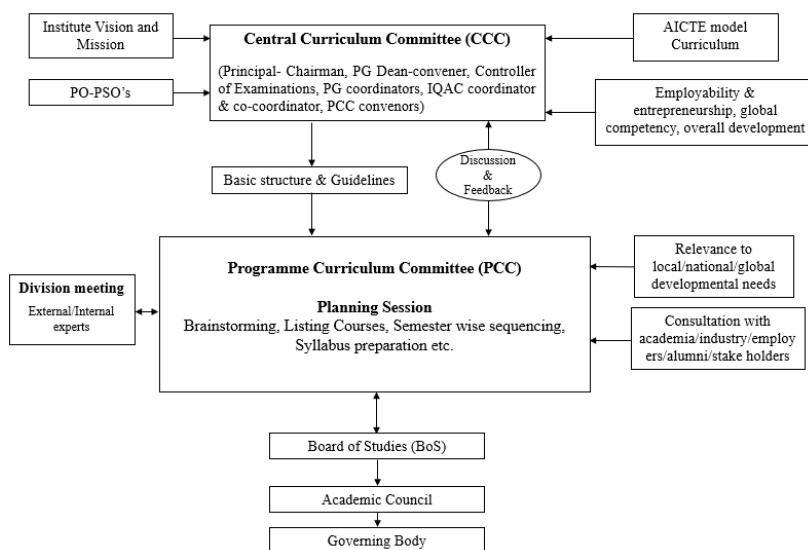

4.2.2 CURRICULUM DEVELOPMENT PROCESS

The structured process involved in curriculum and syllabus development and review is detailed below. The process ensures that the curriculum and syllabus align with institutional goals, meets the demands of stakeholders, and adheres to external guidelines.

1. The Central Curriculum Committee (CCC), chaired by the Principal and including key academic leaders such as the PG Dean, Controller of Examinations, and coordinators from various departments, serves as the governing body for curriculum development.
2. The CCC discusses the basic structure and guidelines for the curriculum and syllabus incorporating inputs from the institutional vision and mission, POs, and other relevant factors like AICTE model curriculum and employability needs.
3. The Programme Curriculum Committee (PCC) engage in planning sessions where they brainstorm, list courses, sequence semesters, and prepare the syllabus for each programme.
4. The relevance of the curriculum and syllabus to local, national, and global developmental needs is considered during these sessions.
5. The PCC consults with academia, industry experts, employers, alumni, and other stakeholders to gather insights and feedback, ensuring that the curriculum and syllabus aligns with the demands of the job market and the broader educational environment.
6. The PCC submits the proposed curriculum to the Board of Studies for a comprehensive review, ensuring academic rigor,

relevance, and alignment with both academic and industrial standards.

7. The recommendations and approvals from the BOS are presented in CCC and then forwarded to the Academic Council.
8. The Academic Council reviews and endorses the curriculum and syllabus before submitting it to the Governing Body for final approval.
9. The Governing Body, as the highest decision-making authority, gives the final nod, making the curriculum and syllabus official and ready for implementation.

Central Curriculum Committee (PG)

1. Rev. Fr. Dr. Jaison Paul Mulerikkal CMI, Principal – Chairman
2. Dr. Jobin K Antony, Dean PG - Convenor
3. PG Coordinators
 - a. Mr. Binu A

- b. Mr. Rony Antony P
- 4. Dr. Manoj G Tharian, IQAC Coordinator
- 5. Dr. Elizabeth Rita Samuel, IQAC Co-coordinator
- 6. Dr. Antony V Varghese, Controller of Examinations
- 7. Programme curriculum committee convenors:
 - a. Dr. Lakshmi K S (AD)
 - b. Dr. Sonia Paul (BSH)
 - c. Dr. Sminu Izudheen (CS)
 - d. Mr. Karunakara P. Menon (EC)
 - e. Dr. Vidhya PM (IT)
 - f. Dr. Radhika Das (MA)

4.3 ACADEMIC BANK OF CREDITS (ABC) AND APAAR ID

The Academic Bank of Credits (ABC), envisioned under the National Education Policy (NEP 2020), is a digital repository designed to store, accumulate, transfer, and redeem credits earned by students from recognized Higher Education Institutions (HEIs). It facilitates academic mobility, multidisciplinary learning, and multiple entry and exit pathways during a student's educational journey.

Complementing this system, the APAAR ID (Automated Permanent Academic Account Registry) provides each learner with a unique lifelong academic identifier, linked to Aadhaar. Serving as an academic passport, the APAAR ID ensures that all credits and achievements are consolidated under a single identity, enhancing transparency and portability across institutions.

To further strengthen the digital academic ecosystem, DigiLocker is integrated to securely store verified academic documents, transcripts, and certificates. Students can access their records anytime, eliminating the need for physical copies and ensuring authenticity through digital verification.

It is mandatory for all students taking admission to RSET to generate their APAAR ID, a unique 12-digit identification number issued to every student in India and submit the details to their respective class teacher.

Steps to Create a DigiLocker Account and Generate APAAR ID

- Visit www.digilocker.gov.in or open the DigiLocker app.
- Register using your mobile number and verify with the OTP.
- Enter your Aadhaar number and verify again via OTP.
- Create a 6-digit security PIN to complete DigiLocker account setup.
- Log in to DigiLocker using mobile/Aadhaar number, OTP, and PIN.
- Click Search Documents and type APAAR.
- Select Academic Bank of Credit, Delhi → APAAR ID.
- Enter your RET number as Identity Value, choose Registration number as Identity Type and select Year of admission.
- Select "I am a student at Rajagiri School of Engineering and Technology."
- Click Get Document/Submit to generate your APAAR ID, then view, save, or download the card for future use.

4.4 ADVANCED CURRICULUM FOR EMPLOYABILITY (ACE)

ACE is a semester-wise skill-development program designed to run alongside the B.Tech. curriculum, aiming to bridge the gap between academic knowledge and industry expectations. It equips students with essential technical, problem-solving, and communication skills, while fostering confidence and job market readiness. By integrating applied learning, industry-relevant tools, and soft skills, ACE prepares students not just for placements, but for long-term success in a dynamic, technology-driven world.

Convenor: Dr. Mary Priya Sebastian (DCS)

Add-on Courses Coordinator: Dr. Thankachan T. Pullan (DME)

Placement Cell Advisor: Mr. Manu Joseph

Placement Officer: Mr. Anand Anto

Department Representatives: Ms. Mary Hexy (DAE), Dr. Chinchu Krishna S (DAD), Dr. Rahul R Pai (DCE), Ms. Veena Rani (DCU), Dr. Amitha Mathew (DCS), Mr. Dhanesh M.S.(DEC), Ms. Santhi B(DEE), Dr. Vidhya P M(DIT), Mr. Nivin Vincent (DME)

4.5 EXAMINATION SYSTEM

The examination system described below will be applicable to all courses, to which admissions are effected from the academic year 2020-21.

4.5.1 Examination System

- (i) Evaluation of all courses (Papers), theory / practical and project / dissertation shall be done in two parts, namely by Continuous Internal Evaluation (CIE) and by the End Semester Examination (ESE).
- (ii) However, this proportion may be reviewed by the Academic Council where circumstances warrant.
- (iii) The continuous internal evaluation shall be done by the course teachers based on the Academic Regulations and guidelines set by the Academic Council.
- (iv) The written examination for CIE shall be conducted centrally under the strict monitoring of a committee nominated by the Head of the Institution.
- (v) Semester classes shall be completed at least ten days before the commencement of the End Semester Examination.
- (vi) The End Semester Examinations (ESE) shall be held twice in a year–April/May session (for even semesters) and November/December session (for odd semesters).
- (vii) Two internal written examinations and one End Semester Examination shall be conducted to ensure that the students achieve the prescribed learning outcomes.
- (viii) Continuous Internal Evaluation (CIE): The Continuous Internal Evaluation shall be based on the day-to-day work, periodic tests (minimum two in a semester) and assignments /quiz/online tests/viva voce. The faculty member (s) concerned shall carry out the Continuous Internal Evaluation (CIE) for the course allotted to him/her.

(ix) The CIE marks obtained by the student for all subjects in a semester are to be published at least 5 days before the commencement of the End Semester Examinations.

(x) Students, who have completed a course but could not write the end semester examination, shall be awarded 'I' Grade, provided they meet other eligibility criteria. They shall register (exam registration) and appear for the end semester examination at the next opportunity and earn the credits without having to register (course registration) for the course again.

(xi) A student who does not register for all the courses listed in the curriculum for a semester shall not be eligible to enroll for the next higher semester.

(xii) The maximum number of credits a student can register (course registration) for, in a semester is limited to 08 credits in excess of the total mandatory credits allotted in the curriculum for that semester.

(xiii) Students registered for a course must attend the course regularly and undergo the Continuous Internal Evaluation (CIE) and appear for the End Semester Examinations (ESE). Credits for the course are deemed to be earned only on getting at least a pass grade 'P' or better in the composite evaluation.

(xiv) Students who receive F grade in an End Semester Examination must appear for the End Semester Examination at the next opportunity and earn the credits. They shall not be permitted to register for the course again.

(xv) There is no provision for improving the grade. However, the student is permitted to check the answer books of the End Semester Examination physically at the office of the Controller of Examinations after the results are declared, on payment of the prescribed fee. Any discrepancy in evaluation could be brought to the notice of the Controller of Examinations, who shall recommend appropriate action to the Principal as per Examination Manual.

(xvi) Calculation of SGPA/CGPA: Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA) are calculated as follows:

$$SGPA = \Sigma(Ci \times GPi) / \Sigma Ci$$

where 'Ci' is the credit assigned for a course and 'GPi' is the grade point for that course. Summation is done for all courses specified in the curriculum of that semester. The failed and incomplete courses shall also be considered in the calculation.

$$CGPA = \Sigma(Ci \times GPi) / \Sigma Ci$$

where 'Ci' is the credit assigned for a course and 'GPi' is the grade point for that course. Summation is done for all courses specified in the curriculum up to that semester for which the 'CGPA' is needed. Here the failed courses shall also be accounted. CGPA for the B. Tech programme is arrived at by considering all course credits that are needed for the degree and their respective grade points.

(xvii) Any act of violation of directions, indiscipline, misbehaviour, or unfair practice in examinations from the part of students, faculty members, staff or any other source shall be viewed very seriously. Malpractices in examinations observed or reported by a faculty member, invigilator or anybody shall be immediately reported to the Principal. The Principal shall in turn conduct a preliminary enquiry giving the student concerned a chance to explain his/her case. The Principal shall decide the course of action on the issue as per the prescribed norms in the Examination Manual.

4.5.2 Specific to UG Programmes

(i) The ratio of CIE to ESE shall be as given below.

Theory Courses	1:2
Laboratory Courses	1:1
Project	CIE only
Seminar	CIE only

(ii) There shall be End Semester Examinations (ESE) in every semester for all courses except non-credit courses as prescribed under the respective curriculum, except the Lab/workshops courses for 1 & 2 semesters.

(iii) CIE marks for individual subjects shall be computed by giving weightage to the following parameters unless otherwise specified in the curriculum.

Course	Attendance	Tests	Assignment / classwork /course project /quiz / online tests /viva voce
Theory	20%	50%	30%
Drawing/Practical	20%	40%	40%

Project Work	a. Work evaluation by the project guide: 30% b. Continuous Internal Evaluation by a three-member Committee: 40% (Guide shall be one member in the CIE committee) c. Final Evaluation by a three-member Committee comprising the department project coordinator, guide and an external expert. The external expert shall be an academician or from industry: 30% d. One third of the project credit shall be completed in VII semester and two third in VIII semester.
Seminar	The report and the presentation shall be evaluated by a team of internal members comprising three senior faculty members based on the style of presentation, technical content, adequacy of reference, depth of knowledge and overall quality of the report. a) Attendance: 10% b) Guide: 20% c) Technical content: 30% d) Presentation: 40%

(iv) There shall be minimum two internal evaluation tests, each of 1 hr/2hrs duration. Each test shall cover 50% of the syllabus and shall be for 25/50 marks. The minimum attendance for appearing for the internal evaluation is 80% in each course. Retest shall be permitted to the students who could not appear for the internal tests on genuine medical grounds.

(v) The main eligibility criteria for registering for the End Semester Examination are attendance in the course and no pending disciplinary action. The minimum attendance for appearing for the End Semester Examination is 75% in each course. Students who do not meet these eligibility criteria are awarded an FE grade.

(vi) The CIE marks for the attendance (20%) for each theory, practical and drawing shall be awarded proportionally. For example, if a student has attendance of 92%, his/her marks shall be 9.2.

(vii) Grade and Grade points shall be awarded as given below:

Grades	Grade Point	Percentage of Total marks obtained for the course
S	10	90% and above
A+	9.0	85% and above but less than 90%
A	8.5	80% and above but less than 85%
B+	8.0	75% and above but less than 80%
B	7.5	70% and above but less than 75%
C+	7.0	65% and above but less than 70%
C	6.5	60% and above but less than 65%
D	6.0	55% and above but less than 60%
P	5.5	50% and above but less than 55%
F	0	Below 50% (CIE+ESE) OR Below 40% for ESE
FE	0	Failed due to non-fulfilment of eligibility criteria
I	0	Could not appear for ESE but fulfils eligibility criteria

(viii) Pass minimum for a course shall be 40% for the End Semester Examination and 50% of CIE and ESE put together. Letter grade 'F' will be awarded to the student for a course if

either his/her mark for the End Semester Examination (ESE) is below 40 % or the overall mark [Continuous Internal Evaluation (CIE) + End Semester Examination (ESE)] is below 50 %.

(ix) Classification of B.Tech. degree

First class with distinction	CGPA 8.0 and above
First class	CGPA 6.5 and above

(x) The students with FE grade shall register for the courses during the normal semesters in which the courses are offered. However, the seventh and eighth semester FE grade students can register for the courses in the next immediate chance.

(xi) Grading is based on the overall percentage of marks obtained by the student in a course, as given in 4.5.2(vii). The grade card will mention the grades of only the courses for which the student has registered. Semester grade card shall give the grade for each registered course, Semester Grade Point Average (SGPA) for the semester as well as Cumulative Grade Point Average (CGPA).

(xii) The students can apply for revaluation of the answer books of the end semester examination after the results are declared. The final mark awarded will be the better of the two marks.

(xiii) Grade cards shall be made available in the student login for the registered courses, in every semester. On earning the required credits for the degree, the institution will issue the final consolidated grade sheet for the B. Tech programme including CGPA.

4.5.3 Specific to PG Programmes

(i) The ratio of CIE to ESE shall be as given below.

Theory Courses	2:3 (40 marks and 60 marks)
Laboratory Courses	3:2 (60 marks and 40 marks)
Project	2:1 (200 marks and 100 marks)
Research Methodology & IPR	CIE only
Technical Communication	CIE only
Internship	CIE only

- (ii) The CIE marks for individual subjects shall be computed by giving weightage to the following parameters unless otherwise specified in the curriculum.

Theory Courses		Practical Courses	
Internal Examination	Assignment /Course Project/Seminar Quiz	Daily Evaluation	Viva Voice
20	20	40	20

- (iii) There shall be one internal examination of 2hrs duration. The examination shall cover 75% of the syllabus and shall be for 50 marks. Retest shall be permitted to the students who could not appear for the internal tests on genuine grounds.
- (iv) The eligibility criteria for registering to the ESE are attendance in the course and having no pending disciplinary action. The minimum attendance for appearing for the ESE is 75% in each course. Students who do not meet these eligibility criteria are awarded an FE grade.
- (v) Grade and Grade points shall be awarded as given below:

Grades	Grade Point	Percentage of total marks obtained for the course
S	10	90% and above
A+	9.0	85% and above but less than 90%
A	8.5	80% and above but less than 85%
B+	8.0	75% and above but less than 80%
B	7.5	70% and above but less than 75%
C+	7.0	65% and above but less than 70%
C	6.5	60% and above but less than 65%
D	6	55% and above but less than 60%
P (Pass)	5.5	50% and above but less than 55%
F (Fail)	0	Below 45% ESE OR Below 50% for (CIE + ESE)
FE	0	Failed due to lack of eligibility criteria
I	0	Could not appear for ESE but fulfills eligibility criteria

- (vi) Pass minimum for a course shall be 45% for the ESE and 50% of CIE and ESE put together. Grade 'F' will be awarded to the

student for a course if either his/her mark for the ESE is below 45 % or the overall mark [CIE + ESE] is below 50%.

(vii) Classification of M. Tech. degree

First class with distinction	CGPA 8.0 and above
First class	CGPA 6.0 and above

(viii) The students with courses having FE grade shall register for the courses again during the succeeding semesters in which the courses are offered. However, for the third semester students having FE grades can register for the courses in the next immediate chance, if offered by the institute.

(ix) Grading is based on the overall percentage of marks obtained by the student in a course. The grade card will mention the grades of only the courses for which the student has registered. Semester grade card shall give the grade for each registered course, Semester Grade Point Average (SGPA) for the semester as well as Cumulative Grade Point Average (CGPA).

(x) There will be no revaluation for M.Tech.

(xi) Grade cards will be made available in the student login for the registered courses, in every semester. On earning the required credits for the degree, the final consolidated grade sheet for the M. Tech. programme including CGPA will be issued.

4.5.4 Malpractices/Offences in the End Semester Examination

1. Possession of any non-permissible item/ material during examination, that includes mobile phones, programmable calculators, smartwatches, smart earbuds, and other electronic devices, written matter on paper, data book, handkerchiefs, socks, other items of clothing, instrument box, identity card, or on any part of the body.
2. Copying from neighbour's answer scripts and helping neighbours answer questions.

3. Resisting handing over non-permissible material brought to the examination hall to the invigilator.
4. Disobeying the invigilator/other officials or resistance to instruction from authority.
5. Writing on the question paper (other than name or register no.) or hall ticket and/or passing the same to other student(s) in the examination hall.
6. Changing/replacing roll numbers and answer books or sitting in the wrong seat.
7. Tampering with answer books, removing pages, tampering with the bar code, and writing register no., student name, name of the college, or other identifiable content in the answer book.
8. Disturbances outside the hall or disturbing candidates from outside.
9. Leaving the examination hall without handing over the question paper, before the time assigned for the examination has ended.
10. The above list is not exhaustive. The issues, if any, will be dealt with by the concerned authority.

MALPRACTICES AND PUNISHMENTS

Different types of malpractices and the punishments for them are given below:

Sl No	Type of Malpractice/Offence	Punishment
1.	Impersonation	Permanent debarring - Reference to Police
2.	Introduction of any non-permissible material relevant to the examination, with the intention of copying and possession of them	Debarring for one to three chances
3.	Possessing any written matter on scribbling pad, calculator, data book, handkerchiefs, clothing, socks, instrument box, identity card, scales, or in any part of the body	Debarring for one to three chances
4.	Resisting to hand over non-permissible material brought to the examination hall to the invigilator	Debarring for six chances
5.	Possession of mobile phones, tab, pen camera, and such other electronic gadgets	Debarring for three chances and confiscating electronic gadgets
6.	Copying from neighbour's answer scripts	Debarring for one to three semesters depending on the gravity
7.	Disobeying the invigilator/ other officials or resistance to instruction from authority	Debarring for four to six chances
8.	Using filthy language in the answer books	Debarring for three to six chances
9.	Copying from any material and resisting the instruction of the invigilator	Debarring for six to eight chances
10.	Destroying the evidence of malpractice like tearing,	Debarring for six chances to Permanent Debarring

	mutilating the answer scripts, or running away with the answer scripts from the examination hall	
11.	Writing on the question paper and/or passing on the same to other student(s) in the Examination Hall	Cancellation of examination of both the candidates involved
12.	Changing/replacing roll numbers and answer books	Permanent Debarring
13.	Manhandling or threatening the invigilator/officers or any authority of the University	Permanent Debarring - Reference to the police
14.	Sitting in the wrong seat	Debarring one chance
15.	Threatening/requesting the neighbour to show the answer script	Debarring one to two chances
16.	Helping neighbours to answer questions	Debarring for two to four chances
17.	Tampering with answer books of neighbours	Debarring for six chances to permanent debarring
18.	Tampering with answer books, removing pages, tampering bar code, writing register no, name, name of the college or other identifying marks within the answer book	Debarring two to three chances
19.	Disturbing the candidates from outside	Registration as a student shall be cancelled Reference to Police, Debarring for one to two chances
20.	Disturbance outside the Hall	Registration shall be cancelled, Debarring for two chances to permanent debarring, Reference to the police
21.	Shouting answers from outside	Registration as a student shall be cancelled, Debarring for two chances

22.	Stealing answer books, smuggling question papers, or other examination materials	Registration as student shall be cancelled, Reference to police
23.	Breaking open the closed examination halls	Registration as a student shall be cancelled, Reference to Police, Debarring for two chances
24.	Tampering with arrangements for the conduct of examination	Registration as a student shall be cancelled, Reference to Police, Debarring for two chances
25.	Threatening/bribing invigilators, officials, and examiners	Registration as a student shall be cancelled, Reference to police, Debarring for one chance to permanent debarring
26.	Refusing to hand over question paper when leaving the room during examination hour	Not to be allowed to take the examination of subsequent days

The malpractices will be handled by an enquiry committee. The constitution of the committee is as follows:

- i) Deputy Controller of Examinations (Chairperson)
- ii) UG/PG Dean (Member)
- iii) HoD of the concerned department (Member)

Time Schedule for End Semester Examination

Examination beginning at 9.30 a.m.	Examination beginning at 1.30 p.m.	Examination beginning at 2.00 p.m.	Action
9.00 a.m.	1.00 p.m.	1.30 p.m.	The mapping of dummy seating plan mentioned in the hall ticket will be published in the notice board.
9.15 a.m. (Long bell)	1.15 p.m. (Long bell)	1.45 p.m. (Long bell)	Students to be in the Examination Hall (after producing ID card and Hall Ticket)
9.20 a.m.	1.20 p.m.	1.50 p.m.	Distribution of Answer Books (Additional Answer Books will not be provided)
9.25 a.m.	1.25 p.m.	1.55 p.m.	Distribution of Question Papers
9.30 a.m. (Long bell)	1.30 p.m. (Long bell)	2.00 p.m. (Long bell)	Exam begins
9.45 a.m.	1.45 p.m.	2.15 p.m.	Students are not permitted to enter the Examination Hall from this time on
10.30 a.m.	2.30 p.m.	3.00 p.m.	Students who wish to leave can leave the hall after submitting Answer Book and Question Paper
12.20 p.m.	4.20 p.m.	4.50 p.m.	Students are not permitted to leave the Examination Hall from this time till the end of the examination
12.30 p.m. (Long bell)	4.30 p.m. (Long bell)	5.00 p.m. (Long bell)	Exam ends

4.6 AWARDS & SCHOLARSHIPS

Dean's Honours

These are awarded to the top five students of each branch based on the aggregate marks secured on the first attempt till the previous end semester examinations. Selected students will receive a merit certificate, will be issued three extra books from the library, and can have 100 pages printed free of cost from the Zuse lab.

Perfect Attendance Award

These are awarded to all students who secure 100% attendance in each semester. Selected students will receive a merit certificate, will be issued three extra books from the library, and can have 100 pages printed free of cost from the Zuse lab.

Merit Award in Mathematics

These are awarded to students who get either A+ or S grade in the core Mathematics courses offered in the first four semesters. Only the marks on the first attempt will be considered for the award. Cash prizes will be awarded to the meritorious students.

Dr. Jaya Abraham Memorial Endowment Award

This Endowment award is instituted by the Department of Mathematics, in memory of late Dr. Jaya Abraham, former Assistant Professor from the Department. It is a testament to her unparalleled commitment and service to the student community of RSET. The award consisting of a cash prize and a certificate is presented to the highest CGPA holder of Mathematics merit award category.

Merit Award in Humanities

The Merit Award in Humanities is presented to students who score A+ or S grade in all the Humanities credited courses and score 80% and above for all Humanities non-credited courses on the first attempt. Cash prizes will be awarded to the meritorious students.

Proficiency Awards

These are awarded at the end of the fourth year to those students who have secured the maximum marks in each branch, based upon the

total marks secured by the student up till the eighth semester. The award carries a cash prize and a proficiency certificate.

Gold Medals & Merit Awards/Special Awards for Outstanding Performers

These are awarded to the toppers in each branch based on the total marks scored by them by the end of the programme. The gold medals and certificates will be awarded on the Course Completion Day of the subsequent year. Special Awards, consisting of Certificate and Cash Awards, are given to students who perform outstandingly well in a semester, and score A+, or S in all subjects in the end semester examinations. These are awarded during the Course Initiation Ceremony of the new admissions.

Prof. K A Balakrishnan Award

The Prof. K.A. Balakrishnan Award for Best Final Year Project in B.Tech Applied Electronics and Instrumentation Engineering has been instituted by the department in honor of the late Prof. K.A. Balakrishnan, former faculty member, Rajagiri College of Social Sciences, Kalamassery, and father of Mr. Sunilkumar K.B., senior technical staff member of DAE. The award includes a cash prize.

Ms. Jayasri R Nair Award

The award for the top scorer of the B.Tech programme in Electrical and Electronics Engineering has been instituted by former faculty member Ms. Jayasri R. Nair, who was a part of the department since its inception and retired from service in 2023. The award consists of a cash prize and a certificate.

Ms. Mary John Memorial Endowment Award

This endowment award is instituted by the Department of Information Technology, in memory of late Ms. Mary John, former Assistant Professor from the Department. It is a testament to her unmatched dedication and service to the student community of Information Technology. The award consisting of a cash prize and a certificate is presented to the highest CGPA holder of the Department of Information Technology on Course Completion Day.

Prof. Dr. Rajan V. K. Pillai Endowment Award

This award is instituted in memory of the former Professor and Head, DCS, late Prof. Dr. Rajan V.K. Pillai, who was instrumental in establishing and developing the department and its facilities and introducing new courses and electives. It is awarded to either a B.Tech. or an M.Tech. student based on his/her outstanding academic/research performance and presented on the Course Completion Day.

Rajagiri Excellence Award

The Rajagiri Excellence Award is given to the B.Tech student who excels academically, evidenced by the highest CGPA, a distinguished GATE score, excellent placement prospects, and a deep commitment to social responsibility.

Special Endowment Award for GATE Top Scorer

This award has been instituted by Prof. M Mahadevan, former Principal, RSET in memory of his parents, the late Sri. T A Mahadevan Pillai & Smt. K N Seetha and is awarded to the top scorer in the GATE examination. It is presented on the Course Completion Day.

Scholarships

The toppers in the merit list for admission will be given scholarships as decided by the management. The scholarships will continue in the subsequent years provided the students maintain good conduct and the prescribed SGPA in the semester-end examinations. Students belonging to economically weaker sections, who secure admission based on the allotment by the Commissioner of Entrance Examinations, will be granted 100% fee concession, provided they possess a BPL card or other documentary evidence. The number of scholarships is limited to ten.

5. CODE OF CONDUCT

5.1 COLLEGE ETIQUETTE

1. Students are expected to be polite in language and behaviour. They should greet their teachers when they meet them. When a teacher enters the classroom, the students should stand up and remain standing until the teacher asks them to sit down.
2. Misbehaviour towards fellow students, use of threat or violence against members of the staff or fellow students will be considered as very serious cases of misconduct.
3. Students should use the property of the institution with care and keep the buildings and the premises clean. In case of material damage to the institutional property caused by indifference or deliberate action, compensation, as decided by the authorities, should be paid by the student or guardian.
4. Damaging furniture, defacing the walls, repeated absence from the class without leave, misbehaviour in class, general neglect of studies, and other duties will be considered as serious offences.
5. Students should on no account bring coloured powders and liquids to the campus.
6. Bringing and consuming alcohol, cigarettes, drugs, and other intoxicants are strictly prohibited in the campus and hostels.
7. Adult rated videos, Explicit rated music and any content that goes against RSET ethos, especially content that depicts or promotes the use of substance abuse (drugs and alcohol) shall not be used for any public function/presentation/art/cultural programmes within the college campus.
8. Eatables are strictly prohibited inside the classroom. Students who bring their lunch should take their lunch at the Common Room in the Chavara Hall.
9. Birthday celebrations should not be organised on the college campus.

10. Students are advised not to invite friends to visit them in the institution during working hours or any of the programmes conducted by the institution.
11. As per the Government directive, camera cell phones are banned on campus. The use of mobile phones is strictly forbidden inside the college buildings. The ban is applicable in all areas of these buildings including classrooms, laboratories, corridors, sky walk and lifts. Any violation of this clause will lead to the confiscation of the mobile phone, which will be given back only at the end of the programme of study. No appeal from parents or students will be entertained in this regard. It is also informed that any faculty member from any department is authorised to take hold of the mobile phone, if seen in use in the areas under ban as above. Students are advised not to bring mobile phones and other valuables to the campus.
12. Students are not encouraged to bring vehicles to the campus as conveyance facilities are provided by the management. First year B.Tech. students are strictly not allowed to bring vehicles to the campus. However, students (2nd, 3rd & 4th years of B.Tech., M. Tech., and Ph.D. only) who wish to bring their own vehicles to the campus must apply for vehicle entry permits in the prescribed format. The student will have to submit copies of his/her valid driving licence, RC book in his/her name, and a letter from his/her parents permitting him/her to use the vehicle to apply for the permit. Vehicle entry permits in the form of stickers valid for one academic year will be issued for two/ four wheelers. Vehicles without such valid stickers will not be permitted inside the campus. Students who violate the stipulated conditions will forfeit their vehicle entry permit for the academic year and will have to pay a hefty fine.
13. Students' vehicles should be parked only in the parking area assigned in the college ground, for which prior permission should be obtained from the authorities. Parking in the public roads near the campus will call for severe penal action from the Police for which the institution is not responsible.
14. Over speeding in the campus will result in cancellation of vehicle entry permits.

15. Helmet is mandatory for two wheelers; and seat belts are compulsory for four wheelers.
16. During industrial visits, students should strictly comply with the instructions of the accompanying faculty members and regulations of the college authorities.
17. Ragging/any type of misconduct towards any student will be considered as a criminal offence and will be immediately reported to the police. Perpetrators will not be permitted to continue their studies.
18. Politics is banned in the college campus including the hostels. The members of the college community are not allowed to act on behalf of the political parties or communal organisations.
19. Students are forbidden from organizing meetings or collecting money for any purpose or from circulating in the institution any notice or petition, or from displaying them on the notice board or the institution's premises without the permission of the Principal.

5.2 COLLEGE PROTOCOL

1. The working hours are from 8.30 a.m. to 4.30 p.m. Students should on no account arrive late in the classroom. They should be inside their classroom at the stroke of the first bell. At the stroke of the second bell, students should stand up for the Rajagiri anthem.
2. Classes will be held from Mondays to Fridays. However, classes may be arranged on Saturdays to compensate for lost working days or based on special timetable occasionally.
3. Students should attend all sessions on all days. They should inform the Class Teacher before taking leave and submit the Leave Application within 3 days of taking leave.
4. Students should attend all the remedial/revision/special classes/training programmes and bridge courses arranged for their benefit without fail.
5. Students should attend the Placement Training Sessions arranged by the Placement Cell to be eligible for campus recruitment.
6. Boys and girls should not occupy the same bench in the classroom.

7. Eligibility conditions for taking end semester examinations and stipulations regarding credit requirements as laid down by the institution will be binding on all students.
8. Students should occupy the seats allotted to them in the examination hall, at least 15 minutes prior to the commencement of the examination. They should comply with all the instructions of the invigilators without fail.
9. Strict action will be taken against the student for any malpractice committed during the examinations.
10. Students should check the Rajagiri Student Management System (RSMS), university and institutional websites, and the notice boards regularly. They are personally responsible for finding out all relevant information regarding their programme of study.

5.3 DRESS CODE

1. B. Tech students should wear the complete uniform, with their photo identity cards, on all days, including those days on which there are no regular classes.
2. Students should be well-groomed and presentable on all days. Boys should have their hair cut neat and short. Girls should keep their hair tied.
3. The prescribed style of the uniform shirt for all students is half sleeved. Variations from the prescribed style will not be permitted. headscarves, if worn, shall be black in colour. Boys should neatly tuck in their uniform shirts and wear black belts.
4. Students are to wear black full covering formal/informal shoes to the college. On rainy days they may wear black sandals to college. Crocs, Hawai chappels and different coloured footwear are not allowed. However, students are to wear shoes to prescribed laboratories and workshops for safety purpose.
5. All postgraduate students should come to the campus in formal dress. Boys should have their hair cut neat and short and should be dressed in shirts and trousers. Girls should be dressed in sari or salwar kameez with a shawl. Photo identity cards are compulsory on all days.

6. Students should abide by the dress code specially prescribed by the college authorities for events at which uniforms are not compulsory (e.g., Onam celebrations, Farewell, etc). Variations will not be permitted. The dress code for such occasions will be separately specified.
7. Distressed jeans, crop tops and spaghetti strap/off shoulder dresses are not allowed in the institution.

6. GENERAL RULES

6.1 RULES OF ATTENDANCE & LEAVE

1. A student is required to possess minimum 75% attendance (73% for Girls) if he/she is to be admitted for the end semester examination.
2. A student is required to possess minimum 80% attendance (B.Tech. programmes) if he/she is to be admitted for the internal examinations.
3. Students should inform the class teacher before taking leave.
4. Attendance shortage will not be condoned unless the absence is regularised by a leave application. The application form is available in the department. Hostellers must collect the leave application form from their respective hostel wardens.
5. Procedure for leave application:
 - The duly filled application signed by the student and the parent/ guardian/ warden is to be presented to the class teacher.
 - If the attendance percentage falls below 90% at any stage, the student will have to meet the Head of the Department (HoD) after meeting the class teacher.
 - If the attendance percentage falls below 80% at any stage, the student will have to meet the Principal, after meeting the class teacher and the HoD.
6. In all cases where a leave of absence is required due to illness, the application for the same must be supported by a medical certificate, and this should be submitted within 3 working days. In this case, the class teacher should forward the leave application to the HoD, who can grant/refuse the leave.

7. The name of the student will be removed from the rolls, for an unauthorised absence of more than 10 consecutive working days. He/she will be readmitted only on payment of readmission fee with fine if any.
8. The Principal alone can grant leave of absence from an examination/ test on the recommendation of the concerned faculty and HoD.
9. The Principal will carry out random checking of the attendance records, and strict action will be initiated against regular absentees.

6.2 LIBRARY RULES

Library Timings

- Open from 8:00 A.M. to 8:00 P.M. on all working days.
- Open from 9:30 A.M. to 4:00 P.M. on Sundays and holidays.

General Conduct

- Strict silence must be maintained in the library and reading room.
- Students must carry their identity cards for book borrowing.
- Personal belongings should not be brought into the library.
- Mobile phones must be kept on silent mode inside the library.

Borrowing & Return Policies

- B.Tech students: Can borrow three books for 10 days (₹2 per day fine after 10 days, doubled thereafter).
- M.Tech students: Can borrow five books for 15 days (same fine policy as B.Tech students).
- Research scholars (PhD): Can borrow seven books for 30 days.
- Faculty members: Can borrow seven books for 15 days (all books must be returned at semester-end).
- Books may be renewed twice before the due date unless reserved by another user.

Book Returns & Fines

- Books must be returned on or before the due date. Absence from college is not an excuse for late returns.
- Lost books must be reported immediately and either replaced or paid for, based on publication year valuation.

Book Care & Replacement

- Books and periodicals must be handled with care.
- The borrower will be held responsible for any damage (marks, stains, torn pages)
- If a book from a set is damaged, the entire set must be replaced.

6.2.1 Department Library Rules**Library Timings**

- Department libraries are accessible during break hours on regular working days.

General Conduct

- Students must present their identity cards to borrow books.
- Strict silence must be maintained in the department library.
- Personal books and belongings are not allowed inside the department library.

Borrowing & Return Policies

- Books are issued during break time through the library in-charge.
- B.Tech., M.Tech. students, and Research Scholars can borrow up to 2 books at a time.
- Books must be renewed/returned within 20 days.

- Books can be renewed twice, extending the borrowing period to a maximum of 40 days.
- Faculty members can borrow up to 4 books at a time and must return them by the end of the semester.

Book Returns

- Books must be returned on or before the due date.
- Students must obtain a no-dues certificate from the department library before completing their course or leaving the institute.
- Faculty members must obtain a no-dues certificate if they leave the institute.

Book Care & Replacement

- Lost books must be reported immediately. They must be replaced or paid for at twice the current cost.
- Borrowed books should be handled with care. Any damage (e.g., marks, stains) must be reported at the time of issue.
- If a book is damaged, it must be replaced or paid for at double the current cost. If part of a set is damaged, the entire set must be replaced.

6.3 COMPUTER USAGE POLICY

1. On all working days, the Central Computing Facility is open from 8.30 a.m. to 4.30 p.m.
2. The Feynman, Quantum, Photon, Hercules, Ulysses, ARC, Systems Lab, Heisenberg lab, Zuse Lab, Shockley lab, Turing lab, Sycamore lab and other department simulation labs are meant for specific laboratory sessions/restricted use, and students are expected to enter these labs only with the permission of the concerned faculty members.
3. Users are to log into RSET computers and systems with their own unique user ID and password. They should not use someone else's user ID and password to access RSET computer systems. They

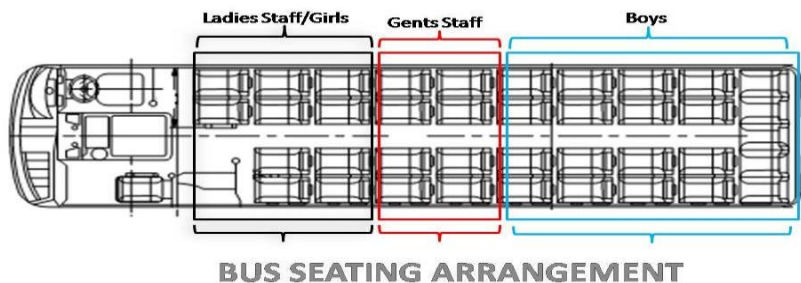

should not allow anyone to use their user ID and password to access the computer systems.

4. Users must log out of the system and switch off the monitor when they leave the lab - even if only for a short time. Failure to do so may result in someone else accessing their account without their knowledge. They are responsible for any violation of college policies that occur with their account, even when they did not perform the action.
5. Do not place any books or personal belongings on any printer, monitor, or computer equipment. This can interfere with hardware operation and / or affect proper cooling functions of the equipment.
6. Students are responsible for cleaning up any area they use/ this includes discarding scrap paper or printouts in their proper recycling or trash receptacle.
7. Loading or installation of any files/ software/ programmes/ games on the hard drive, alteration of system settings or configuration is prohibited. Any software download requires the permission of the System Administrator/ technical staff.
8. During regular lab hours, the Internet may be used only for work directly related to class work.
9. The display or transmission of threatening, obscene, or harassing materials is strictly forbidden.
10. Special sanction is to be obtained from the System Administrator for use of removable disks including CDs, USB drives etc. Any attempt to breach security will result in the removal of their account and loss of lab privileges.
11. Users should not engage themselves in playing computer games, online bidding, chatting, etc.

6.4 BUS FACILITY RULES

The following guidelines should be strictly observed by all students availing themselves of college bus facility:

1. Everybody should maintain discipline in the bus. Don't use bad words / language in the bus. Follow the instructions given by the bus coordinator.
2. Every student should have his/her valid College ID card and valid bus pass to travel in the bus. He/ She should show the ID card / college bus pass issued by the authority, as and when asked by the bus coordinator or any authority of the college.
3. Nobody should play songs on Mobile/FM or any other device loudly. However, they may use earphones to listen to music.
4. Don't talk or discuss anything with the bus driver when he is driving.
5. Smoking, chewing tobacco, food items like ice cream, packet juice and other snacks are strictly prohibited in the bus.
6. The departure timing (Bus Schedule) will be strictly followed by the bus driver at each point. No personal request/excuses will be considered. The decision of the bus coordinator will be final in this regard.
7. In the event of a breakdown, students on board must remain in the bus until alternative transport arrangements are made.
8. Girls and boys are not allowed to sit together. Front seats are allotted for girls, and back seats are allotted for boys. This should be strictly followed by the students.
9. Pickup and drop by the college bus inside the campus will be allowed only in the bus bay, other points are not entertained.
10. Pickup and drop by the college bus outside the campus will be allowed only in the authorised private/ KSRTC bus stops, other points are not entertained.
11. Students are not allowed to exchange their bus pass with anyone. If found guilty of this offence, their bus facility will be cancelled.

6.5 ADDITIONAL INFORMATION

1. Private Bus Concession Forms and Railway Concession Forms are available at the office. Those who need Railway Concession Forms may give in a request through the Administrative Officer, addressed to the Principal, clearly mentioning their date of birth, boarding point, and destination.
2. On loss of identity cards, students should approach the office for the issue of temporary identity cards, on payment. The request letter for the same must be addressed to the Principal, forwarded by both the Class Teacher and the Head of the Department, and submitted to the Administrative Officer.
3. Students who require Bonafide Student Certificate/ Fee Structure etc., or those who need any document attested should give in their request letter addressed to the Principal, forwarded by both the Class Teacher and the Head of the Department, to the Administrative Officer.
4. Latecomers are required to get the permission of the Principal before being permitted in class.
5. There is provision for students to take printouts from the Zuse lab, at the rate of Re.1/- per page.
6. First Aid Box is available in the Medical Room.
7. A complaint box system has been installed in the Main Building by the Kerala Police, enabling students to confidentially report their concerns. These will be jointly reviewed by the Station House Officer/designated officer and the Principal—weekly during the initial months and monthly thereafter. While minor issues will be

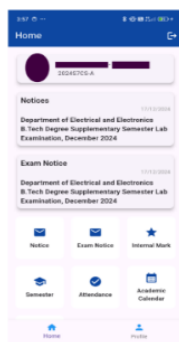

addressed within the college, serious matters will be escalated for legal or departmental action. This initiative ensures confidentiality, safety, and trust in addressing student concerns.

8. A student graduating from the college has to collect the No Dues form from the office and return the filled form. In case a Transfer Certificate is required, a form for the same is also available in the office.
9. Parents should regularly visit the Parent's Corner on the college website to know the progress of their ward.
10. The RSET mobile app provides a secure and user-friendly platform for both parents and students to access academic information and campus services.

For Parents

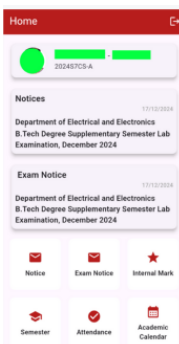

Parents log in using their ward's Student ID (e.g., U2XXXXX) and the password provided at admission to access the Home dashboard. They can view:

- Notices & Exam Notices
- Internal Marks & Semester details
- Attendance & Late Arrivals
- Academic Calendar
- Comments/Remarks
- Upcoming Events

For Students

Students log in using Google Login with their official college email (U2xxxxxx@rajagiri.edu.in), ensuring secure and authorized access without separate credentials. Once signed in, students can easily navigate various academic and campus-related features.

7. ADMINISTRATIVE BODIES

7.1 GOVERNING BODY

1. Rev. Fr. Benny Nalkara CMI (Chairperson)
Provincial, Sacred Heart Province, & Manager, RSET
2. Rev. Fr. Dr. Jose Kuriedath CMI
Director, RSET
3. Rev. Fr. Ajeesh Puthussery CMI
Associate Director, RCMAS & Councillor for Education and Communication Media, S H Province
4. Rev. Fr. Dr. Joel George Pullolil CMI
Dean UG & Assistant Director, RSET
5. Mr. Ajayan C
Additional Secretary, Higher Education Department, Government of Kerala, State Government Nominee
6. Dr. Vinodkumar Jacob
*Professor, Dept. of Electronics and Communication Engineering
Mar Athanasius College of Engineering, Kothamangalam,
University Nominee*
7. Dr. Prasad Krishna
Director, NIT, Calicut
8. Prof. (Dr.) K. Poullose Jacob
Senior Professor & Dean Research, RSET
9. Dr. Jacob T. Varghese
Chairman, STEAG Energy Services
10. Mr. Thomas John
Managing Director, Agappe Diagnostics Ltd.

11. Rev. Fr. Dr.-Ing. Varghese Panthalookaran CMI
Senior Professor, DSH, RSET
12. Dr. Jaison Jacob
Professor, DEC, RSET
13. Dr. Biju Paul
Professor & Dean (Alumni Affairs, SDG & Outreach), DIT, RSET
14. Dr. Elizabeth Rita Samuel
Associate Professor, DEE, RSET
15. Adv. Kurian George Kannanthanam
Senior Counsel, High Court of Kerala
16. Mr. C. J. Romid FCA
Chartered Accountant
17. Rev. Fr. Dr. Jaison Paul Mulerikkal CMI (Secretary)
Principal, RSET

7.2 FINANCE COMMITTEE

1. Rev. Fr. Dr. Jaison Paul Mulerikkal CMI (Chairperson)
Principal, RSET
2. Mr. C.J Romid FCA (Governing Body Member)
3. Rev. Fr. Dr. Joseph Mathew CMI (Senior Faculty Member)
4. Mr. Joseph P.M. (Finance Officer, RSET)

7.3 ETHICS COMMITTEE

1. Rev. Fr. Dr. Jaison Paul Mulerikkal CMI (Chairperson)
Principal, RSET
2. Rev. Fr. Dr Joel George Pullolil CMI
Asst. Director, RSET
3. Mr. Arunkumar T, PTA representative
(Vice President, PTA)
4. Ms. Neethu Radha Gopan
Faculty Advisor, Student Council
5. Mr. Joshua Tom George (Joint Convener)
Chairperson, Student Council
6. Mr. M. O. Varghese
President /Ward Member, Thrikkakara Grama Panchayath
7. Mr. Jeffin Johnson
NSS Programme Coordinator
8. Dr. Silvy Mathew
Student Welfare Officer

7.4 INTERNAL QUALITY ASSURANCE CELL (IQAC)

The Internal Quality Assurance Cell gives advice and guidelines to the administration to maintain high-quality work in academics and administration. The cell monitors the quality aspects of all the academic and non-academic activities of the institution. The cell works on various accreditation aspects.

IQAC Core Committee			
Sl. No	Name	Designation	Role
1	Rev. Fr. Dr. Jose Kuriedath CMI	Director, RSET	Management Representative
2	Rev. Fr. Dr. Jaison Paul Mulerikkal CMI	Principal, RSET	Chairperson
3	Dr. Manoj G. Tharian	Professor, DME, RSET	Coordinator
4	Dr. Elizabeth Rita Samuel	Associate Professor, DEE, RSET	Co-coordinator
5	Rev. Fr. Dr. Joel George Pullolil CMI	Professor, RSET	Assistant Director & Dean (UG Studies)
6	Rev. Fr. Dr. Joseph Mathew CMI	Assistant Professor, RSET	Dean (Student Affairs)
7	Dr. Poulose Jacob K.	Senior Professor, RSET	Dean (Research)
8	Dr. Jobin K Antony	Professor, RSET	Dean (PG Studies)
9	Dr. Antony V. Varghese	Professor, RSET	Controller of Examinations
10	Mr. Rony Antony P.	Assistant Professor, DEC, RSET	PG Coordinator
11	Ms. Kuttyamma A. J.	Professor, DIT, RSET	UG Coordinator
12	Dr. Aysha Zeneeb Majeed	Professor, DCE, RSET	NBA Coordinator
13	Dr. Jincy J. Fernandez	Associate Professor, DCS, RSET	NAAC Coordinator

14	Dr. Dhanya P. M.	Professor, DCU, RSET	Faculty Representative
15	Dr. Anita John	Associate Professor, DCS, RSET	Faculty Representative
16	Mr. Nitheesh Kurian	Assistant Professor, DEC, RSET	Faculty Representative
17	Assistant HoD's of each Department		IQAC Department Coordinators
18	Mr. M. T. Kuriakose	Administrative Officer	Senior Administrative Representative
19	Mr. P. M. Joseph	Sr. Finance Officer	Senior Administrative Representative
20	Mr. Vinod VS	Senior Manager Tax Technology and Transformation /Digital Technologies/EYGDS/CSR/Ripples Lead for Kerala	Employer Representative
21	Ms. Nazneen Jehangir	CEO of NeST Digital & Executive Director of NeST Group.	Industry Representative
22	Ms. Dayana Vincent	Founder, Director - Fourth Wave Foundation	Nominee from local society
23	Dr. V. Sivanandan Achari	Professor of Chemistry, Registrar (i/c) Dean, Faculty of Environmental Studies, CUSAT	Parent Representative
24	Ms. Krishnapriya M.	Senior Consultant, Infosys Ltd	Alumni Representative
25	Ms. Veena Pradeep T	Office Assistant	IQAC Office Assistant
26	Mr. Joshua Tom George	Chairperson Student Council	Student Representative

Internal Quality Assurance Cell (IQAC) Working Committee			
Sl. No.	Name	Designation	Role
1	Dr. Manoj G. Tharian	Professor, DME, RSET	Coordinator

HoD, DAE, RSET
22. Dr. Sherly K. K.
HoD, DAD, RSET
23. Dr. Binu R.
HoD, DMA, RSET

24. Dr. Anju C.
HoD, DSH, RSET
25. Dr. Manoj G. Tharian
Ex officio secretary RSET-AC (IQAC Coordinator)

8.2 BOARD OF STUDIES (BoS)

The Board of Studies of each department is responsible for submitting recommendations to the Academic Council, on matters relating to framing, reviewing, and updating the syllabus, curriculum, and examinations of different courses and introducing new courses. In addition to all the faculty members of a department, BoS consists of subject experts, experts nominated by the Vice-Chancellor, a representative from the industry/corporate sector, and a post-graduate meritorious alumnus.

Department of Applied Electronics and Instrumentation

Sl No	Name	Designation and Address
1	Dr. Lekshmi M. S.	Chairperson, Assistant Professor & HoD, DAE, RSET
2	Dr. Harigovindan V. P.	Associate Prof. & HoD, Dept. of ECE, NIT, Puducherry
3	Dr. Venu Anand	Assistant Professor – Grade I, Dept. of ECE, NIT, Calicut
4	Dr. Sreelatha G.	Professor, Dept. of ECE, College of Engg, TVM
5	Mr. Faisudheen Kannothe	Commissioning Manager, Galfar Almisnad Engineering and Contracting W.L.L., Qatar
6	Dr. Anuj Abraham	Senior Researcher, Technology Innovation Institute (TII), Abu Dhabi, UAE

Department of Artificial Intelligence and Data Science

Sl No	Name	Designation and Address
1	Dr. Sherly K. K.	Chairperson, Professor & HoD, DAD, RSET
2	Dr. Binsu C Kovoov	Professor, Dept. of IT, SOE, CUSAT
3	Dr. Anuraj Mohan	Assistant Professor, Dept. of CSE, NSS College of Engineering, Palakkad
4	Mr. Jeethu Joseph	Entrepreneur Architect, TCS Kochi
5	Mr. Pradeep Chand	Director, Autonomous Systems, NVIDIA, Munich, Germany (IT Alumni)
6	Dr. Preetha Theresa Joy	Professor, Dept. of Computer Science, College of Engineering, Cherthala

Department of Basic Sciences and Humanities

Sl No	Name	Designation and Address
1	Dr. Anju C.	Chairperson, Associate Professor & HoD, DSH, RSET
Physics		
2	Dr. Pramod Gopinath	Professor, International School of Photonics, CUSAT
3	Dr. Titus K. Mathew	Adjunct Professor, Department of Physics, CUSAT
4	Dr. K. R. Suresh Nair	CTO, Design Alpha, Infopark
Chemistry		
5	Dr. Soney Varghese	Professor, Nanomaterials and devices Research Laboratory School of Nano Science and Technology, NIT Calicut
6	Dr. Honey John	Professor, Department of Polymer Science & Rubber Technology, CUSAT

7	Dr. Kochu Baby Manjooran. S.	Senior Manager (Retd), BPCL, Kochi Refinery
English		
8	Dr. Joseph Koyippally	Professor & Head, Department of English & Comparative Literature, Central University of Kerala, Kasargod
9	Dr. Priya K Nair	Assistant Professor, Department of English, St Teresa's College (Autonomous), Kochi
10	Ms. Smitha Nair	Senior Service Delivery Manager, IBS Software, Infopark, Kakkanad, Kochi
Economics		
11	Dr. Sebastian Thomas	Assistant General Manager at Kerala State Industrial Development Corporation Ernakulam, Kerala
12	Dr. Kiran Kumar Kakarlapudi	Assistant Professor, Gulati Institute of Finance and Taxation (GIFT), Thiruvananthapuram
13	Dr. Justine George	Assistant Professor, St. Pauls College, Kalamassery
Physical Education		
14	Dr. Dhinu M. R.	Director, Dept of Physical Education & Sports, Sree Sankaracharya University of Sanskrit, Kalady
15	Dr. Jayarajan David. D.	Associate Professor & HoD, Dept. of Physical Education, Government College for Women, Thiruvananthapuram.
16	Mr. Tinu Yohannan	Director, High-Performance Centre, Kerala Cricket Association

Department of Civil Engineering

Sl No	Name	Designation and Address
1	Dr. George Mathew	Chairman, Professor & HoD, DCE, RSET
2	Dr. Job Thomas	Professor, Dept. of CE, School of Engineering, CUSAT, Kochi
3	Dr. Robin Davis	Associate Professor, Dept. of CE, NIT Calicut
4	Dr. Praveen Mathew	Associate Professor, Dept. of CE, MA College of Engineering, Kothamangalam
5	Er. Regi Zacharia	Chief Engineer, S&R Consultants Elamkulam, Ernakulam
6	Ms. Alphonsa Mirna Mathew	Asst. Engineer, ICRC, Earth & Environment, WSP, UK

Department of Computer Science and Business Systems

Sl No	Name	Designation and Address
1	Dr. Divya James	Chairperson, Associate Professor & HoD, DCU, RSET
2	Dr. Smithamol M B	Professor, LBS Institute of Technology For Women, Trivandrum
3	Dr. Madhu Mutyam	Professor, IIT Madras
4	Dr. Nycil George	Assistant Professor, IIM Kozhikode
5	Mr. Jacob Thomas	Tata Consultancy Services, Kochi.
6	Ms. Madhuri D Madhavanpillai	Programme Director, Data & AI, IBM India Software Labs, Kochi
7	Mr. Paul Joshi	Zero Pixels, Kochi, Alumni (IT branch)

Department of Computer Science and Engineering

Sl No	Name	Designation and Address
1	Dr. Preetha K. G.	Chairperson, Professor & HoD, DCS, RSET
2	Dr. Jayalal Sarma	Professor, Dept. of CSE, IIT Madras
3	Dr. S D Madhu Kumar	Professor, Dept of CSE, NIT Calicut
4	Dr. Santhoshkumar G.	Professor, Dept. of CS, CUSAT
5	Dr. Bindu Krishnan	Senior Statistician, Data & AI, IBM India Software Lab Kochi
6	Dr. Mahalingam P. R.	Pre-Sales Manager and Centre Head, InApp Information Technologies (India) Pvt. Ltd

Department of Electrical and Electronics Engineering

Sl No	Name	Designation and Address
1	Dr. Rinu Alice Koshy	Chairperson, Assistant Professor & HoD, DEE, RSET
2	Dr. Anupama Kowli	Associate Professor, Dept of EEE, I.I.T Bombay
3	Dr. Gopakumar Patharikkat	Assistant Professor, Dept of EEE, NIT, Calicut
4	Dr. B. Jayanand	Professor, Dept of EEE, GEC. Thrissur.
5	Dr. Hariram Satheesh	Principal Scientist, ABB, GISPL, Bengaluru,
6	Dr. Durga S. Nair	Electronics Engineer, Delta Electronics, Bengaluru

Department of Electronics and Communication Engineering

Sl No	Name	Designation and Address
1	Dr. Jisa David	Chairperson, Associate Professor & HoD, DEC, RSET
2	Dr. Sameer S. M.	Professor, Dept. of ECE, NIT Calicut
3	Mr. Jayan Thiruthiyil	Principal Solution Architect, Ericsson India Pvt. Ltd
4	Dr. Jobin Francis	Assistant Professor, Dept. of Electrical Engineering, IIT Palakkad

8.3 DEANS' OFFICE (UG & PG)

The Dean's Office (UG & PG) plays a vital role in managing the academic and administrative responsibilities of undergraduate and postgraduate programs at Rajagiri School of Engineering & Technology.

The UG Dean's Office coordinates curriculum delivery, internships, and student academic progression, along with overseeing NPTEL courses and the Universal Human Values (UHV) course, which includes both classroom sessions and social work activities.

The PG Dean's Office focuses on strengthening postgraduate education through advanced coursework, research guidance, project supervision, and industry partnerships. Collectively, the Dean's Offices provide academic leadership, extend faculty and student support, and ensure the effective implementation of institutional policies and initiatives.

8.4 EXAMINATION CELL

Controller of Examinations: Dr. Antony V. Varghese

Deputy Controllers of Examinations: Mr. Benny K K

Dr. Sreekumar G

Assistant Controllers:

8.5 EXAMINATION GRIEVANCE CELL

Examination Grievance cell is constituted for redressal of the grievances of students related to exams. There will be provisions for grievance redressal at three levels:

1. At the level of the course teacher concerned.
2. At the level of a departmental committee consisting of the Head of the Department, Assistant Controller of Examinations representing the department - nominated by the Principal and the course teacher concerned.
3. At the level of the College, a committee consisting of the Principal, Controller of Examinations, Head of the concerned Department, and one member of the Academic Council nominated by the Principal every year.

The grievances regarding continuous internal assessment (CIE) shall be filed at the first and second levels within two working days of the publication of the consolidated results of the concerned examination and the decision shall be taken within the next two working days. The third level complaints shall be made within five

working days after the publication of the consolidated results and the decision shall be taken within the next five working days.

Coordinator: Dr. Sreekumar G., Deputy Controller of Examinations

Members: All HoDs

8.6 TIMETABLE COMMITTEE

Convenor: Mr. Rathish T. R. (DME)

Members: Ms. Liyan Grace Shaji (DAD), Ms. Aiswarya Mohan (DAD), Ms. Anjana Mohandas (DAE), Ms. Hema M (DCE), Mr. Mareena George (DCE), Ms. Liya Joseph (DCS), Ms. Sherine Sebastian (DCS), Ms. Ancy C A (DCU), Ms. Veena R (DCU), Ms. Jasmin Sebastin (DEC), Ms. Kiran K A (DEC), Ms. Santhi B (DEE), Ms. Tintu Pious (DEE), Mr. Mathews Abraham (DIT), Mr. Tinku Soman Jacob (DIT), Mr. Jeffin Johnson (DME), Lt. Dr. Vishnu Sankar (DME), Ms. Arya M V (DMA), Ms. Anisha Anilkumar (DMA), Ms. Meera P S (DSH), Dr. Deepa K Baby (DSH), Mr. Rajeesh Rajkumar (DSH)

9. STUDENT SUPPORT RESOURCES

9.1 CLASS TEACHER SYSTEM FOR B. TECH. PROGRAMMES

First Year

Each first-year class is assigned two Class Teachers, Class Teacher from the Department of Basic Sciences & Humanities or the Department of Mathematics, and Associate Class Teacher from the student's parent department. While both teachers are expected to be familiar with the students and monitor the progress of the class in all respects, for ease of management, the responsibilities of each would be as demarcated below.

Responsibilities of the Class Teacher

1. Day to day academic, attendance, and disciplinary matters.
2. Consolidation of the weekly attendance.
3. Submit the weekly attendance record and list of students who have applied/not applied for leave (both) during the week to the First Year Coordinator, to initiate necessary action
4. Compilation of monthly attendance and preparation of regular absentees list for publishing on the notice board (on the last working day of every month).
5. Sanction the leave application of the students. In case of leave requirement over three consecutive days, refer the application to the First Year Coordinator.
6. Make note of students who are absent during tests, after verifying the reason for absence and ensure that the student takes the retest when conducted.
7. Report the activities and progress of the class to the First Year Coordinator.
8. Intimate the parents about results of Exams, Open House, PTA meetings, etc.
9. Ensure that the Mid and End Semester Feedback and Course Outcome Feedback are completed in RSMS by all the students.
10. Work with faculty-in-charge for the associations/clubs for effective implementation of association/club activities.
11. Maintenance of first year class teacher file.
12. Any other matter entrusted by the First Year Coordinator/Principal.

Responsibilities of the Associate Class Teacher (from the parent department)

1. General academic, attendance, and disciplinary matters.
2. Ensure completion of student details in RSMS portal (course registration, examination, etc.), and submission of all relevant student records (school mark lists, fitness certificates, etc.) to the college office on time.
3. To convene and prepare meeting minutes of class advisory meetings, in the presence of all faculty members concerned and the First Year Coordinator.
4. Act as the interface of the parent department with the class.
5. Report the activities and progress of the class to the HoD.
6. Work with faculty-in-charge for the associations/clubs for effective implementation of association/club activities.
7. Any other matter entrusted by the First Year Coordinator/ HoD / Principal.

Higher Semesters

Responsibilities of the Class Teacher

1. Give awareness about the rules and regulations of college.
2. Provide students list and course mapping for RSMS updation.
3. Prepare Elective list, Minor list and Honors list for updating in RSMS.
4. Monitor day to day academic and disciplinary matters.
5. Regular monitoring of the class (Hour Swapping).
6. Syllabus coverage before each internal exam to be consolidated.
7. Intimate the parents about results of exams, Open House, PTA meetings, etc.
8. Ensure Mid and End Semester Feedback and Course Outcome Feedback are entered by all students in RSMS.
9. Report the activities and progress of the class to the HoD.
10. Verify and publish the sessional.
11. Verification of sessional in REXA.
12. Prepare the result analysis of class.
13. Prepare the course repeat students list.
14. Preparation of class toppers list.
15. Maintain the placement details.
16. Maintain the Class Teacher file.

Responsibilities of the Associate Class Teacher

1. Prepare the list of MOOC attended by the students.
2. Monitor the conduct of the Student Enrichment period.
3. Track the internship details.
4. Coordinate industrial visit for the class.
5. Submit the weekly attendance record and list of students who have applied/not applied for leave (both) during the week to the Head of the Department in order to initiate necessary action.
6. Consolidation of the weekly attendance.
7. Compilation of monthly attendance and preparation of regular absentees list for publishing on the notice board (on the last working day of every month).
8. Ensure timely submission of leave form and sanction the leave application of students in RSMS. In case of leave requirement over three consecutive days, refer the application to the HoD.
9. Mark duty attendance in RSMS.
10. Make note of students who are absent during tests, after verifying the reason for absence ensure that the student takes the retest when conducted.
11. Maintain Class Activity file (Activity point calculation)
12. Work with faculty-in-charge for the associations/clubs for effective implementation of association/club activities.

Common Duties of Class Teacher & Associate Class Teacher

1. To convene and prepare meeting minutes with action taken report of class/ advisory meetings conducted in the presence of all faculty members concerned and the HoD.
2. Any other matter entrusted by the HoD/ Principal.

9.2 CLASS TEACHERS & ASSOCIATE CLASS TEACHERS**B. TECH PROGRAMMES**

S3 DS	Prof. Kuttyamma A J
S3 VAES	Mr. Dhanesh M. S.

9.4 MENTORING SYSTEM

Each student in the department is assigned a mentor, with classes divided into 3 or 4 groups, each led by a staff member who mentors approximately 15 to 20 students. Mentors meet with their mentees at least twice a semester: once at the start, after the first series of exams, and again at the end of the semester. During these meetings, mentors address academic, non-academic, and personal concerns, offering guidance and referring students, when necessary, to other faculty members who could be of help to students in specialized areas of expertise. Mentors encourage participation in co-curricular, extra-curricular, and professional activities to help students grow into well-rounded professionals. If students face learning difficulties, mentors communicate these to the relevant course teachers, who may arrange

remedial classes. Students with psychological problems are referred to the Student Welfare Officer for professional help.

The digital version of the Mentoring Book, which records the details of the meetings, is available in RSMS. Mentors are required to add their mentees to the portal and submit the session details after each meeting. Students are asked to approve the session through their respective student portals.

9.5 REMEDIAL SYSTEM

Remedial sessions are conducted regularly every week throughout the semester. The slow learners are equipped with more sessions to gain pace with the regular class. Extra sessions will be scheduled before internal tests and end-semester exams with the view of improving the overall academic performance of the students for analytical and tough courses. Courses that need higher analytical skills are assigned more remedial hours.

9.6 ANTI-RAGGING CELL

Anti-ragging Cell is in operation under the overall charge of the Principal. Students are advised to bring cases of ragging (either on the college campus or in the hostel) to the notice of the Principal/members of the anti-ragging committee/teachers/hostel wardens. The offenders shall be liable for punishment with imprisonment and a fine. Offenders may be expelled from the institution.

For the concerns related to ragging incidents can call the National Anti-Ragging Helpline No. 1800-180-5522 (24*7 Toll Free) or e-mail: helpline@antiragging.in

Coordinator: Mr. Biju Abraham Narayamparambil, DCS

Members:

Ms. Ann Maria Ranju S3 CS
Janamaithri Beat Officer from the local police station
Mr. Arunkumar T – PTA Vice President
Mr. M.O. Varghese, Ward Councilor

9.8 STUDENT WELFARE OFFICE

STUDENT WELFARE OFFICE: PSYCHOLOGICAL COUNSELLING SERVICES

The RSET's Student Counselling Service, led by Dr. Silvy Mathew (trained at NIMHANS, Bangalore), supports students' mental health and overall well-being. It assists students facing academic, social, or psychological challenges such as stress, anxiety, depression, adjustment issues, and burnout. The service follows a three-stage approach: assessment and diagnosis, individualized therapeutic interventions, and referral for pharmacological support when needed, fostering a supportive environment for students to thrive.

Student Welfare Officer - Dr. Silvy Mathew

Procedure for Seeking Assistance of Student Welfare Officer

Students in need of support may access the Student Welfare Office through multiple channels. Referrals can be made by parents, faculty members, mentors, friends, guardians, hostel wardens, or any individual concerned about a student's well-being. However, majority of students seek assistance from the SWO independently.

Upon evaluation of each case, personalized intervention plan is formulated. Initially, this plan involves multiple weekly sessions, with the frequency gradually reduced as the student demonstrates progress.

Contact Details: silvy@rajagiritech.edu.in

Ph: +91 9961614500

9.9 STUDENT WELFARE COMMITTEE

RSET's Student Welfare Committee promotes a supportive and inclusive environment for students' holistic development. Meeting biannually, it reviews student well-being, academic support, and extracurricular activities. The committee ensures student welfare, facilitates open communication between students and staff, addresses grievances, and continuously evaluates and improves welfare initiatives to enhance the overall campus experience.

Members:

1. Fr. Thomas P J – DAE (Chairperson)
2. Dr. Silvy Mathew – Student Welfare Officer (Member Secretary)
3. Dr. Hans John Dacruz – DEE
4. Ms. Arya M.V – DMA
5. Mr. Joshua Tom George (S7 EEE)- Student Council Representatives

9.10 STUDENT GRIEVANCE REDRESSAL CELL

The Student Grievance Redressal Cell (SGRC) in educational institutions plays a pivotal role in ensuring a conducive and fair environment for students. It serves as a dedicated platform for students to voice their concerns and complaints regarding academic, administrative, or personal issues. Comprising faculty, administrative staff, and student representatives, the Student Grievance Redressal Cell follows a structured process for grievance resolution, maintaining confidentiality while striving for prompt and equitable solutions.

At the appellate level, the Principal will redress all the unresolved cases in consultation with the Director. A suggestion/complaint box is installed in front of the library (Main block, Ground floor) in which the students who want to remain anonymous can put in writing their grievances and their suggestions for improving the academic and administrative activities in college.

Members:

Rev. Fr. Dr. Jaison Paul Mulerikkal CMI – Chairperson (Principal)

Dr. Jobin K Antony (DEC)– Member (Dean PG)

Mr. Binu A. (DAD) – Member

Ms. Caroline Ann Sam (DEE) – Member

Mr. Sutheerth A (S7 IT)- Student Representative

9.11 UHV CELL

Our institution, in alignment with AICTE and NEP 2020 guidelines, has established a Universal Human Values (UHV) Cell as part of its commitment to holistic and value-based education. The UHV Cell acts as a multidisciplinary platform that nurtures right understanding and mutually enriching relationships among students, faculty, staff, and the wider community. UHV content is integrated into SIP, UHV-I, and UHV-II courses, while regular FDPs are conducted to train faculty as value educators. Mentoring systems, student clubs, cultural activities, and a UHV Resource Library help promote humanism, inclusiveness, and sustainable living. Additionally, regular UHV meetings are organized to exchange best practices and monitor the impact of UHV initiatives across the institution

Members:

Rev. Fr. Dr. Jaison Paul Mulerikkal CMI - Chairperson (Principal)

Dr. Joel Goerge Pullolil CMI - Convener

Ms. Caroline Ann Sam (DEE) – Coordinator

Faculty Representatives:

Ms. Priya S (DAE)

Ms. Liyan Grace Shaji (DAD)

Ms. Neethu George (DSH)

Ms. Anagha R (DCE)

Ms. Leema Mathew (DCU)

Mr. Abhishek Viswakumar (DEC)
Ms. Jeshmol P. J (DIT)
Ms. Menny M.N. (DMA)
Mr. John Paul C.D. (DME)

Staff Representatives:

Mr. Jithin T (Technical Staff - DEC)
Ms. Jomy K J (Office)
Mr. Bilji C.G. (Security Officer)

Student Representative:

Adithya Sharma (S3 DAE)
Melissa Mariam Vivek (S3 DAD)
Shanza Siblu (S3 DCE)
Bettina Mariam Bobby (S3 DCU)
Liya Joshy (S3 DCS)
Abhinand C J (S3 DEE)
Abhinav Johnson (S3 DEC)
Ashly George (S3 DIT)
N P Aryasree (S3 DME)

9.12 SC/ST COMMITTEE

As per AICTE guidelines and the provisions of the SC/ST (Prevention of Atrocities) Act, 1989 (Act No. 33), a committee has been established to prevent atrocities against SC/ST students and ensure their safety within the institution. Students may approach this committee for grievance redressal related to discrimination or misconduct. The committee provides counseling and support, helping students overcome academic and personal challenges while also informing them about scholarships and government or UGC programs. It functions as a Grievance Redressal Cell for both students and staff and implements preventive measures against any form of atrocities. Additionally, the committee addresses and resolves reported incidents of discrimination or unfair treatment promptly.

Chairman: Rev. Fr. Dr. Jaison Paul Mulerikkal CMI (Principal)

Members: Rev. Fr. Dr. Joel George Pullolil CMI, Assistant Director, Mr. Binu A (DAD), Ms. Harsha. A (DEC), Mr. Reji V.V. (Assistant Administrative Officer)

Secretary: Dr. Silvy Mathew, Student Welfare Officer

9.13 CAREER GUIDANCE CELL

The cell organises workshops and training programmes on career orientation, higher study options, self-employment, and entrepreneurship management to make the students aware of educational and career choices. The cell also organises diagnostic tests for competitive exams like GATE, CAT, JRE, GMAT and encourages student to pursue higher studies.

Coordinator: Mr. Sidheek P. A. (DME)

Members: Mr. Rajeesh Rajkumar (DSH), Dr. Rahesh Hari (DCE), Ms. Liya Joseph (DCS), Ms. Caroline Ann Sam (DEE)

9.14 PLACEMENT CELL

The Placement Cell keeps track of openings within the country and abroad and brings in companies for campus recruitment. It prepares students for recruitment by providing training through aptitude tests, group discussions, and mock interviews. It helps the students analyze their aptitude and make the best choice from the available alternatives.

Chairperson: Rev. Fr. Dr. Jaison Paul Mulerikkal CMI (Principal)

Advisors: Rev. Fr. Thomas P.J (DAE), Dr. Biju Paul (DIT), Mr. Manu Joseph (DME)

Placement Officer: Mr. Anand Anto (DCU)

Associate Placement Officer: Dr. Varghese S. Chooralil (DAD)

Placement Executives: Ms. Niphy Mathew, Mr. Jomon P.J.

Members: Mr. Vimal Kumar V (DAE), Dr. Jithin Mathews (DAD), Ms. Mareena George (DCE), Mr. Harikrishnan M (DCS), Ms. Veena Rani (DCU), Mr. Kiran K. A. (DEC), Ms. Renu George (DEE), Ms. Viji Mohan (DIT), Mr. Senjo Manuel (DME)

INTERNSHIP CELL**Student Internship Coordinator:** Mr. Karunakara P. Menon (DEC)**Department coordinators:** Dr. Abraham Thomas (DAE), Dr. Varghese Chooralil (DAD), Ms. Anagha R. (DCE), Dr. Mary Priya Sebastian (DCS), Mr. Tinku Soman Jacob (DIT), Ms. Veena Rani (DCU), Mr. Senjo Manuel (DME), Mr. Jebin Francis (DEE)**9.15 INTERNATIONAL OFFICE**

International education helps students in achieving excellent exposure to different cultures and languages enabling them to broaden their academic experience globally. A good number of Rajagiri students are taking admissions in different foreign countries through the international educational fair which is a picture-perfect platform for potential students to kick off their study abroad. Students at RSET get an opportunity to meet university delegates from a range of international universities which helps them to improve their awareness regarding various opportunities in academics and research worldwide.

Chairperson: Rev. Fr. Dr. Jaison Paul Mulerikkal CMI (Principal)**Advisor:** Rev. Fr. Thomas P. J. CMI (DAE)**International Officer:** Dr. Biju Paul (DIT)**Members:** Dr. Varghese Chooralil (DAD), Prof. Frank Späte (OTH Amberg-Weiden)**Office Assistant:** Mr. Alen Lukose**9.16 RAJAGIRI ORBIIT**

Rajagiri ORBIIT (Rajagiri Orbit for Research, Business Incubation, Innovation & Technology) is the official incubation centre of RSET, established to nurture innovation, support entrepreneurs, and build a strong startup ecosystem. Located on the 7th floor of the KE Block, it offers pre-incubation and incubation support, co-working spaces, mentorship, access to research facilities, and connections to investors and industry networks. ORBIIT serves as a launchpad that transforms bold ideas into successful ventures.

Coordinator: Mr. Nitheesh Kurian (DEC)

9.17 INNOVATION AND ENTREPRENEURSHIP DEVELOPMENT CENTRE (IEDC)

RSET's Innovation and Entrepreneurship Development Centre (IEDC) inspires and supports students with entrepreneurial ambitions by helping them turn ideas into startups. Originally founded in 2004 and rebranded in 2015, it functions as a pre-incubation center backed by Kerala Startup Mission (KSUM). IEDC organizes a wide range of activities—such as workshops, hackathons, mentorship sessions, startup pitch competitions, innovation challenges, and industry interactions—to provide hands-on experience, exposure, and networking opportunities. Through these initiatives, it builds an ecosystem that nurtures innovation, develops prototypes, and prepares students for real-world economic and industrial scenarios.

Nodal Officer: Mr. Nitheesh Kurian (DEC)

Assistant Nodal Officer: Ms. Anu Maria Joykutty (DCS)

Department Coordinators: Ms. Hema M (DCE), Mr. Willson Joseph (DAD), Mr. Vimal Kumar V (DAE), Mr. Krishnaraj P.P. (DME), Mr. Mahesh K.M. (DCU), Dr. Hans John Dcruz (DEE), Ms. Tania Shirley Stalin (DIT)

9.18 INSTITUTION'S INNOVATION COUNCIL

The Institution's Innovation Council at RSET was established as per the norms of Innovation Cell, Ministry of Education, Govt. of India during the academic year 2020-21. The objective of IIC is to equip students with an entrepreneurial mindset, innovative thought process, design thinking, and critical thinking abilities. IIC provides a platform for students to exhibit and refine their ideas and intuitions into products and services that are beneficial to society. Under the leadership of the nominated faculty members and selected student members IIC RSET has been effectively organizing events to nurture student innovators and to develop a strong culture of entrepreneurship and innovation within the campus.

President & Start up Activity Coordinator: Mr. Nitheesh Kurian(DEC)

Vice President: Dr. Biju Paul (DIT) Dean, Alumni Affairs, SDG & Outreach

Convener: Mr. Anoop Thomas (DEC)

Innovation Activity Coordinator: Ms. Anu Maria Joykutty (DCS)

Social Media Incharge: Ms. Jisha Mary Jose (DCS)

9.19 INSTITUTION INDUSTRY CELL

RSET's Institution-Industry Cell fosters strong academia-industry partnerships to connect classroom learning with real-world practices. It promotes joint research, consultancy, technology development, skill-based training, and organizes seminars, workshops, industrial visits, and live projects for students and faculty. Through industry experts, alumni mentoring, and MoUs with organizations, the IIC supports collaborative projects, entrepreneurship, and professional development. These initiatives enhance employability, prepare industry-ready graduates, and ensure faculty growth while keeping RSET aligned with industry needs.

Chairperson: Ms. Sangeetha Jamal (DCS)

Co-Chairperson: Mr. Vineeth Krishna P (DME)

Department Representatives: Mr. Krishnakumar K P (DAE), Dr. Rahesh Hari (DCE), Ms. Meenu Mathew (DCS), Mr. Karunakara P. Menon (DEC), Mr. Unnikrishnan L (DEE), Mr. Tinku Soman Jacob (DIT), Mr. Jeffin Johnson (DME), Ms. Menny M.N. (DMA), Mr. Anand Anto (DCU)

9.20 PARENT TEACHER ASSOCIATION

The parents are provided with the opportunity to observe the working of the institution, and to give their valuable suggestions for better quality service through the interaction with the faculty and the management. The PTA has an executive committee comprising the parents of students' branch wise and year wise and the representatives of the faculty including the Director and the Principal. The committee meets at least twice a year to discuss all matters of interest.

President: Rev. Fr. Dr. Jaison Paul Mulerikkal CMI (Principal)

Vice President: Mr. Arunkumar T

Secretary: Dr. Rithu James (DEC)

Members: Ms. Swapna Davies (DEC), Mr. Krishnaraj P. P. (DME), Ms. Mareena George (DCE), Mr. Vimal Kumar (DAE), Mr. Abraham Jacob (DMA), Mr. Rajeesh Rajkumar (DSH), Mr. Unnikrishnan L. (DEE), Ms. Dincy Paul (DCS), Mr. Tinku Soman Jacob (DIT), Mr. Willson Joseph (DAD), Mr. Mahesh K.M. (DCU)

10. OTHER SUPPORTING RESOURCES

10.1 INTERNAL COMPLAINTS COMMITTEE

The Internal Complaints Committee (ICC) of the College is established in accordance with UGC, AICTE, and the Sexual Harassment of Women at Workplace Act to address complaints of sexual harassment. It works to prevent such incidents, ensure a safe environment for female students and women employees, and provide effective redressal mechanisms. The ICC also promotes awareness through workshops, expert sessions, and campaigns, fostering a respectful, dignified, and supportive campus and workplace.

Presiding Officer - Dr. Saritha S (DIT)

Members:

Dr. Tressa Michael (DEC)

Ms. Sangeetha Jamal (DCS)

Dr. Jomina John (DCS)

Ms. Kuttyamma A. J. (DIT)

Ms. Anitha Varghese (DCE)

Mr. Reji V. V. (Representative of Non-Teaching Staff)

Student Representatives

Mr. Athul Santhosh (S7 ME A) - Student Vice Chairperson

Ms. Abhiraami R Nair (S5 EC A)

Ms. Tona Rose Tomy (S7 EEE)

College's Zero Tolerance Policy

The College upholds a zero-tolerance policy towards sexual harassment and provides a safe, respectful, and supportive environment for all students and staff. Complaint boxes are placed across the campus to make reporting easier, and the institution remains vigilant in addressing harassment and promoting gender sensitivity. Female students and employees are encouraged to confidently approach the ICC for support and redressal of any grievances.

Complaints can be submitted via email to **icc@rajagiritech.edu.in**. The ICC will conduct a preliminary enquiry by collecting evidence and witness statements, then submit the report and documents to the Principal. The committee will support the affected individual, take preventive measures, and follow UGC Regulations, 2015 and the Sexual Harassment Act for a fair and timely process. If a complaint is found to be malicious or intentionally false, the complainant will face action as per UGC Regulations.

10.2 GENDER EQUITY CELL

Gender equity cell is responsible for preventing gender discrimination and sexual harassment, by promoting gender amity amongst all college students and employees. It is also responsible for creating an appropriate environment in the institution where students and teachers perform their functions without any gender prejudice. The cell makes recommendations to the Principal for changes/elaborations in the rules, standing orders, and by laws, etc., to make them gender just and to lay down procedures for the prohibition, resolution, settlement, and prosecution of acts of sexual harassment in any form.

Coordinator: Dr. Jisha G. (DCS)

Members: Mr. Rony Antony P(DEC), Ms. Lekshmi Vijayakumar (DSH), Mr. Akash James (DME)

10.3 TRAINING AND DEVELOPMENT CELL FOR STAFF

The Staff Training and Development Cell of our college is committed to enhancing the professional competence and overall growth of faculty and staff through well-structured training and development initiatives. The Cell organizes Faculty Development Programmes (FDPs), advanced courses, and domain-specific training sessions to improve job performance and strengthen subject expertise across all disciplines. It actively promotes participation in workshops, seminars, and professional bodies, while also encouraging faculty to engage in academic research, publications, and collaborative projects that contribute to the advancement of knowledge. By fostering a culture of continuous learning, innovation, and research, the Staff Training Cell ensures that our teaching community remains equipped with the latest

skills, pedagogical approaches, and scholarly insights essential for academic excellence.

Coordinator: Dr. Binoy Alias M. (DCE), Dean-Staff Affairs

Members: Mr. Sandy Joseph (DCS), Ms. Leema Mathew (DCU), Mr. Krishnakumar K P. (DAE), Dr. Jerin Joseph (DCE), Mr. Jaison Jacob (DEC), Fr. Mejo Paul (DEE), Prof. Kuttyamma A.J. (DIT), Mr. Akash James (DME), Ms. Nella Jeena Jacob (DSH)

10.4 STAFF GRIEVANCE REDRESSAL CELL

The Staff Grievance Redressal Cell in educational institutions plays a pivotal role in ensuring a conducive and fair environment for staff. It serves as a dedicated platform for staff to voice their concerns and complaints regarding academic, administrative, or personal issues. Comprising faculty and Principal, the Grievance Redressal Cell follows a structured process for grievance resolution, maintaining confidentiality while striving for prompt and equitable solutions.

Rev. Fr. Dr. Jaison Paul Mulerikkal CMI - Chairperson

Dr. Thankachan T Pullan (DME) - Member

Ms. Harsha A. (DEC) - Member

Ms. Bindu V.A. (DMA) – Member

10.5 Intellectual Property Rights (IPR) Cell

The Intellectual Property Rights (IPR) Cell at Rajagiri School of Engineering and Technology (RSET) plays a vital role in promoting creativity, innovation, and research among students and faculty. It aims to create awareness about the importance of protecting intellectual property such as patents, copyrights, and trademarks. The cell provides guidance and monetary support for filing patent applications and encourages innovative projects with potential for commercialization.

Co-ordinators: Dr. Simi Zerine Sleeba (DEC), Ms. Prathibha P.K. (DEE)

10.6 ASSESSMENT AND ACCREDITATION CELLS

Assessment and accreditation cells are crucial as they ensure that the institution meets high educational standards, facilitates continuous improvement, maintains compliance with regulatory requirements, and enhances the college's reputation and credibility among students, employers, and accrediting bodies.

NAAC Accreditation Cell

The National Assessment and Accreditation Council (NAAC) conducts assessment and accreditation of Higher Educational Institutions (HEI) such as colleges, universities, or other recognised institutions to derive an understanding of the 'Quality Status' of the institution. NAAC evaluates the institutions for their conformance to the standards of quality in terms of its performance related to the educational processes and outcomes, curriculum coverage, teaching-learning processes, faculty, research, infrastructure, learning resources, organisation, governance, financial well-being, and student services.

Coordinator: Dr. Jincy J. Fernandez (DCS)

NBA Accreditation Cell

The National Board of Accreditation (NBA) evaluates programmes of technical institutes based on laid-down norms. This may include but is not limited to institutional missions and objectives, organization and governance, infrastructure facilities, quality of teaching and learning, curriculum design and review, support services (library, laboratory, instrumentation, computer facilities, etc.), and any other aspect as decided by the General Council and/or Executive Committee of NBA, which will help the graduates produced by the institutions as per industry requirements.

Coordinator: Dr. Aysha Zeneeb Majeed (DCE)

AICTE/AIU/NEP CELL

AICTE is a statutory body and the national-level council for technical education in the country. The main functions of AICTE include coordination for the development of technical education, promotion of qualitative improvement in technical education, and maintenance of norms and standards in technical education.

Association of Indian Universities (AIU)

The Association of Indian Universities (AIU) coordinates and represents universities across India. It promotes higher education, ensures degree equivalence, fosters institutional collaboration, and links Indian universities with global educational systems.

National Education Policy Cell (NEP CELL)

The NEP Cell facilitates the implementation of the National Education Policy 2020 by promoting multidisciplinary learning, skill development, research, and innovation. It organizes workshops and training programs to help faculty, students, and administrators adopt NEP reforms, making education more flexible, inclusive, and future-ready.

Coordinator: Dr. Dhanya P.M. (DCU)

NIRF & KIRF Cells

The National Institutional Ranking Framework (NIRF), launched by the Ministry of Education, Government of India, provides annual rankings of higher education institutions across the country based on teaching, research, graduation outcomes, inclusivity, and perception.

At the state level, the Kerala Institutional Ranking Framework (KIRF), initiated by the Kerala State Higher Education Council, evaluates colleges and universities in Kerala on similar parameters with added emphasis on societal impact and local priorities. Together, NIRF and KIRF promote transparency, healthy competition, and continuous quality improvement in higher education.

Members:

1. Fr. (Dr.) Joseph Mathew, Dean – Student Affairs
2. Dr. Elizabeth Rita Samuel, (DEE) - Co-ordinator
3. Dr. Lekshmi M. S. (DAE)
4. Lt. Dr. Vishnu Sankar, (DME)
5. Mr. Nitheesh Kurian, (DEC)

ATAL Ranking of Institutions on Innovation Achievements (ARIIA)

ATAL Ranking of Institutions on Innovation Achievements (ARIIA) is an initiative of Ministry of Education (MoE), Govt. of India to systematically rank all major higher educational institutions and universities in India on indicators related to "Innovation and

Entrepreneurship Development" amongst students and faculty members.

Nodal Officer: Mr. Nitheesh Kurian (DEC)

SDG & International Ranking

Sustainable Development Goals (SDG) rankings for engineering colleges recognize institutions that emphasize sustainability and social responsibility, encouraging education and research that support global goals of equity, innovation, and sustainable development. Additionally, the institution aims to strengthen its global standing through international rankings, showcasing academic excellence, research contributions, and overall quality

Nodal Officer: Dr. Biju Paul (DIT), Dean, Alumni Affairs, SDG & Outreach

10.7 RAJAGIRI ENERGY & ENVIRONMENT MANAGEMENT CELL (REEMC)

The management has been proactive in carrying out energy management studies to ensure proper energy conservation measures and sustainable technologies in the campus. Rajagiri Energy and Environment Management Cell (REEMC) was constituted for this purpose. This cell takes the initiative to carry out energy audit at RSET.

Chairman: Rev. Fr. Dr. Joel George Pullolil, CMI

Members: Dr. Aysha Zeneeb Majeed (DCE), Mr. Thomas K. P. (DEE), Mr. Unnikrishnan L. (DEE)

10.8 SOFTWARE DEVELOPMENT UNIT (RSoft)

Rajagiri Software Development Unit was established to meet all software requirements of RSET, handling activities such as requirement analysis, design, development, implementation, vendor validation, outsourcing, and negotiations. Led by faculty and supported by both faculty members and software developers, the unit also involves RSET students, giving them hands-on experience through real projects. The unit has developed key systems like the RSET website and automation framework, Rajagiri Student Management System (RSMS), email servers, Digital Library, Payroll Management System, Online Examination System, Admission and Exam automation, and Maintenance Management System, and undertakes consultancy work.

Coordinators: Mr. Jobin Jose (DCS)
Mr. Krishnadas Naduvath (DIT)
Mr. Anandhu Sivan (Examination Cell)

10.9 WEBSITE COMMITTEE

The objective of the website committee is to disseminate authentic and accurate information about the institution. Other functionalities include updating academic, administrative, and auxiliary information, as well as showcasing the efforts and achievements of the college, students, and staff.

Coordinator: Dr. Sminu Izudheen (DCS)

Members:

Rev. Fr. Dr. Jaison Paul Mulerikkal CMI (Principal)

Rev. Fr. Dr. Joel George Pullollil CMI

Rev. Fr. Mejo Paul CMI

Ms. Anjana Mohandas (DAE)

Ms. Shyama R (DAD)

Mr. Rajeesh Rajkumar (DSH)

Mr. Jishnu J (DCE)

Dr. Dhanya P.M. (DCU)

Ms. Mehbooba P Shareef (DCS)

Mr. Jobin Jose (DCS)

Mr. Jebin Francis (DEE)

Ms. Neethu Radha Gopan (DEC)

Mr. Krishnadas Naduvath (DIT)

Dr. Radhika Das (DMA)

Mr. Jeffin Johnson (DME)

11. STAFF DEVELOPMENT, RESEARCH & CONSULTANCY

11.1 INSTITUTIONAL POLICIES

RSET has established comprehensive policies to ensure transparency, accountability, and continuous professional growth for its faculty and staff. These provide clear guidance on compliance, research, training, consultancy, professional development, and wellbeing, and are accessible through the Rajagiri Student Management System (RSMS).

Digital Personal Data Protection (DPDP) Act Compliance Policy ensures that personal data of students, faculty, and staff is processed lawfully and securely. The Long-Term Staff Development Scheme (LSDS) enables faculty and staff to pursue post-doctoral fellowships, industry training, and research programs at reputed institutions. The Research & IPR Policy promotes high-quality publications, patents, funded projects, and ethical research, while supporting professional growth through incentives, study leave, and facilitation for advanced academic work and conferences. The Consultancy Guidelines provide a structured framework for external consultancy with transparent processes and revenue sharing. The Mental Health and Wellbeing Policy offers counseling, stress management programs, and initiatives to foster resilience, work-life balance, and a supportive environment.

Together, these policies promote compliance, innovation, capacity building, mental wellness, and stronger engagement with industry and society, enabling faculty and staff to excel professionally and personally.

11.2 RESEARCH ADVISORY COMMITTEE

The Research Advisory Council (RAC) was established to support RSET's vision of becoming a leading technological and research institution. It guides and strengthens faculty research by identifying research issues, planning, reviewing progress, documenting outcomes, and facilitating dissemination. Additionally, the RAC aims to improve the institute's performance in recognized research metrics.

Duties of RAC:

1. RAC takes the final decision on recommending the RSET SEED money proposals for sanction of funds.
2. RAC conducts regular reviews on the progress of sanctioned RSET SEED money proposals.
3. RAC reviews and recommends the applications for lightly loaded teaching received from faculty members who are part-time scholars, have completed 5 years of continuous service at RSET, and are at the completion stage of their Ph.D. programme.
4. RAC conducts reviews on the progress of research work done by faculty members during the lightly loaded period.
5. RAC reviews and recommends applications received from faculty members for incentives for publication in SCI/SCIE/SCOPUS indexed journals.
6. RAC conducts progress reviews of scholars pursuing Ph.D. at RSET.

Chairperson: Rev. Fr. Dr. Jaison Paul Mulerikkal CMI, Principal

Convenor: Dr. K. Poulose Jacob, Dean, Research

Members: Rev. Fr. Dr. Joel George Pullolil CMI (Dean UG)

Dr. Sminu Izudheen (RPC Coordinator)

Dr. Jobin K. Antony (Dean PG)

Dr. Sonia Paul (DSH)

11.3 RESEARCH PROMOTION COMMITTEE

To develop a strong research culture, RSET has constituted the Research Promotion Committee (RPC), a faculty-driven committee. It serves as a vehicle for the promotion of research in RSET. The mandate of RPC is to familiarize students and faculty with various funding schemes, promote academic research and research-related activities, and build a strong culture of research in RSET.

RPC reviews various research proposals received from both faculty members and students and sends their recommendations to RAC.

RPC Coordinator: Dr. Sminu Izudheen (DCS)

Members: Rev Fr. Dr. Joseph C. CMI (DAE), Dr. Lakshmi K.S. (DAD), Dr. Ramkumar P.B (DMA), Dr. Binoy Alias M. (DCE), Dr. Tressa Michael (DEC), Dr. Lekshmi M.S.(DAE), Dr. Deepthi Jayan K(DSH), Dr. Elizabeth Rita Samuel (DEE), Dr. Geo Sebastian (DME), Dr. Ranju S Kartha (DIT), Dr. Nikhila T Bhuvan (DCU)

11.4 LIST OF RESEARCH SUPERVISORS

Dean: Prof. (Dr.) K. Poulose Jacob

Ph.D Coordinator: Prof. (Dr.) Sminu Izudheen

Applied Electronics and Instrumentation

1. Dr. Hari C. V.
2. Dr. Sreekumar G.

Artificial Intelligence and Data Science

1. Dr. Sherly K.K.
2. Dr. Varghese S. Chooralil
3. Dr. Lakshmi K.S.

Chemistry

1. Dr. Anju C.
2. Dr. Antony V. Varghese
3. Dr. Deepa K. Baby
4. Dr. Ragin Ramdas M.

Civil Engineering

1. Dr. Aysha Zaneeb Majeed
2. Dr. Indu Geevar

Computer Science and Business Systems

1. Dr. Dhanya P. M.
2. Dr. Nikhila T. Bhuvan

Computer Science and Engineering

1. Dr. Jisha G.
2. Dr. Preetha K. G.
3. Dr. Sminu Izudheen
4. Dr. Varghese Paul
5. Dr. Mary Priya Sebastian
6. Dr. Sunny Joseph Kalayathankal

Electrical and Electronics Engineering

1. Dr. Elizabeth Rita Samuel
2. Dr. Jiji K S

Electronics and Communication Engineering

1. Dr. Jaison Jacob
2. Dr. Jayanthi V.S.
3. Dr. Jisa David
4. Dr. Jobin K Antony
5. Dr. Sabna N
6. Dr. Simi Zerine Sleetba

Information Technology

1. Rev. Fr. Dr. Jaison Paul Mulerikkal CMI
2. Dr. Saritha S.
3. Dr. Biju Paul

Mathematics

1. Dr. Binu R.
2. Dr. Ramkumar P.B.

Mechanical Engineering

1. Dr. Ajith Kumar. A
2. Rev. Fr. Dr. Joel George Pullolil CMI
3. Dr. Manoj G. Tharian
4. Dr. Mathew Joseph
5. Dr. Thankachan T. Pullan
6. Lt. Dr. Vishnu Sankar

Physics

1. Dr. Deepthi Jayan K.
2. Dr. Rinku Jacob

11.5 RAJAGIRI RESEARCH AND CONSULTANCY CENTRE (RRCC)

RRCC is a body that facilitates the research activities and related entrepreneurial movement of Rajagiri School of Engineering & Technology in view of procuring sponsored projects and industrial consultancy operational at RSET and establishing a startup culture at RSET, ever since 2008. It consists of Centres of Excellence (CoEs) organized under the Rajagiri Institute of Future Technologies (RIoFT) and disciplinary and interdisciplinary Research Groups that nurture lifelong learning, creative problem-solving skills, and entrepreneurship

of every member of the RSET family. It takes leadership to the development projects of undergraduate, graduate, and research students of RSET and mentors the entrepreneurial skills of the students to establish a startup culture at RSET. Each CoE and Research Group consists of faculty members and students who research on specialized areas of engineering and technology and develop suitable solutions in an entrepreneurial spirit.

Coordinator: Senior Prof. Rev. Fr. Dr.-Ing. Varghese Panthalookaran
CMI

1. Rajagiri Institute of Future Technologies (RIoFT)

Rajagiri Institute of Future Technologies (RIoFT) is mandated to conceive different Competence Centers or Centers of Excellences, which will pursue R&D on the future technologies in collaboration with national and international academic and industrial partners. A typical Competency Center or Center of Excellence (CoE) is an interdisciplinary research group led by a Chair Professor sponsored by an industry, who will lead its R&D and entrepreneurial activities. The sponsoring industry will additionally establish a state-of-the-art laboratory and well-equipped library within the area of excellence. In due course of time, each CoE is also expected to establish typical Master Programmes in Technology (MTech) and suitable certificate programmes in its area of specialization. The sponsoring industry will benefit from the results of the R&D related to the far-future of the industry, carried out through the undergraduate, graduate, and doctoral research projects of the students as well as from the joint R&D projects sponsored by different national and international industries or sponsoring agencies. Each CoE will carry the cultural signature of the sponsoring industry, with respect to its programmes and processes, such that participation in the activities of a CoE will help students become industry-ready, participate in its R&D related to its future technologies and innovate along with the industry in true entrepreneurial/intrapreneurial spirit. This is expected to improve the student placements in the core companies of their expertise as well as trigger a startup culture on the campus. Each CoE is also expected to develop its own branded international events as well as publications in due course of time.

2. Research Groups

Co-ordinator: Prof. (Dr.) K. Poullose Jacob, Dean Research

Interdisciplinary Research Groups:

- Robotics & Automation Group
- Speech & Acoustic Image Group
- Bio-design, Instruments, Research & Development Group

Department of Electronics and Communication Engineering & Applied Electronics and Instrumentation

- Communication Systems
- VLSI & Embedded
- Signal Processing
- Advanced Process Control and Autonomous Systems
- Next-Generation Instrumentation Systems

Computer Science and Allied Branches (AD, CS, CU, IT)

- Biomedical AI and Health Analytics
- Data Analytics
- NLP & Generative AI
- Computer Vision and Image Processing
- Distributed, High-Performance, and Quantum Computing
- Networking & IoT
- Cyber Security

Department of Electrical and Electronics Engineering:

- Power Electronics & Drives Research Group
- Distributed Grid Integration Research Group
- Intelligent Machine Control Research Group

Department of Mechanical Engineering:

- Thermal and Fluids Engineering Group
- Mechanical Systems and Design Group
- Material Sciences and Production Engineering Group

Department of Civil Engineering:

- Construction Materials and Structural Engineering Research Group
- Transportation and Geotechnical Engineering Research Group

- Water Resources and Environmental Engineering Research Group

Department of Mathematics:

- Topological Data Analysis group
- Discrete Mathematics group
- Stochastic Process and Operations Research group

Department of Basic Sciences and Humanities:

- Engineering Education Group
- Computational Physics Group
- Functional Materials Group

Every member of the teaching faculty of RSET is expected to be a member of RRCC, who will mentor students imparting them with lifelong learning, research, and entrepreneurial skills. Students will be immediately mentored by CoEs and Research Groups in view of the undergraduate/graduate/doctoral research, which shall lead them to a lifelong learning and entrepreneurial movement. A typical undergraduate research project (BTech Project) at RSET, for example, is visualized to be implemented in four phases. 1) “Nano-project” phase, where the first-year undergraduate students are initiated into the innovative themes and entrepreneurial seed ideas enshrined in the respective engineering discipline 2) “Micro-project” phase, where the undergraduate students get an experiential introduction to undergraduate research, 3) “Mini-project” phase, where the concrete definition is given to the undergraduate project and 4) “Macro-project” phase, where the project is implemented and reported. In short, it follows a zero-waste academic process, where no effort of student or faculty shall be wasted during the teaching-learning process, rather they are streamlined in view of a greater futuristic purpose, namely, to build up undergraduate research or to lay foundations to a student startup. A similar approach is recommended for Graduate as well as Research degree programmes, which again will be mentored by RIoFT and RRCC. The necessary skill set required by specific projects will be developed through dedicated training programmes, industry visits, and other activities.

In short, both RIoFT and RRCC exist to facilitate and mentor lifelong learning, research, and entrepreneurship, the three pillars of modern higher education of the RSET family.

11.6 RAJAGIRI ANNALS OF SCIENCE, ENGINEERING & TECHNOLOGY (RASET)

The *Rajagiri Annals of Science, Engineering & Technology (RASET)* is a peer-reviewed, bi-annual open-access journal published by the Rajagiri School of Engineering & Technology (RSET). It serves as a multidisciplinary platform for the dissemination of original research papers, review articles, and technical communications across diverse domains of engineering, technology, and applied sciences.

RASET aims to promote academic excellence, innovation, and collaborative research by providing visibility to the scientific contributions of researchers, academicians, and professionals from India and abroad. The journal's editorial board comprises eminent scholars representing key disciplines and ensures the highest standards of academic integrity and quality in publication.

Editorial Board

Editor-in-Chief – Rev. Fr. Dr. Jaison Paul Mulerikkal CMI

11.7 ŚŪNYA LABS – RESEARCH CENTRE FOR ADVANCED COMPUTING & COMMUNICATIONS

Śūnya Labs, established in 2017 at Rajagiri School of Engineering & Technology, is a pioneering facility dedicated to fostering innovation and cutting-edge research in advanced computing, cloud technologies, and digital fabrication. The lab is dedicated to fostering interdisciplinary collaboration and offering cutting-edge infrastructure to support transformative research initiatives. At the core of Śūnya Labs are three specialized laboratories: the High-Performance Computing (HPC) Laboratory, Cloud Computing Laboratory, and Mini Fab Lab. These facilities are designed to cater to the diverse technological needs of our students, researchers, and industry partners, offering a dynamic environment for pushing the boundaries of technological advancement.

Director: Rev. Fr. Dr Jaison Paul Mulerikkal CMI

Coordinator: Mr. Binu A (DAD)

Technical Assistant: Mr. Cibin K.I.

11.8 CENTRE FOR TOPOLOGY AND APPLICATIONS

Centre for Topology and Applications (CETA) was established in RSET in October 2018. The centre aims at promoting original research in the areas of Topology – especially on Topological Dynamics, Chaos Theory, Fractal Geometry, Data Analysis, Complex Dynamics, Morphology, Graph Theory, Topological Signal Processing, and related areas. In line with the policies of the Dept. of Higher Education, Govt. of India, we envisage CETA to develop to a centre with potential for excellence and finally to a Centre of Excellence in Topology and Applications. Research collaborations with institutions in India and abroad where research in similar areas is taking place are envisaged. The objective of the centre is to strengthen research collaborations and

research activities among the researchers/institutions in India and abroad. Activities of the centre are financially supported by National Board for Higher Mathematics, India and the Department of Science & Technology, India.

11.9 STEAG CENTRE FOR SMART CITY TECHNOLOGIES

The Steag Centre for Smart City Technologies has been established to enhance students' innovation skills through a "learning by doing" approach. Spanning over 4000 sq feet, the Centre is equipped with advanced facilities such as 3D printers, CNC routers, laser cutters, and electronics and software tools, allowing students to transform their ideas into prototypes in a space they can truly call their own. Mentors from the faculty, the Centre, and external domain experts collaborate closely with students to support their projects.

11.10 ULTRATECH CENTRE OF EXCELLENCE FOR SUSTAINABLE CONSTRUCTION PRACTICES & MATERIALS

This Centre of Excellence serves as a dedicated research and innovation hub established in collaboration with M/s UltraTech Cement Ltd. Its primary aim is to strengthen industry–institute collaboration by facilitating industrial training for students, providing internship opportunities for faculty, and organizing training programs and seminars that enhance the capabilities of both academia and industry. The Centre places a strong emphasis on sustainable construction materials and techniques, underscoring its commitment to promoting sustainability in the construction sector.

Coordinator: Dr. Aysha Zeneeb Majeed (DCE)

12. CO-CURRICULAR / EXTRACURRICULAR ACTIVITIES

12.1 STUDENT COUNCIL

The Student Council acts as an interface between the students and the management. It provides opportunities for the students to develop their social and cultural life and focuses on the overall development of the individual. The Student Council also undertakes the responsibility of bringing out the annual college magazine.

Coordinator: Ms. Neethu Radha Gopan (DEC)

Co-Coordinator: Dr. Geo Sebastain (DME)

Faculty Advisors:

Rev. Fr. Dr. Joel George Pullolil, CMI (DME), Rev. Fr. Dr. Joseph Mathew Chakompilly (DAE), Dr. Chinchu Krishna (DAD), Ms. Mary Hexy (DAE), Ms. Mareena George (DCE), Mr. Sebin Jose (DCS), Mr. Mahesh K M (DCU), Mr. Jaison Jacob (DEC), Dr. Hans John Dacruz (DEE), Ms. Taniya Shirley Stalin (DIT), Ms. Arya M. V. (DMA), Mr. Sidheek P A (DME), Dr. Ragin Ramdas (DSH)

12.2 NATIONAL SERVICE SCHEME (NSS)

The NSS unit (Technical Cell Unit No. 232) actively undertakes social and humanitarian projects. The National Service Scheme (NSS) Unit of the college stands out for its vibrant and impactful activities. Actively engaged in community service, environmental protection, and social awareness programs, the unit cultivates leadership and responsibility among students. With its consistent initiatives, the NSS unit reflects the spirit of service and remains a pillar of social commitment on campus. The unit also helps the wards near the college by sponsoring educational needs of the children.

Programme Officer: Mr. Jeffin Johnson (DME)

Faculty Advisors: Mr. Ajith Jacob (DCU), Ms. Jinsha T.K. (DSH)

12.3 NATIONAL CADET CORPS (NCC)

The National Cadet Corps (NCC) in India is a voluntary youth organization that aims to develop character, leadership, and a sense of discipline among its cadets through military training and community service. It operates across schools and colleges, offering opportunities for personal growth, patriotism, and social responsibility.

Faculty Advisor: Lt. Dr. Vishnu Sankar (DME) (Associate NCC Officer) (ANO)

12.4 COLLEGE MAGAZINE

Our college magazine highlights the remarkable achievements and experiences that define our academic community. Each edition showcases the dedication, creativity, and resilience of our students and faculty, reflecting the values that guide our institution.

Faculty Advisors: Dr. Rahesh Hari (DCE), Mr. Rajeeesh Rajkumar (DSH)

12.5 ARTS CLUB

The RSET Arts Club encourages the artistic talents of students, provides them with opportunities to hone their organizational skills and develop a spirit of sportsmanship and cooperation. It organizes the annual Arts Festival – ‘Bharatham’.

Faculty Advisors: Ms. Neethu Radha Gopan (DEC), Mr. John Paul C.D.(DME)

12.6 MUSIC CLUB– MALHAAR

The RSET Music Club is formed with the active participation of students from all batches. The club encourages the students to generate new horizons for their music dreams.

Faculty Advisors: Ms. Meenu Mathew (DCS), Ms. Jasmine Sebastian (DEC)

RSET CHOIR

RSET institutional choir is a formal musical group established to enhance the liturgical experience by providing sacred music that elevates worship, fosters congregational participation, and glorifies God, especially during the holy mass. It includes staff and students who have a love for music and a desire to serve the Church. Rooted in Catholic tradition, it plays a vital role in upholding the

church's musical heritage while adapting to contemporary needs during special seasons such as Advent, Christmas, Lent, and Easter.

Faculty Advisors: Ms. Ancy C. A. (DCU), Mr. Ajith Jacob (DCU)

12.7 DANCE CLUB – PRAVAAHA

The RSET Dance club is formed with dance enthusiasts of all branches. It helps the students who are passionate about dance to accomplish their dreams along with their academics.

Faculty Advisors: Ms. Prathibha P.K. (DEE), Ms. Harsha A. (DEC)

REX MAJESTIX – NEW CONTEMPORARY DANCE CLUB

Rex Majestix promotes various western dance styles such as contemporary, hip hop, disco, and freestyle, providing a platform for students to learn, practice, and perform. It also offers workshops, collaborations, and opportunities to showcase talent in a supportive and energetic environment.

Faculty Advisor: Mr. Nivin Vincent (DME), Ms. Janani K (DCS)

12.8 LITERARY FORUM

The Literary Forum provides the students with opportunities to develop and hone their creative skills and conducts literary workshops, seminars, and discussions on literature and creative writing.

Faculty Advisor: Dr. Ragin Ramdas M. (DSH), Prof. Kuttyamma A.J.(DIT)

12.9 DEBATE CLUB

The debate club of RSET is a vibrant and enthusiastic group of students who enjoy public speaking. While helping them to develop sound logic, critical thinking, and research acumen to cull out reliable and valid information to substantiate their arguments, the club also trains them to conduct themselves with grace under pressure and sharpen their public speaking skills. The Intra college Model United Nations (MUN) conducted by the club is a feather in its cap. The programme molds the students into excellent negotiators and synthesizers of information and perfects their skills in the art of persuasion. They also conduct a workshop on rhetoric apart from debates.

Faculty Advisors: Mr. Senjo Manuel (DME)

12.10 SPEAKERS FORUM

The Speakers Forum conducts events, organizes workshops, provides mentorship to students who want to learn the art of public speaking.

Faculty Advisors: Ms. Neethu George (DSH), Ms. Ramitha Rajesh (DEC)

12.11 MEDIA CLUB

The Media Club aims to be a platform that stimulates public dialogue, a force that supports the creation of new works, and a picture show that appeals to professionals as well as those who love photography and are simply curious to discover the unknown that surrounds them.

Faculty Advisors: Mr. Vinay Menon (DSH), Dr. Lekshmi M. S. (DAE), Mr. Sujith S (DSH)

12.12 MATHEMATICS CLUB

The club aims at promoting the mathematical skills and sharpness of the students. Membership is open to all students with a strong affinity for mathematics. The activities of the club include quizzes, puzzles, video shows, projects, workshops, etc.

Faculty Advisors: Ms. Nella Jeena Jacob (DMA), Ms. Neethu P.R. (DMA)

12.13 QUIZ CLUB

The chief objective of this club is to encourage students to develop both their Engineering and General knowledge, by participating in various intra-college and inter-college competitions. Right from its inception, the quiz club has won laurels for the college with its various achievements.

Faculty Advisor: Ms. Preethi Bhaskaran (DEC), Ms. Sherine Sebastian (DCS)

12.14 NATURE CLUB

The RSET 'TREE' (Together Restoring Environment Effectively) Nature Club organizes nature conservation activities, study trips, quizzes, bird watching trips, etc. Cycle campaign trips and trekking are the specialties. The club aims at promoting an eco-friendly lifestyle in society.

Faculty Advisors: Mr. Jithin P.N. (DME), Mr. Willson Joseph C (DAD), Ms. Anu Maria Joykutty (DCS)

12.15 SPORTS CLUB

Along with academics, RSET places equal importance on the sporting talents of our students. The annual Sports Meet ‘Ranabhoomi’ is conducted under the professional guidance of the faculty of Physical Education. Representatives to the Sports club are selected from each batch of students. The club encourages and arranges facilities for systematic training of talented students in various sporting events. The consistent performances of our students in various sporting events at intercollegiate and university levels bear witness to the significance of Sports in RSET ethos.

Faculty Advisors: Dr. Shibu P. P. (DSH), Ms. Jinsha T. K. (DSH)

12.16 CHRISTIAN ACTIVITY & CHAPLAINCY

Christian activities are arranged under the auspices of college and the Jesus Youth group operates under the chaplaincy.

College Chaplain: Rev. Fr. Dr. Joel George Pullolil CMI

Faculty Advisor: Sr. Jeseena Aeranat (Library)

12.17 ASTRONOMY CLUB

This club aims at promoting the interests of students and faculty in the fields of Astronomy and Astrophysics. It seeks to foster enthusiasm in these fields by organizing seminars, workshops, and projects, and by conducting public outreach programmes to popularize Astronomy and Astrophysics.

Faculty Advisors: Dr. Rinku Jacob (DSH), Ms. Anila Kuriakose (DEC)

12.18 NATIONAL DIGITAL LIBRARY INDIA CLUB

National Digital Library of India (NDLI) is a virtual repository of learning resources that is not just a repository with search/browse facilities but provides a host of services for the learner community. It is sponsored and mentored by the Ministry of Education, Government of India, through its National Mission on Education through Information and Communication Technology (NMEICT). Services for Researchers and general learners are also provided.

Faculty Advisors: Dr. Jobin K. Antony (DEC), Mr. Tony Joseph (Library)

12.19 BUREAU OF INDIAN STANDARDS (BIS)

BIS (Bureau of Indian Standards) promotes standardization and quality in India. RSET hosts a BIS Student Chapter to engage students in activities and learning, complemented by the BIS Corner that provides resources and updates on standards.

Nodal Officer: Dr. George Mathew (DCE)

Department Coordinators: Dr. Athul Sathyanath (DME), Dr. Rakesh Hari (DCE), Dr. Rinu Alice Koshy (DEE), Ms. Anjana Mohandas (DAE), Mr. Jaison Jacob (DEC)

12.20 UNNAT BHARAT ABHIYAN

Unnat Bharat Abhiyan (UBA) is a flagship programme launched by the Government of India that aims to connect higher educational institutions with rural communities to address local development challenges. Launched in 2014, the initiative is inspired by the vision of transformational change in rural India by leveraging the knowledge base and resources of academic institutions.

Faculty Advisor: Mr Anoop Thomas (DEC)

12.21 ELECTORAL LITERACY CLUB (ELC)

Electoral Literacy Club is a platform to engage college students through interesting activities and facilitating hands-on experience to sensitize them on their electoral rights and familiarize them with the electoral process of registration and voting.

Chairperson: Rev. Fr. Dr. Jaison Paul Mulerikkal CMI (Principal)

Nodal Officer: Ms. Neethu Radha Gopan (DEC)

Assistant Nodal officer: Dr. Geo Sebastian (DME)

Faculty Mentor: Ms. Saritha V (DSH)

12.22 PROFESSIONAL BODIES

- **ASME (American Society for Mechanical Engineers)**
Faculty Advisors: Dr. Manoj G. Tharian (DME), Dr. Geo Sebastian (DME)
- **CSI (Computer Society of India)**
Faculty Advisors: Dr. Tripti C (DCS), Ms. Bency Wilson (DIT)
- **Rajagiri ACM Student Chapter**
Faculty Advisors: Dr. Saritha S (DIT), Mr. Binu A (DAD)

- **ICI (Indian Concrete Institute)**
Faculty Advisors: Dr. Aysha Zeneeb Majeed (DCE), Ms. Archana C P (DCE)
- **ASCE (American Society of Civil Engineers)**
Faculty Advisor: Dr. Binoy Alias M. (DCE)
- **IEEE RAS (Robotics & Automation Society)**
Faculty Advisor: Dr. Elizabeth Rita Samuel (DEE)
- **IEEE CS (Computer Society)**
Faculty Advisor: Ms. Anu Maria Joykutty (DCS)
- **IEEE IAS (Industry Applications Society)**
Faculty Advisor: Mr. Nitheesh Kurian (DEC)
- **IEEE PES (Power and Energy Society)**
Faculty Advisor: Mr. Ginnes K John (DEE)
- **IEEE SPS (Signal Processing Society)**
Faculty Advisor: Ms. Seema Safar (DCS)
- **IEEE Student Chapter**
Faculty Advisor: Dr. Elizabeth Rita Samuel (DEE)
- **IEEE WIE (Women in Engineering)**
Faculty Advisor: Dr. Elizabeth Rita Samuel (DEE)
- **IEI (The Institute of Engineers)**
Faculty Advisors: Mr. Sidheek P.A. (DME), Mr. Harikrishnan M. (DCS)
- **IETE (The Institution of Electronics and Telecommunication Engineers)**
Faculty Advisors: Dr. Tressa Michael (DEC), Ms. Santhi Jabarani (DEC)
- **IIW (Indian Institute of Welding)**
Faculty Advisors: Dr. Thankachan T. Pullan (DME), Dr. Jibin Noble (DME)

- **ISA (International Society of Automation)**
Faculty Advisors: Dr. Abraham Thomas (DAE), Ms. Mary Hexy (DAE)
- **ISTE (Indian Society for Technical Education)**
Faculty Advisors: Dr. Deepthy G. S. (DEC), Ms. Mehbooba P.S. (DCS),
Dr. Dhanya P. M. (DCU)
- **KMA (Kerala Management Association)**
Faculty Advisors: Dr. Dhanya P. M. (DCU), Mr. Anand Anto (DCU)
- **SAE (Society of Automobile Engineers)**
Faculty Advisors: Mr. John Paul C.D. (DME), Mr. Vineeth Krishna P.
(DME)
- **SEEM (Society of Energy Engineers & Managers)**
Faculty Advisors: Mr. Arun P. B. (DEE), Rev. Fr. Dr. Joel George
Pullolil CMI (DME)
- **BIS Student Chapter -DCE**
Faculty Advisors: Dr. Rahesh Hari (DCE)
- **BIS Student Chapter -DME**
Faculty Advisors: Dr. Athul Sathyanath (DME)
- **BIS Student Chapter – Circuit Branches (DEE, DEC, DAE)**
Faculty Advisors: Dr. Rinu Alice Koshy (DEE), Ms. Anjana Mohandas
(DAE), Mr. Jaison Jacob (DEC)

12.23 BRANCH ASSOCIATIONS

The nine branch associations carry out various students' activities to enhance the general technical skills and awareness of students.

They are:

- **APPTRONICS** –Department of Applied Electronics and Instrumentation
Faculty Advisors: Ms. Aparna George, Ms. Guida James
- **ARTICON** – Department of Artificial Intelligence and Data Science

Faculty Advisors: Mr. Binu A, Dr. Jithin Mathews

- **NIRMANA** – Department of Civil Engineering
Faculty Advisors: Ms. Hema M., Ms. Nimisha Mathew
- **CYBERBLITZ** – Department of Computer Science and Engineering
Faculty Advisors: Ms. Jisha Mary Jose, Mr. Sebin Jose, Ms. Aysha Amila
- **GenSys** – Department of Computer Science and Business Systems
Faculty Advisors: Mr. Ajith Jacob, Ms. Athira Vijay
- **ELECTRONAUTS** – Department of Electronics and Communication Engineering
Faculty Advisors: Ms. Shyama Sreekumar, Ms. Mariya Vincent
- **ELUXTRA** – Department of Electrical and Electronics Engineering
Faculty Advisors: Dr. Hans John Dacruz, Ms. Tintu Pious
- **i-TRAX** – Department of Information Technology
Faculty Advisors: Dr. Vidhya PM
- **REAL MECHANICA** – Department of Mechanical Engineering
Faculty Advisors: Mr. James Mathew, Mr. Jithin K Francis

13. FACILITIES

13.1 COMPUTING

All computers on the RSET campus are networked and internet-enabled through a 24/7 facility, 2Gbps 1:1 leased line (1200 Mbps Peak Air & 1300 Mbps Sify). There is also NMEICT with a bandwidth of 10 Mbps. The leased lines are connected through a Sophos XGS 4300 firewall. Colour reprographic facilities are also available. RSET also has Cisco HCI servers with Nutanix and a high-performance computing facility (Sunya Labs) where staff and students can get access and execute their computing requirements with state of art HPC software. There is a total 169 Wi-Fi Devices in the college and hostel premises; in addition, there are Wi-Fi study spots at the Library, KE Seminar Hall and Canteen area.

Wi-Fi Usage Policy in Wi-Fi Study Spots

- Use Wi-Fi mainly for academic/work purposes (no streaming or large downloads).
- Be considerate of others and avoid slowing the network.
- Do not use VPNs or unethical tools; keep antivirus updated.
- Illegal, inappropriate use or hacking is strictly prohibited.
- Report Wi-Fi issues to IT support.
- During peak hours, limit usage to 30 minutes.
- Only one device per user is allowed.
- Keep your device and apps updated.
- Network activity may be monitored.
- Policy violations may lead to Wi-Fi suspension.
- SSID: Wifi-Studyspot | Password: CAMPUSLIFE

13.2 LIBRARY

Alethea, the library of RSET, aligns with the institution's motto, "Striving for Holistic Excellence", by evolving into a world-class information centre for knowledge provision, dissemination, and preservation. The library supports teaching, learning, research, and consultancy services, ensuring seamless access to a wide range of resources.

It is a fully computerized, open-access library with efficient information storage and retrieval. Each academic department also maintains a departmental library for specialized collections.

The library aims to become a world-class, reliable hub of information that supports teaching, learning, research, and consultancy. It encourages consistent reading habits, fosters interlibrary collaboration, and creates an environment that promotes intellectual curiosity and critical thinking.

Library Overview

- **Total Area:** 764.1 sq.m. + 259.03 sq.m. (Department Libraries)
- **Seating Capacity:** 201
- **Operating Hours:**

Regular Days: 8:00 AM – 8:00 PM

Sundays & Holidays: 9:30 AM – 4:00 PM

Services & Facilities

1. Library Web OPAC

User-friendly Online Public Access Catalog for searching books, journals, and other resources.

URL: <http://103.141.56.144:8080/AutoLib/>

2. Department Library OPAC (Intranet)

Internal campus catalog for department-specific collections.

URL: <http://192.168.9.5:8080/>

E-Journal Packages

1. IEEE All-Society Periodicals Package (ASPP)

204 IEEE society journals & magazines, 4,40,000+ articles, backfile from 2010.

<https://ieeexplore.ieee.org/>

2. IEEE Proceedings Order Plan ALL (POP ALL)

All IEEE-sponsored conference proceedings from 2010.

<https://ieeexplore.ieee.org/>

3. ASME Digital Collection

Mechanical engineering journals, conference proceedings, and standards.

<https://asmedigitalcollection.asme.org/>

4. **ASCE Library**
Civil engineering journals & proceedings.
<https://ascelibrary.org/>
5. **Elsevier ScienceDirect (Engineering + Computer Science)**
Peer-reviewed articles, and conference papers.
<https://www.sciencedirect.com/>
6. **The American Mathematical Monthly**
High-quality mathematics journal.
<https://www.tandfonline.com/toc/uamm20/current>
7. **Higher Education for the Future**
Bi-annual, peer-reviewed, multidisciplinary journal published by SAGE in association with the Kerala State Higher Education Council.
<https://journals.sagepub.com/home/HEF>

E-Book Packages

1. **McGraw-Hill Access Engineering Library**
Engineering textbooks, handbooks, and reference materials.
<https://www.accessengineeringlibrary.com/>
2. **EBSCO Engineering Core Collection**
Curated e-books in major engineering fields.
<https://research.ebsco.com/>

Plagiarism Detection Software

Turnitin Feedback Studio + Originality

Ensures academic integrity through similarity checking.

<https://www.turnitin.com/>

Online Database Access

- **DELNET**
Resource-sharing network for bibliographic records, e-journals, and e-books.
<https://discovery1.delnet.in/>

- **Knimbus**
Remote access to subscribed e-resources.
<https://rajagiritech.knimbus.com/user#/home>

Institutional Repository (Intranet)

Previous University Question Papers

Archive of past RSET & University exams.
<http://192.168.0.214:8080/xmlui/>

E-Magazines & Newspapers

Edzter - 9,000+ magazines, newspapers, and journals in 40+ categories.
Access Steps:

1. Visit <https://www.edzter.com/>
2. Click “Access via email” → Enter RSET email.
3. Receive OTP → Enter OTP.
4. Browse and read.
(Access limited to college IP ranges)

National Digital Library of India (NDLI) - Ministry of Education initiative for unified access to digital resources.
<https://ndl.iitkgp.ac.in/>

13.3 HOSTELS

The campus offers separate hostel facilities for boys and girls with Resident Tutors/Wardens to look into the welfare of the students and provide necessary help.

Men's Hostels	Warden	Phone number
Sanjoe Men's Hostel I & II	Rev. Fr. Thomas P. J. CMI	0484-2660979
Ladies' Hostels		
Assumption Hostel	Sr. Magi SABS	8089869819
Daya Bhavan (1 st year students)	Sr. Tessy Tom SABS	9544559274

13.4 CAFETERIA

RSET has a spacious multi-cuisine cafeteria. In addition, coffee & tea counters are provided on different floors in the main building, and in the K.E. block. There are other outlets inside the campus which include:

- Chaayapeedika
- Garden cafeteria
- Vending machines

13.5 GARDEN LIBRARY/WOODS

iCam University students who have arrived on campus as part of Transformative Educational Exchange: built **La Colombiere (Garden Library)** at Rajagiri School of Engineering and Technology in July 2024

Sixteen engineering students from iCam University, Paris, France, embarked on an educational journey to Rajagiri School of Engineering and Technology, Kakkanad, Kochi in 2024. Over two semesters spanning eight months, they immersed themselves in cross-cultural learning, engaging in live lectures and online classes, and delving into India's diverse landscapes to grasp societal needs firsthand. The ultimate aim was to pioneer sustainable engineering solutions tailored to contemporary challenges. Their journey culminated in the construction of La Colombiere, a garden library on the Rajagiri Campus, financed and built by the students themselves.

Woods offers students a peaceful retreat, combining natural elements with dedicated zones for personal reflection, study, and group collaboration.

The Garden Library can be used for staff and students for club meetings, faculty gatherings, and academic/official purposes.

Steps To Access:

- Book the library online via RSMS before use.
- Collect the key from the Office and return it immediately after the session.
- Maximum capacity: 10–12 persons

13.6 TRANSPORT

Coordinator: Dr Shibu P. P. (DSH), Rev.Fr. Mejo Paul CMI (DEE)

The college bus routes are as follows:

Route No.	From	Starting Time	Via
1	Angamaly KSRTC	7.10 AM	TELK, Athani, Thottakattukara
2	Aluva	7.25 AM	Bank Jn., Pump Jn., KSRTC, Govt. Hospital, Pulinchodu
3	Paravur KMK Jn.	7.10 AM	Peruvaram, Koonammavu, Container Road, Premier
4	Kothad	7.20 AM	Cheranalloor Signal, Edappally Kunnumpuram, Lulu, Toll Jn., Unichira, Thrikkakara Temple
5	Kalamassery Panchayath	7.20 AM	Kalamassery Municipality, CUSAT, Edappally Post Office, Edappally High School, Mamangalam, Palarivattom
6	Thevara Junction	7.20 AM	Ravipuram, Jose Jn., TDM Hall, Menaka, High Court, Kacherippady, Kaloer, Palarivattom
7	Panampilly Nagar	7.25 AM	Passport Office, Manorama junction, Kadavanthra, Kumaranasan Nagar, Kathrikadavu, Kaloer, Palarivattom, N.G.O.Quarters
8	Elamkulam	7.30 AM	Vyttila, Chakkaraparambu, EMC, Padivattom, Vazhakkala
9	Poothotta	7.15 AM	Puthen Kavu, Kochupally, Nadakkavu, Puthiyakavu, Thripunithura, Kizhakkekotta, Karingachira
10	Mulanthuruthy	7.20 AM	Nadakkavu, Puthiyakavu, Kureekad, Kottayathupara, Thiruvankulam, Hill Palace

11	Kundannoor	7.25 AM	Kundannoor Bridge, Maradu, Petta, S N Jn.
12	Thoppumpady	7.20 AM	Kundannoor, Kannadikadu, Vyttila Hub, Chambakkara, Vadakkekotta
13	Perumbavoor	7.10 AM	Sanjoe Hospital, Nedumthodu, Ponjassery, Kizhakkambalam, Pallikara, Wonderla, Kakkanad

The buses start from the specified starting points as per the above given timings (unless otherwise specified) on the return trips, the buses leave the campus at 4.45 pm.

(For further details, refer to Bus Facility Rules)

13.7 SPORTS & FITNESS

Physical Education and Sports is an integral part of the Rajagirian's total educational programme. The Physical Education faculty of RSET is committed to providing students with a worthwhile and enjoyable learning environment while providing the necessary knowledge and tools to adhere to a lifetime of activity and better health. RSET has been maintaining a high standard in almost all games. We offer systematic training and coaching for various games in the evening throughout the year. Leading institution teams are invited to RSET for playing practice matches. In order to give a competitive experience and exposure, RSET teams participate in all the APJAKTU inter-collegiate tournaments and inter-collegiate tournaments in the country.

Facilities for Sports & Games

Sl. No	Name of the Area	Qty. & Plinth Area
1	Basketball courts with permanent floodlight facility	2 (2050 sq.m)
2	Football Field	1 (5850 sq.m)
3	Cricket Ground	1 (9000 sq.m)
4	Volleyball Courts with Floodlight Facility	2 (400 sq.m)
5	Throw ball Court	2 (850 sq.m)
6	Tennis Court (clay courts)	1 (200 sq.m)
7	a) Fitness Centre Gents	1 (900 sq.m)
	b) Fitness Centre Ladies	1 (500 sq.m)
8	Playground consists of 200 metres Athletic Track, Long Jump Pit, Shot-put, Discuss Throw Pits and Javelin Throw Sector.	1 (5850 sq.m)
9	a) Department Room	1 (500 sq.m)
	b) Sports Store	1 (100 sq.m)
10	a) Indoor Badminton Courts (Badminton Arena)	2 (1000 sq.m)
	b) Table Tennis Area	2 (200 sq.m)
11	Kho-Kho Court	1 (200 sq.m)
12	Handball court	1 (800 sq.m)

The faculty of Physical Education organizes inter-house competitions to provide competitive experience, interactions with fellow collegians, teachers, juniors and seniors, to develop friendship, commandership, and championship. Every year pioneer tournaments such as the Chavara Cup Inter-Engineering Basketball Tournament, Rajagiri Champions Trophy Inter-Collegiate Football Tournament, and Rajagiri Corporate Cup Cricket Tournament are organized.

13.8 MEDICAL CENTRE

A medical centre with a full-time nurse and bed facility is located on the ground floor of the KE Block. The campus is also equipped with an ambulance service.

Staff Nurse: Ms. Litty Joseph

13.9 BANK

The South Indian Bank has a branch adjacent to the campus, with a 24-hour ATM facility.

Rajagiri School of Engineering and Technology has an agreement with South Indian Bank for collection of college fees. The fee payment can be done in a hassle-free manner using the zero balance student accounts opened in SIB.

Features of SIB Connect (Student Account)

- No minimum balance required
- Daily ATM withdrawal limit: Rs. 50,000/-
- Daily ATM shopping limit: Rs. 2,00,000/-
- ATM card issuance charge & annual maintenance charge: NIL
- Online NEFT: Free
- Online college fee payment: Free

Checklist for SIB Student Account Opening:

Case 1 - Where student has attained 18 years of age and above

1. Aadhaar
2. PAN (if available)
3. Birth Certificate
4. College ID card / Admission letter
5. Passport Size Photo

Case 2 - Where student is a minor (below 18 years)

1. Aadhaar
2. PAN (if available)
3. Birth Certificate
4. College ID card / Admission letter
5. Passport Size Photo
6. Aadhaar, PAN & Passport Size Photo of **Guardian (Father or Mother)**

For any queries, you can either visit the South Indian Bank Rajagiri Valley Branch or contact the branch at 0484-2771357, 2771358.

13.10 POST OFFICE

The college post office, officially the Rajagiri Valley Post Office (Pin code 682039) has Speed Post and Electronic Fund Transfer facility.

13.11 HONESTY SHOP

The Honesty Shop, situated near the Coffee Corners in the Main Building and KE Block, promotes a culture of integrity and responsibility. Operated by NSS as an unmanned store, it aims to instill honesty in students and staff while providing essential stationery items, which can be purchased by depositing the listed amount in the money box at the counter.

13.12 STATIONERY SHOP

The Stationery Shop, situated on the first floor of the main building, near the Coffee Counter has essential stationery items. Unlike the honesty shop, this store is staffed, providing personalized assistance and ensuring a smooth shopping experience for students and staff.

13.13 GUEST ROOMS FOR VISITING FACULTY

There are guest rooms of international standards for faculty coming for short lectures/seminars/conferences etc.

Coordinator: Rev. Fr. Dr. Jaison Paul Mulerikkal CMI

Warden: Ms. Tintu Pious (DEE)

STAFF LIST 2025-'26**DEPARTMENT OF APPLIED ELECTRONICS AND INSTRUMENTATION ENGINEERING**

No	Name	Qualification	Designation	Extension	Phone number	Email address
1	Dr. Sreekumar G	Ph. D.	Professor	633/284	9895505668	sreekumar@rajagiritech.edu.in

NATIONAL INITIATIVES	NCC -C1	40 NCC 'B' Certificate 60 NCC 'C' Certificate
	NSS -C1	40 For a C certificate / outstanding performance supported by certification, additional marks up to 20 can be provided subject to a maximum limit of 60 points. Best NSS Volunteer Awardee (University level) / Participation in National Integration Camp/ Pre Republic Day Parade Camp (South India), supported by certification, additional marks up to 10 can be provided subjected to a maximum limit of 50 points Best NSS Volunteer Awardee (State / National level) / Participation in Republic Day Parade Camp/ International Youth Exchange Programme, supported by certification, additional marks up to 20 can be provided subjected to a maximum limit of 60 points

Approval Documents: (a)Certificate (b)Letter from Authorities (c)Appreciation recognition letter (d)Documentary evidence (e) Legal Proof (f) Others (specify).

The Founder of the CMI Congregation

St. Kuriakose Elias Chavara is the prominent among the three founders of the Congregation of the Carmelites of Mary Immaculate; the other two are Fr. Thomas Palackal and Fr. Thomas Porukkara. St. Chavara was born on 10 February 1805 at Kainakary, Kerala. At the tender age of thirteen, he joined the seminary at Pallipuram for his priestly training under Malpan Fr. Thomas Palakkal. After eleven years of ecclesiastical studies, he was ordained priest on 29 November 1829.

St. Chavara was instrumental in founding two Catholic Religious Congregations - one for men, Carmelites of Mary Immaculate (CMI), and the other for women, Congregation of Mother of Carmel (CMC), for the spiritual renewal and all-round development of the society.

Starting seven ashrams and a convent in different parts of Kerala, Chavara initiated a spiritual movement among the people of Kerala. He established the first Catholic Sanskrit School, a major seminary and a printing & publishing house at Mannanam. He directed that every church should start a school attached to it and encouraged children from even poorer sections to attend the schools by supplying midday meal and dress for them. He founded a 'Home of Charity' to take care of the destitute, the beggars, the uncared sick and the old. He also organized the first voluntary charitable association in Kerala for self-help among the needy.

Even in the midst of such manifold activities, he found time to write several literary and spiritual books in prose as well as verse. Among them, 'The Martyrdom of St. Anastasia' (*Anastasyayude Rakthasakshyam*) is the first narrative poem and 'Nalagamangal' the first chronicle of history in Malayalam. He knew seven languages - Malayalam, Tamil, Sanskrit, Syriac, Latin, Italian and Portuguese. Essentially, however, St. Chavara was a man of prayer and great charity. He lived for 66 years and died on 3rd January 1871. His sanctity was officially recognized by the Church, when Pope John Paul II declared him 'Blessed' on 08 February 1986. On Sunday, 23 November 2014 Pope Francis announced his canonisation at a ceremony at Saint Peters' Square. St. Chavara is the heavenly patron of all CMI and CMC institutions. Let us pray to him to intercede before God for all our needs, especially for success in our studies.

Important Sayings of St. Chavara

1. Children, you are God's gift in the hands of your parents
2. The children who have love of God and fear of God will love and respect their parents

3. Trust your mother, God will hear the prayers of the mother as yours
4. Food is for the body, so is wisdom for the intellect
5. Go to school regularly and recall to mind what is taught during the week
6. Laziness fosters evil habits
7. Let your friends be those who love God
8. The day in which you have not done any good to your fellow human beings will not be recorded in your book of life
9. Keeping bad books is like hiding fire in hay
10. Regular reading of good books and meditating on them will illumine the mind
11. Attain punctuality by means of a regular timetable
12. Your angels will be turned to devils, if you fall into evil situation
13. You ought to reach home before evening and take part in the evening prayers
14. Desire that others love you, and not that they fear you
15. Take special care to keep modesty while you sit, walk or lie down
16. You are to forgive and forget the wrongdoings of others
17. Tell me who your friends are, and I will tell who you are
18. What you earn by deceit and theft will melt like snow

19. Idleness is the mother of all vices and would induce one to the habit of drinking
20. Both stinginess and extravagance are equally sinful
21. Had you not lighted the lamp during the day time, you could have lit it during night
22. Do not insult or trouble the poor
23. God decides your vocation and it is you to choose it
24. If your parents have left any obligation of restitution, fulfil it with diligence and devotion
25. Even if you are grown in age and maturity, you have to respect your parents and submit to them
26. Do not hate your own brethren and sisters
27. It is the duty of children to look after their parents
28. Do not become the cause for your parents to shed tears on account of you
29. The humble man is the greatest among men
30. Since you belong to God, you have to give yourself back to God

RAJAGIRI ANTHEM

Rajagiri – Oh the Hill of the King
Reign you as the caring king
Reaching out to souls come seeking
Righteous way of true living

Be you the dream of searching minds
A beacon of light, with a vision to guide
Bold in the mission to excel ever
Bright in our learning endeavour

Training to transcend the limits of time
Spreading its wings surpassing the space
Leading the way to integrity
From bondage to spirit of freedom

(Critical outlook and creative act
Reflective poise for a committed cause
Fed by the fire of conviction
Achievement of glory in service)

And for us, Rajagirians, Rajagiri is...
Our way of life, our task 'n tradition
A luminous star on the learning horizon
We cherish the way you nourish your own
And pledge ourselves to do you proud.
