**RAJAGIRI SCHOOL OF ENGINEERING & TECHNOLOGY
(Autonomous)**

ACADEMIC REGULATIONS FOR B. TECH DEGREE PROGRAMMES - 2023

The regulations here are effective from the academic year 2023 - 2024 onwards and are applicable to students admitted in Rajagiri School of Engineering & Technology, Kakkanad, an Autonomous Institution affiliated to A. P. J. Abdul Kalam Technological University, Thiruvananthapuram, Kerala. The regulations are subject to amendments as may be made by the Academic Council/Governing Body of the Institution from time to time. Any or all such amendments will be effective from such date to such batches of students as may be decided by the Academic Council/Governing Body.

1. PRELIMINARY DEFINITIONS AND NOMENCLATURE

In the following regulations unless the context otherwise requires.

- i. **“Academic Calendar”** means the official schedule set by the institution, detailing the commencement and conclusion of classes, examinations, and events for an academic year.
- ii. **“Academic Council”** means the Academic Council constituted by the institution.
- iii. **“Academic Year”** means the academic cycle consisting of an Odd semester and an Even semester.
- iv. **“AICTE”** means the All India Council for Technical Education constituted under the All India Council for Technical Education Act, 1987.
- v. **“BoS”** means the Board of Studies constituted by the institution.
- vi. **“CGPA”** means Cumulative Grade Point Average.
- vii. **“Choice Based Credit System”**: The choice-based credit system provides a ‘cafeteria’ type approach in which the students can take courses of their choice, learn at their own pace, undergo additional courses and acquire more than the required credits, and adopt an interdisciplinary approach to learning.
- viii. **“CIE”** means Continuous Internal Evaluation which is assessed for every student for every course during the semester.
- ix. **“Controller of Examinations”**- means the authority of the institution who is responsible for all Examination related activities of all the disciplines; hereafter referred to as CoE.
- x. **“Course”** means a theory or practical course that is normally studied in a semester, like Mathematics, Physics, etc.

- xi. **“ESE”** means the End Semester Examination which is conducted by the institution at the End of the Semester for all the courses of that semester as per the curriculum of study for the B.Tech programme.
- xii. **“FE”** means Failed due to lack of Eligibility criteria.
- xiii. **“GB”** means the Board of Governors of the institution.
- xiv. **“Grade Card”** means the certificate issued to each candidate generally containing course code, course title, grade and grade points along with SGPA of that semester.
- xv. **“Head of the Department”- HoD** means Head of the Department concerned.
- xvi. **“Head of the Institution”** and **“Chairman - Academic Council”** mean the Principal of the institution who is responsible for all academic activities and the implementation of relevant rules and regulations.
- xvii. **“Programme”** means specialization or discipline of B.Tech Degree Programme, like Computer Science and Engineering, Mechanical Engineering, etc.
- xviii. **“RIZe”** means Rajagiri Innovation Zone for e-Learning.
- xix. **“RSET”** means Rajagiri School of Engineering & Technology (Autonomous).
- xx. **“RSMS”** means Rajagiri Students’ Management System.
- xxi. **“SGPA”** means the Semester Grade Point Average.
- xxii. **“University”** means the APJ Abdul Kalam Technological University to which the institution is affiliated.

2. ADMISSION TO THE PROGRAMME

- 2.1 Admission Policy, eligibility for admission and admission procedure shall be decided by the Governing Body from time to time.
- 2.2 If at any time after admission, it is found that a candidate has not fulfilled any of the requirements stipulated by the institution, the Principal may revoke the admission of the candidate and report the matter to the Academic Council for suitable action.
- 2.3 TWO LETTER CODE OF PROGRAMMES

CODE	PROGRAMME
AE	Applied Electronics and Instrumentation Engineering
AD	Artificial Intelligence and Data Science
CE	Civil Engineering
CU	Computer Science and Business Systems
CS	Computer Science and Engineering
EC	Electronics and Communication Engineering

EE	Electrical and Electronics Engineering
IT	Information Technology
ME	Mechanical Engineering

3. STRUCTURE OF THE B.TECH. DEGREE PROGRAMME

- 3.1 Minimum Duration: The programme will extend over a period of four years leading to the Degree of Bachelor of Technology (B.Tech.) of the APJ Abdul Kalam Technological University. The four academic years will be divided into eight semesters with two semesters per year.
- 3.2 Maximum Duration: The total period for completion of the programme reckoned from the commencement of the first semester to which the candidate is admitted shall not exceed the maximum period of 6 years spanning 12 semesters.
- 3.3 Every academic year shall have two semesters normally from “1st July to 31st December (Odd semester)” and “1st January to 30th June (Even semester)”. Each semester will have a minimum of 65 working days and a maximum of 75 working days.
- 3.4 All the B.Tech. degree programmes will have a curriculum and syllabi for the courses approved by the Academic Council (AC). Innovative elective courses and add - on courses can be included as and when required, on the recommendation of the respective Board of Studies (BoS) and subject to the approval of the AC. All revisions shall be based only on the recommendation of the BoS concerned. The final curriculum and syllabi will be decided by the AC.
- 3.5 Every B.Tech. degree programme will have a curriculum with syllabi consisting of theory/practical/tutorial/theory elective/practical elective/noncredit courses/Rajagiri elective courses/project/internship.
- 3.6 The academic programmes follow the credit system. The curricula of all B.Tech programmes, except for the curriculum of the B.Tech. programme in Computer Science and Business Systems, will have a total of 167 academic credits and 2 additional credits for performance in various activities. For the B.Tech. programme in Computer Science and Business Systems, the curriculum has 174 credits and 2 additional credits for performance in various activities.
- 3.7 No semester shall have more than six lecture-based courses and two laboratory and/or drawing/seminar/project courses in the curriculum.
- 3.8 Semester wise credit distribution for various programmes is given below.

Semester 1	Semester 2	Semester 3	Semester 4	Semester 5	Semester 6	Semester 7	Semester 8	Total
17 [#] /19/20*	23 [#] /21/21*	22/23*	22/22*	22/21*	22/25*	20/20*	21/24*	169/176*

**for B. Tech. Computer Science and Business Systems*

#for B.Tech. Artificial Intelligence and Data Science, B.Tech. Computer Science and Engineering, B.Tech. Information Technology.

3.9 The medium of instruction shall be English. All examinations, project/seminar reports and presentations shall be in English.

3.10 Every course offered for the B. Tech. degree programme (except for the B.Tech. Computer Science and Business Systems programme) will be placed in one of the 12 categories as shown below.

AE/CE/EC/ME

EE

AD/CS/IT

3.11 Noncredit courses shall be offered in various disciplines. Distribution of the courses is given below.

3.12 Every course offered for the B. Tech. degree programme in Computer Science and Business Systems will be placed in one of the 10 categories as shown below.

3.13 Distribution of the noncredit courses offered for B. Tech. Computer Science and Business Systems is given below.

3.14 General credit allocation

Sl.No	Description	Credit allocation
1	1 Hour of Lecture (L) per week	1
2	1 Hour of Tutorial (T) per week	1
3	2 Hours of Practical (P)/Project (R) per week	1
4	3 to 4 Hours of Seminar (S)/Practical (P)/Project (R) per week	2
5	Practical integrated course with L-T-P, practical's will be considered with 0.5 weightage and the final credit will be rounded to the nearest lowest integer.	Eg: 4-0-3: 5 credits

3.15 Self Learning Hours (SL)

In addition to lecture, tutorial, practical/practice, and project hours, the curriculum includes Self Learning Hours. Self Learning Hours refer to the time students are expected to dedicate to independent learning activities outside of scheduled classroom instruction. These activities may include reviewing lecture notes, completing assignments, engaging in further reading, practicing problems, or working on projects without direct guidance from instructors or tutors. The L-T-P-SL notation for each course signifies the allocation of hours for content delivery in terms of Lecture (L), Tutorial (T), Practical (P) and Self Learning (SL) per week. The Self Learning Hours per week for each course are calculated as:

$$\text{SL Hours} = 1.5 L + 0.5 T + 0.5 P$$

4. ACADEMIC MONITORING AND STUDENT SUPPORT

4.1 Class Teacher and Mentor System:

4.1.1 There shall be a Class Teacher and an Associate Class Teacher for a class, and a Mentor each for 15 to 20 students in the class. The Principal shall assign regular Faculty Members as Class Teachers and Associate Class Teacher in discussion with the HoD concerned.

4.1.2 The documents regarding all academic and non-academic matters of students shall be kept in the custody of the Class Teacher. Mentoring records will be maintained by the Mentors and submitted to the Class Teacher/HoD at the time of inspections.

4.1.3 The Mentors shall meet their mentees at least twice in a semester. They shall offer guidance and help to solve the academic, non-academic and personal issues of the students in their mentoring group. Wherever required, the Mentors may consult the Class Teachers, Course Teachers, or the Student Welfare Officer to resolve concerns raised by the mentees.

4.2 Advisory Committee:

4.2.1 Every class shall have an Advisory Committee consisting of the HoD, Class Teachers, course teachers, mentors and at least four student representatives. The overall goal of the Advisory Committee is to improve the teaching- learning process. The Class Teacher or the Associate Class Teacher will be the Convener of the Advisory Committee, and the HoD will be the ex-officio Chairperson.

4.2.2 The functions of the Advisory Committee include:

- (i) Clarifying the regulations of the degree programme and the details of rules therein.
- (ii) Solving issues faced by the students in the classroom and in the laboratories.
- (iii) Informing the students of the academic schedule, including the dates of assessments and the syllabus coverage for each assessment.
- (iv) Informing the students of the details of regulations regarding weightage used for each assessment. In the case of practical courses (laboratory/ drawing/project work/seminar etc.) the breakup of marks for each experiment/ exercise/module of work, should be clearly discussed in the Advisory Committee meeting.
- (v) Analyzing the performance of the students of the class after each test and finding the ways and means of solving problems, if any.
- (vi) Identifying the weak students, if any, and suggesting implementation of remedial measures.

4.2.3 During these meetings, the student representatives shall freely express their opinions and suggestions to improve the effectiveness of the teaching-learning process, provide their feedback and raise concerns if any.

4.2.4 If the situation warrants, the Advisory Meetings can be held in the class with the participation of all the students.

4.2.5 The Advisory Committee meetings shall be convened thrice in a semester:

- i. Immediately after the commencement of the semester
- ii. Immediately after the result publication of the first internal examination

iii. Immediately after the result publication of the second internal examination/immediately before the end of the semester

4.2.6 The Principal may attend any of the Class Advisory Meetings at his discretion.

4.2.7 The internal marks, activity points earned during the semester and eligibility of attendance shall be uploaded to the portal only after displaying the same on the notice board at least for two working days. This is for the information and feedback of the students. Any concerns raised by the students regarding attendance, internal marks or activity points shall be considered in the Advisory Meetings. The Principal/ HoD shall ensure the proper redressal of the concerns raised by the students regarding internal assessment and attendance. The Class Teacher shall be the custodian of the minutes and action taken reports of the Advisory Meetings.

4.2.8 The Class Teachers shall get the minutes and action taken reports of Advisory Meetings approved by the HoD and the Principal. The Class Teachers shall maintain a hard copy of the consolidated statement of attendance, activity points and internal marks of the students, and these documents shall be made available to the HoDs for all inspections.

4.3 Communication Protocol:

4.3.1 All requests/applications from a student or parent to higher offices are to be forwarded/recommended by his/her Class Teacher. Students and parents shall first approach their Class Teachers for all kinds of advice, clarifications and permissions on academic matters. It is the official responsibility of the institution to provide the required guidance, clarifications and advice to the students and parents strictly based on the prevailing academic regulations.

4.3.2 Regular communication with the parents of the students regarding progress in academic matters, conduct of Open House after publication of results of internal examinations, and other general issues shall be the responsibility of the Class Teachers.

4.4 Course Faculty:

Major Responsibilities:

i. Compliance with Regulations: The course faculty shall adhere to all regulations and syllabus requirements related to the teaching of the course and the evaluation of students.

ii. Record Maintenance: The course faculty is responsible for maintaining all relevant records for the course, including answer books, attendance, and other essential documents of the students enrolled in the course.

iii. Conduct of Classes: The faculty shall conduct classes according to the institution's academic calendar and the teaching/learning timetable issued by the Head of Department.

iv. Course and Evaluation Plan Distribution: The course faculty shall provide a course plan and evaluation plan, including course objectives and background materials, to all students within the first week of the semester.

v. Evaluation Plan Preparation: The faculty shall develop a detailed evaluation plan that outlines how students' performance will be assessed throughout the course.

vi. Documentation and Communication of Performance: The course faculty is responsible for documenting student performance and ensuring timely communication of results to students.

vii. Reporting to HOD: The faculty shall report monthly to the HOD on cases of poor academic performance or low attendance, which may result in a 'FE' grade at the end of the semester.

5. COURSE COMMITTEE FOR COMMON COURSES

5.1 Each common theory course offered to more than one discipline or group shall have a "Course Committee" comprising all the teachers teaching the common course with one of them nominated as Course Coordinator.

5.2 The nomination of the Course Coordinator shall be made by the HoD / Principal depending on whether all the teachers teaching the common course belong to a single department or to several departments.

5.3 The Course Committee shall meet to arrive at a common scheme of evaluation for the tests and shall ensure a uniform evaluation of the tests. Wherever feasible, the Course Committee may also prepare a common question paper for the internal assessment test(s).

6. ACADEMIC AUDITING

The Internal Quality Assurance Cell (IQAC) gives advice and guidelines to the administration to maintain high quality work in academics and administration. The cell monitors the quality aspects of all the academic and non-academic activities of the institution. The cell works on various accreditation aspects. IQAC shall conduct academic auditing every semester.

Academic auditing shall cover:

- 6.1 Course delivery and adherence to the course plan, syllabus coverage, quality of question papers used for internal examinations, internal evaluation, maintenance of laboratory experimental set ups and equipment, practical assignments, mini projects and conduct of practical classes and their evaluation.
- 6.2 Co-curricular, extra-curricular activities, leadership and organizing skills available for students, the monitoring mechanism of activity points to be earned by the students.
- 6.3 Activities conducted by professional bodies, department associations, and various clubs.
- 6.4 Academic functioning of the college encompassing students, faculty and college administration covering punctuality, attendance, discipline, academic environment, learning ecosystem, academic accountability, academic achievements and benchmarking.
- 6.5 The audit shall also cover the quality criteria prescribed by MHRD/UGC/AICTE/NIRF/NAAC/NBA/any other governmental organization.

7. ASSESSMENT

- 7.1 There shall be End Semester Examinations (ESE) in every semester for the courses as prescribed in the respective curriculum.
- 7.2 The ESE will be held twice in a year - April/May session (for even semesters) and November/December session (for odd semesters).
- 7.3 Candidates in each semester will be evaluated both by Continuous Internal Evaluation (CIE) and ESE.
- 7.4 Continuous Internal Evaluation (CIE): The CIE will be based on day-to-day work, periodic tests (minimum two in a semester) and assignments (minimum two). The Faculty Member (s) concerned shall carry out the CIE for the course allotted to him/her.
- 7.5 There shall be a minimum of two internal evaluation tests, each of 1hr./2hrs duration except for practical courses. Each test shall cover 50% of the syllabus and shall be for 25/50 marks. Retest shall be permitted for those students who could not appear for the internal tests due to genuine grounds. Three/Four days shall be utilized for conducting the internal evaluation test.
- 7.6 The main eligibility criteria for registering to the ESE are attendance in the course and no pending disciplinary action. The minimum attendance for appearing in the ESE is 75% for male students and 73% for female students in each course. Students who do not meet these eligibility criteria are awarded an FE grade. Details of courses which have different eligibility criteria are given in the Assessment Pattern.

- 7.7 Students who have completed a course but who could not write the ESE shall be awarded an 'I' grade, provided they meet the above eligibility criteria. They shall register (exam registration) and appear for the ESE at the next opportunity and earn the credits without having to register (course registration) for the course again.
- 7.8 Students with an FE grade must register for the courses in the regular semesters in which they are offered. If a student is unable to complete the FE courses by the end of the eighth semester, they may register in the next immediate chance, provided the institution offers the courses. If a revised curriculum/syllabus has been introduced in the meantime, the student may register for the equivalent courses under the new scheme, subject to equivalency approval by the respective Board of Studies (BoS). Alternatively, complete the original courses, if the department can offer them either on a one-on-one basis as summer courses, or during the regular semester with a special timetable. In all such cases, students must write the internal examinations, and the updated mark split-up with attendance, duly signed by the faculty-in-charge and the Head of Department (HoD), shall be forwarded to the Controller of Examinations (CoE). Detailed procedures are provided in the FE Guidelines published by the institution. Students will graduate under their original scheme of study, subject to final approval by the affiliating university (KTU).
- 7.9 Students who fail in a course assessed solely by Continuous Internal Evaluation (CIE) must repeat the entire course. The procedure for repeating such a course shall be the same as that for courses with a FE grade. This is not applicable to Non Credit Courses (Pass/ Fail Courses). Students who fail in a Pass/Fail course have to write an examination covering the entire syllabus following the End Semester Examinations (ESE) question paper pattern. Students must secure a minimum of 50% marks in the exam to get the Pass grade. The exam will be scheduled and conducted by the respective departments. Question paper, question paper scrutiny, list of students, date of exam must be shared well in advance with the CoE. Marks and attendance sheet duly signed by the faculty in charge and the HoD should also be forwarded to the CoE.
- 7.10 The maximum number of credits a student can register for (course registration), in a semester is limited to 8 credits in excess of the total mandatory credits allotted in the curriculum for that semester.
- 7.11 A student will be eligible for the award of B. Tech. Degree of APJ ABDUL KALAM TECHNOLOGICAL UNIVERSITY on satisfying the following requirements:
- i. Fulfilled all the curriculum requirements within the stipulated duration of the course.
 - ii. Earned the required minimum credits as specified in the curriculum for the branch of study.
 - iii. No pending disciplinary action.
- 7.12 The final mark list and grade card and Provisional Certificate shall be issued by RSET.

7.13 Students who have registered for a course have to attend the course regularly and undergo the CIE and appear for the ESE. Credits for the course are deemed to be earned only on getting at least a pass grade 'P' or better in the composite evaluation.

7.14 Pass Criteria for Courses:

- i. Pass minimum for a course shall be 40% for the ESE and 50% for CIE and ESE put together unless otherwise specified in the assessment pattern.
- ii. Letter grade 'F' will be awarded to the student for a course if either his/her mark for the ESE is below 40% or the overall mark [CIE + ESE] is below 50%.
- iii. For courses that are assessed solely through CIE, the pass minimum shall be 50%.

7.15 Students who have received an F grade in an ESE have to appear for the ESE at the next opportunity and earn the credits. They shall not be permitted to register for the course again.

7.16 Grading is based on the overall percentage of marks obtained by the student in a course. The grade card will give the grades only against the courses the student has registered for. Semester grade card shall give the grade for each registered course, Semester Grade Point Average (SGPA) for the semester as well as Cumulative Grade Point Average (CGPA).

Grade and Grade Points		
Grades	Grade Point (GP)	% of Total Marks obtained in the course
S	10	90% and above
A+	9.0	85% and above but less than 90%
A	8.5	80% and above but less than 85%
B+	8.0	75% and above but less than 80%
B	7.5	70% and above but less than 75%
C +	7.0	65% and above but less than 70%
C	6.5	60% and above but less than 65%
D	6.0	55% and above but less than 60%
P (Pass)	5.5	50% and above but less than 55%
F (Fail)	0	Below 50% (CIE + ESE) or Below 40% for ESE

FE	0	Failed due to lack of eligibility
M	0	Committed malpractice
I	0	Could not appear for the end semester examination but fulfills the eligibility criteria.
Classification of B. Tech Degree	First Class with Distinction	CGPA 8.0 and above
	First Class	CGPA 6.5 and above
<i>Equivalent percentage marks shall be = $10 \times CGPA$</i>		

Semester	Allotted Credits	Cumulative Credits	Credits to be earned for Promotion
First	17/19/20*	17/19/20*	Not Applicable
Second	23/21/21*	40/41*	Not Insisted
Third	22/23*	62/64*	Not Insisted
Fourth	22	84/86*	Not Insisted
Fifth	22/21*	106/107*	21 Credits from S1& S2
Sixth	22/25*	128/132*	Not Insisted
Seventh	20	148/152*	43/44* Credits from S1 to S4
Eight	21/24	169/176*	Not Insisted

** for B.Tech. Computer Science and Business Systems.*

7.17 There is no provision for improving the grade. However, the student is permitted to check the answer books of the ESE after the results are declared, on payment of the prescribed fee. Any discrepancy in evaluation could be brought to the notice of the CoE, who shall initiate appropriate action.

7.18 ASSESSMENT CRITERIA:

2023A01. INDUCTION PROGRAMME

Assessment shall be done online on the last day. The duration of the assessment will be 120 minutes. 100 Questions shall be given with one mark for each question. 22 each from fundamentals of Mathematics, Programme Core and Fundamentals of Computing

(AE/EC/EE/CE/ME - 16 + 6; AD/CS/CU/IT- 22), Engineering Science and English, and 12 from Universal Human Values.

Maximum marks: 100 marks

Minimum required to pass: 50 marks

2023A02. PROGRAMME CORE COURSES/ PROGRAMME ELECTIVES (with module 6)

Evaluation - Total: 150 marks - CIE: 50, ESE: 100

Pass minimum for the course shall be 40% for ESE and 50% for CIE and ESE put together. Minimum of 75% attendance is mandatory for registering for ESE.

CIE				ESE	TOTAL
50					
Attendance	Internal Examinations	Assignment			
		Class/Home Assignment	Project/Assignment/ Report from Module 6		
10	25	10	5	100	150

2023A03. PROGRAMME CORE COURSES/PROGRAMME ELECTIVES (without module 6)

Evaluation - Total: 150 marks - CIE: 50, ESE: 100

Pass minimum for the course shall be 40% for ESE and 50% for CIE and ESE put together. Minimum of 75% attendance is mandatory for registering for ESE.

CIE			ESE	Total
50				
Attendance	Internal Examinations	Assignment		
10	25	15	100	150

2023A04. PRACTICAL INTEGRATED CORE COURSES/PROGRAMME ELECTIVES (with module 6)

Evaluation - Total: 250 marks - CIE: 150, ESE: 100

Theory		Practical	Total
150		100	250
CIE	ESE	CIE	

50				100	Attenda nce	Internal Examination	Lab work/Reco rd/ viva voce	
Attendan ce	Internal Examination s	Class/Home Assignment/ Quiz	Project/Rep ort from Module 6		10	50	40	
10	25	10	5					

Condition for Pass

To pass the course, the student has to pass theory and practical separately.

- i. Pass criteria for theory part:

40% for ESE and 50% for CIE and ESE put together of theory part.

- ii. Pass criteria for practical part:

a. 50% marks for CIE of practical

b. 50% marks for Internal examination of practical.

If a student does not satisfy (ii.a), he/ she will be awarded 'Failed due to lack of eligibility (FE)' grade and has to repeat the practical part.

If a student does not satisfy (ii.b), he/ she will be awarded 'Failed (F)' grade and has to appear for the supplementary practical exam.

If a student does not satisfy both (ii.a) and (ii.b), he/ she will be awarded 'Failed due to lack of eligibility (FE)' grade and has to repeat the practical part.

Attendance requirement

- i. Eligibility to register for ESE: Minimum 75 % attendance for theory part.
- ii. If a student doesn't have 75% attendance for the theory part 'Failed due to lack of eligibility (FE)' grade will be awarded for the course, and he/ she has to repeat the theory part.
- iii. If a student doesn't have 75% attendance for the practical part 'Failed due to lack of eligibility (FE)' grade will be awarded for the course, and he/ she has to repeat the practical part.

2023A05. PRACTICAL INTEGRATED CORE COURSES/PROGRAMME ELECTIVES
(without module 6)

Evaluation - Total: 250 marks - CIE: 150, ESE: 100

Theory				Practical			Total
150				100			
CIE			ESE	CIE			
50				Attendance	Internal Examination	Lab work/Record/ Viva voce	
Attendance	Internal Examinations	Assignment/Quiz / Course Project		10	50	40	

10	25	15					
-----------	-----------	-----------	--	--	--	--	--

Condition for Pass

To pass the course, the student has to pass theory and practical separately.

i. Pass criteria for theory part:

40% for ESE and 50% for CIE and ESE put together of theory part.

ii. Pass criteria for practical part:

a. 50% marks for CIE of practical

b. 50% marks for Internal examination of practical.

If a student does not satisfy (ii.a), he/ she will be awarded 'Failed due to lack of eligibility (FE)' grade and has to repeat the practical part.

If a student does not satisfy (ii.b), he/ she will be awarded 'Failed (F)' grade and has to appear for the supplementary practical exam.

If a student does not satisfy both (ii.a) and (ii.b), he/ she will be awarded 'Failed due to lack of eligibility (FE)' grade and has to repeat the practical part.

Attendance requirement

i. Eligibility to register for ESE: Minimum 75% attendance for theory part.

ii. If a student doesn't have 75% attendance for the theory part 'Failed due to lack of eligibility (FE)' grade will be awarded for the course and he/ she has to repeat the theory part.

iii. If a student doesn't have 75% attendance for the practical part 'Failed due to lack of eligibility (FE)' grade will be awarded for the course and he/ she has to repeat the practical part.

2023A06. PRACTICAL INTEGRATED COURSES IN S1/S2 (E.g.: Engineering Chemistry, Principles of Electronics Engineering etc.)

Evaluation - Total: 250 marks - CIE: 150, ESE: 100

Pass minimum for the theory part of the course shall be 40% for ESE and 50% for CIE and ESE put together and 50% for CIE of practical part. Minimum of 75% attendance is mandatory for registering for ESE.

Theory		Practical			Total
150		100			
CIE	ES E	CIE			
50	100	Attendance	Lab work/Record/viva voce	Internal Examination	

Attendance	Internal Examinations	Assignment/Quiz/ Course Project		20	50	30	
10	25	15					

2023A07. COURSES WITH L-T-P: 4-0-0 COMPRISING TWO DISCIPLINES (E.g.: Introduction to Civil and Mechanical Engineering/ Introduction to Electrical and Electronics Engineering)

Evaluation - Total: 150 marks - CIE: 50, ESE: 100

Pass minimum for the course shall be 40% for ESE and 50% for CIE and ESE put together. Minimum of 75% attendance is mandatory for registering for ESE.

CIE					ESE	Total
50					100	150
Attendance	Internal Examinations		Assignment/Quiz/ Course Project			
10	25		15			
	Section A	Section B	Section A	Section B		
	12.5	12.5	7.5	7.5		

2023A08. COURSES WITH L-T-P: 3-0-2 (with two sections)

Evaluation - Total: 150 marks - CIE: 50, ESE: 100

Pass minimum for the course shall be 40% for ESE and 50% for CIE and ESE put together. Minimum of 75% attendance is mandatory for registering for ESE.

CIE							ESE	Total
50							100	150
Attendance	Internal Examinations		Practical Evaluation					
10	20		20					
	Section A	Section B	Section A		Section B			
	10	10	10		10			
			Implementin g the Work/ Conducting the Experiment	Final Examination	Implementin g the Work/ Conducting the Experiment	Final Examination		
			5	5	5	5		

2023A09. COURSES WITH LTP:3-0-2

Evaluation - Total: 150 marks - CIE: 50, ESE: 100

Pass minimum for the course shall be 40% for ESE and 50% for CIE and ESE put together. Minimum of 75% attendance is mandatory for registering for ESE.

CIE	ESE	Total
50	100	150

Attendance	Internal Examinations	Practical Evaluation		
10	20	20		

2023A10. CONSTRUCTION TECHNOLOGY AND BUILDING DRAWING (2024 Admission onwards)

Evaluation - Total: 150 marks - CIE: 100, ESE: 50

Theory				Drawing		Total 150
90				60		
CIE			ESE	CIE		
40			50	Lab work/Record/ Drawing/ Viva voce	Internal Examin ation	
Attendance	Internal Examinations	Assignment		10	50	
10	25	5				

Pass criteria for theory part:

40% for ESE and 50% for CIE, ESE and Drawing put together.

Minimum of 75% attendance is mandatory for registering for ESE.

2023A11. COURSES WITH L-T-P: 3-0-2 (E.g.: Engineering Graphics)

Evaluation - Total: 150 marks - CIE: 50, ESE: 100

Pass minimum for the course shall be 40% for ESE and 50% for CIE and ESE put together. Minimum of 75% attendance is mandatory for registering for ESE.

CIE			ESE	Total
50				
Attendance	Internal Examinations	Assignment/Quiz/Course Project		
10	20 (10 marks for Test 1 & 10 marks for Test 2)	20 (10 marks for Section A class work & 10 marks for Section B class work)	100	150

2023A12. ENGINEERING PHYSICS

Evaluation - Total: 250 marks - CIE: 150, ESE: 100

Pass minimum for the theory part of the course shall be 40% for ESE and 50% for CIE and ESE put together and 50% for CIE of practical part. Minimum of 75% attendance is mandatory for registering for ESE.

Theory				Practical			Total
150				100			250
CIE			ESE	CIE			
50			100	Attendance	Evaluation of Computational & Entrepreneurial Mindset	Internal Examination	
Attendance	Internal Examinations	Entrepreneurial Portfolio		10	50	40	
10	25	15					

2023A13. DESIGN THINKING (CU)

Evaluation - Total: 150 marks - CIE: 100, ESE: 50

CIE			ESE	Total
100			50	150
Attendance	Internal Examinations	Assignment/Quizzes/Course Project		
10	40	50		

Eligibility to register for ESE: Minimum 75 % attendance.

Pass criteria: 40% for ESE and 50% for CIE and ESE put together of theory part.

2023A14. PRACTICAL COURSES: Practical Elective and Practical Courses except for courses in first and second semesters

Evaluation - Total: 150 marks - CIE: 75, ESE: 75

Pass minimum for the course shall be 40% for ESE and 50% for CIE and ESE put together. Minimum of 75% attendance is mandatory for registering for ESE.

CIE			ESE	TOTAL
75			75	150
Attendance	Internal Examinations	Continuous Assessment		
15	30	30		

2023A15. PRACTICAL COURSES: Manufacturing Practices – A and B

Evaluation - Total: 100 marks - CIE: 100

Pass minimum for the course shall be 50% for CIE and a minimum of 75% attendance.

CIE	Total
-----	-------

Attendance		Internal Examinations		Lab work/Assessment/ Viva-voce		100

≥ 60 – < 75	B
≥ 40 – < 60	C
< 40	F

7.19 The students can apply for scrutiny/revaluation of the answer books of the ESE after the results are declared. The final marks awarded will be the better of the two marks. If the difference in marks obtained in revaluation and the original valuation is more than 15% of the maximum marks,

it shall be sent for third valuation. The final mark shall then be the average of the closer of the two marks obtained in the three valuations to the advantage of the student or the mark obtained in the original valuation, whichever is higher. The CoE shall examine such cases and conduct proper enquiry to see whether any of the examiners is responsible for negligent valuation of answer script and initiate suitable action as per the Examination Manual.

7.20 There is no scrutiny/revaluation for supplementary examination.

7.21 Mark lists and grade cards shall be made available in the student login for the registered courses, in every semester. On earning the required credits for the degree, the college will issue the final consolidated grade sheet for the B. Tech Degree Programme including CGPA.

7.22 Calculation of SGPA/CGPA

SGPA and CGPA are calculated as follows.

$SGPA = \frac{\sum(C_i \times GP_i)}{\sum C_i}$, where 'C_i' is the credit assigned for a course and 'GP_i' is the grade point for that course. Summation is done for all courses specified in the curriculum of that semester. The failed and incomplete courses shall also be considered in the calculation.

$CGPA = \frac{\sum(C_i \times GP_i)}{\sum C_i}$, where 'C_i' is the credit assigned for a course and 'GP_i' is the grade point for that course. Summation is done for all courses specified in the curriculum up to that semester for which the 'CGPA' is needed. Here the failed courses shall also be accounted for.

CGPA for the B. Tech Degree Programme is arrived at by considering all course credits that are needed for the degree and their respective grade points.

7.23 Any act of violation of examination guidelines, indiscipline, misbehavior, or unfair practice in examinations on the part of students, faculty members, staff, management or any other source shall be viewed very seriously. It is the responsibility of the Principal and the Controller of Examinations to see that the examinations are conducted strictly and as specified in the Examination Manual. Malpractices in examinations observed or reported by faculty members, invigilators or anybody shall be immediately reported to the Principal. The Principal shall in turn conduct a preliminary enquiry giving the student concerned a chance to explain his/her case. The Principal shall then forward the case with his/her preliminary enquiry report and remarks to the CoE along with all related documents and evidences within two working days. The CoE shall decide the course of action on the issue as per the prescribed norms in the Examination Manual.

7.24 A student should earn 2 credits by actively involving in co-curricular, extra-curricular activities, and leadership and organizing skills. Students are required to earn a minimum of 25 activity points in each category, accumulating at least 100 activity points before appearing for their final year-end semester examination. On getting the minimum 100 activity points, the student passes the

course and earns the two credits which will not be counted for the calculation of CGPA but is mandatory for the award of the degree. Students are required to upload the documentary proof of activities done by him/her in Rajagiri Students' Management System (RSMS) and the same shall be verified by the Faculty Advisors. The Faculty Advisor will award the corresponding activity points based on the guidelines. A student who fails to obtain the required activity points during the course of study can acquire the additional points after his/her course of study on completion of the following activities: competitions conducted by professional societies, attending full time conferences at IITs/NITs, paper presentations at IITs/NITs, poster presentations at IITs/NITs, foreign language certification, patent filed/ published/approved/licensed, awards for products developed, start-ups, societal innovations etc.

8. BREAK OF STUDY

8.1 A student is permitted to avail of break of study:

- (i) In case of accident or serious illness needing prolonged hospitalization and rest.
- (ii) In case the student has a bright idea and would like to initiate a start-up venture or develop a product.
- (iii) In case of any personal reasons that necessitate a break of study.
- (iv) For internship leading to employment.
- (v) For taking up a Fellowship in Foreign University/ National and International Industry.

8.2 For break of study due to illness, the student shall submit all necessary medical reports together with the recommendation of the doctor treating him/her giving definite reasons for break of study and its duration. Before joining back, the student should submit the fitness certificate from the doctor who treated him/her.

8.3 Students who want to initiate a start-up venture or product development, have to submit a project report, clearly indicating the purpose, action plan, technical details, funding details and future plans to the Principal. The Principal shall evaluate the proposal by constituting an expert team and take an appropriate decision based on the team's recommendation. The break of study for the startup shall be permitted only after the 4th semester for a maximum duration of two semesters. This is however permitted only on successfully completing the courses listed out in the first two semesters.

8.4 Students who require a break of study due to personal reasons shall convince the Principal on the genuine need for it by giving authentic evidence for the same.

8.5 Students who require break of study for 'internship leading to employment' shall produce the offer letter obtained from the employer concerned. Only campus placed students with an annual

compensation of more than 6 lakhs are eligible to avail of this facility.

- 8.6 Students who require break of study for 'taking up a Fellowship in Foreign University/ National and International Industry', must provide relevant documentation of the fellowship offer, including the duration and nature of the fellowship. Approval for the break of study shall be granted based on the fellowship's academic and professional value, as assessed by the Principal, after obtaining recommendations from the Central Internship Cell.
- 8.7 In the semester system followed by the institution, break of study for an academic year is the preferred option rather than break of study for a semester.
- 8.8 Students are not permitted to attend any regular classes offered by the institution during the break of study period. Students are also not permitted to represent the institution or University in any technical or non-technical events during the break of study period. Students are not allowed to participate in any institution-level activities or events held on campus during their break of study.
- 8.9 The student can avail himself of the break of study only with the prior approval of the Principal.
- 8.10 After completion of the break of study duration, the student must rejoin on the first working day of the same semester from which he/she had started availing of the break of study option.

9. ATTENDANCE

- 9.1 Students are expected to attain 100% attendance for all courses. However, under unavoidable circumstances they are permitted to take leave. Total leave of absence shall not exceed 25% of the academic contact hours for a course and 75% attendance is mandatory for registering for the ESE. For female students mandatory attendance required for registering for the ESE is 73%. A 5% relaxation in attendance shall be granted to students with disabilities (PWD).
- 9.2 80% attendance for a course is mandatory to attend the internal examination of the course.
- 9.3 On medical grounds, the Principal can relax the minimum attendance requirement for ESE to 60%. This is permitted for one or more courses registered in the semester.
- 9.4 This provision (vide 9.3) is permissible only for any two semesters during the entire programme.
- 9.5 The Principal is authorized to grant attendance relaxation (duty leave) to students participating in officially sponsored competitions/championships/ tournaments when called upon to do so, up to a maximum of 10%. Such students should produce the participation certificate countersigned by the faculty in charge, i.e. Sports Coordinator in the case of sports activities and Class Teachers in the case of other extracurricular activities - within seven days of the event. The participation certificate thus produced shall be forwarded to the Principal with the due recommendation of the class teacher and the respective HoD. Under any circumstances, the Principal shall not consider the certificate if the overall attendance of the candidate is less than 60%. Late applications

received shall not be considered on any account.

9.6 A student will be considered to be under 'Unauthorized Absence' if he/she is continuously absent from classes or other academic obligations for more than 10 consecutive working days without submitting a written notification to the Principal. The Principal shall send an official communication to the student, parent, or guardian, directing the student to immediately resume attendance. This communication should be delivered via registered letter and email.

9.7 i. The proof submitted by the Principal for 'Uninformed Long Absence' must include the official communication sent to the student, parent, or guardian directing the student to attend classes immediately, and an undertaking that the student failed to attend classes despite the notice within the specified time (20 working days).

ii. These documents shall be uploaded to the university portal by the Principal when marking a student as having an 'Uninformed Long Absence'.

iii. The Uninformed Long Absence will take effect only after receiving final approval from the University.

9.8 Students designated as being in uninformed long absence shall not be eligible for promotion to the next semester alongside their peers.

9.9 Students are permitted to rejoin within a maximum period of one year following the marking of their "Uninformed Long Absence" on KTU portal.

A rejoining fee, as fixed by the institution, shall be collected from the student upon approval of their rejoining request.

i. If students do not rejoin the institution within the time limit specified in Regulation (9.7), the colleges are authorized to remove their names from the roll list with the approval of the University.

ii. A cancellation certificate or migration certificate can be issued to the student upon formal request. A prescribed fee will be collected from the student for the issuance of these certificates. The certificate will only be issued if the student has cleared all outstanding dues.

10. B.TECH. WITH MINOR (Minor in any discipline other than the major discipline)

10.1 All B.Tech. students are eligible to register for Minor in Engineering. The Minor in Engineering registration shall be along with the registration of the 3rd semester.

- 10.2 The institution can offer Minor programme in any discipline where there is expertise to offer courses for the programme.
- 10.3 The student shall earn an additional 20 credits to be eligible for the award of B. Tech. Degree with Minor.
- 10.4 If a student fails in any course of the Minor programme, he/she is given one chance of taking the supplementary examination. This provision is restricted to one course of the Minor programme. He/ She shall not be eligible to continue the B.Tech. Minor if he/she fails in the supplementary examination also. However, the additional credits and grades earned by the student to date shall be included in the mark list and grade card but shall not be considered in calculating the CGPA.
- 10.5 Out of the 20 credits, 8 credits shall be earned by undergoing two courses in semesters 3 and 4, 8 credits shall be earned by attending MOOC courses in semesters 5 and 6. The final 4 credits shall be earned by doing a mini project in semester 7 or 8. A student who has opted for both minor and honours must complete the minor mini-project in semester 7.
- 10.6 The curriculum and syllabus of the MOOC courses shall be approved by the BoS and the AC.
- 10.7 The assessment of the MOOC courses and earning of credits shall be as given in (7.18).
- 10.8 The candidate shall produce the certification issued by the conducting agency of the MOOCs in proof of credit attainment.
- 10.9 Undergraduate Degree with Minor will be issued to the students who fulfill all the academic eligibility requirements for the B. Tech Degree Programme and Minor in Engineering.
- 10.10 The maximum number of students permitted in a batch for the mini project for Minor shall be 3.

11. B. TECH. WITH HONOURS (Specialization within the major discipline)

- 11.1 B. Tech. students whose CGPA up to S2 is greater than or equal to 8 are eligible to register for B.Tech. with Honours. However, their mandatory CGPA at the end of eighth semester shall be 8.5 or higher to be eligible for the award of B. Tech with Honours.
- 11.2 The B. Tech. with Honours registration shall be along with the registration of the 4th semester.
- 11.3 If a student fails in any course including the course chosen for B. Tech. with Honours, he/she shall not be eligible to continue the B. Tech. with Honours. However, the additional credits so far earned by the student shall be included in the grade card but shall not be considered in calculating the CGPA.
- 11.4 The student shall earn an additional 20 credits to be eligible for the award of B. Tech. with Honours. Out of the 20 credits, 8 credits shall be earned by undergoing two specified courses of

the respective stream in semesters 4 and 5. Credits for the B. Tech. with Honours courses are deemed to be earned only on getting at least a grade 'C' or better in the composite evaluation.

- 11.5 Out of the remaining 12 credits, 8 credits could be acquired through two MOOCs of the respective streams recommended by the BoS and approved by the AC in semesters 6 and 7. The final 4 credits shall be awarded for doing a mini project in semester 8.
- 11.6 A student shall not be permitted to select the normal elective courses of the respective B. Tech programmes for attaining the credit requirements of B. Tech. with Honours.
- 11.7 The candidate shall produce the certification issued by the conducting agency of the MOOCs in proof of credit attainment. Assessment of MOOC courses shall be done as given in 7.18
- 11.8 The maximum number of students permitted in a batch for the mini project for Honours is 2.

12. MASSIVE OPEN ONLINE COURSE (MOOC)

- 12.1 The MOOC shall be considered valid only if it is conducted by agencies such as AICTE, NPTEL, SWAYAM, NITTTR, or other agencies approved by the Academic Council of the university/institution.
- 12.2 The MOOC should have a minimum duration of 8 weeks.
- 12.3 At least 70% of the course content should match the area of study addressed by the concerned Minor/Honours/Major course.
- 12.4 Rajagiri Innovation Zone For e-Learning (RIZe) Guidelines

An in-house online learning initiative following the NPTEL MOOC structure designed to deliver courses equivalent to MOOC offerings for minor programmes. These online courses are developed and delivered by our own faculty and industry experts, ensuring contextual relevance, academic rigor, and alignment with our institutional standards. The RIZe platform serves as an effective alternative to external MOOCs, offering our students the convenience of online learning while maintaining the academic integrity and quality of our curriculum. The course structure should include 4 sessions per week, where sessions are 30 minutes in duration.

- (i). Minimum duration of 8 weeks
- (ii). The syllabus approval process and assessment pattern should follow the guidelines published. After departmental level verification, it is to be presented in BoS meeting and Academic Council for final approval.

13. FAST TRACK CREDIT ACCOMPLISHMENT

A student has the provision of earning up to 12 credits out of the total credits apportioned to the elective courses in the seventh and eighth semesters after registering for the fifth semester. For CU, a student has the provision of earning up to 16 credits out of the total credits apportioned to the elective courses in the seventh and eighth semesters after registering for the fifth semester. The credits can be accomplished by taking MOOCs corresponding to the electives listed in semesters seven and eight or by successfully completing these elective courses during the summer break, if offered by the department. Only any two electives from semester seven and/or any two electives from semester eight may be pursued in this way.

14. INTERNSHIP

Students at RSET are permitted to undertake two types of internships: Long Term Internship and Credited Mandatory Internship. The detailed guidelines and eligibility conditions for internships, including both mandatory and long-term options, shall be published separately by the institution.

14.1 LONG TERM INTERNSHIP

- i. A student can opt for the internship in either the seventh or eighth semester. In exceptional cases, the students may undertake an internship during both the seventh and eighth semesters with explicit permission from the principal.
- ii. For students planning for internship in the seventh semester, the student has to do self-study for at least one among the five elective courses offered in the seventh semester and the remaining elective courses may be taken as MOOCs.
- iii. For students planning for internship in the eighth semester, the student has to do self-study for at least one of the three elective courses offered in the eighth semester and remaining elective courses may be taken as MOOCs.
- iv. If the MOOC corresponding to an elective course is unavailable, the student should complete the course through self-study. The student must complete all the requirements for the CIE and must attend ESE for self-study courses.
- v. Only students having no standing arrears, and no pending disciplinary action can submit the proposal for the internship.
- vi. A student who satisfies the proposed eligibility criteria can undergo a 4 to 6 months internship in the seventh or eighth semester if it is offered by a reputed industry or research and development organization.
- vii. Students desirous of pursuing internships are recommended to opt for Fast track credit accomplishment.

- viii. The evaluation for self-study courses will be conducted in a similar manner as for regular theory courses. The attendance percentage accrued during the internship period will be considered equivalent to class attendance for all courses.

14.2 CREDITED MANDATORY INTERNSHIP

After completing the fourth semester and before entering the seventh semester, during semester break, a student shall undergo two weeks mandatory internship with industry/ NGO's/ Government organizations/ Micro/ Small/ Medium enterprises to make themselves ready for the industry. The UG Deans Office and Internship Cell will coordinate and monitor the internship activities. Assessment will be based on the Report and viva voce.

15. GRACE MARKS FOR SPORTS /ARTS COMPETITIONS

- 15.1 Only bona-fide, regular candidates are eligible for the award of Grace Marks.
- 15.2 The criterion for the award of Grace Marks is representing the University in officially sponsored national level competitions/championships/ tournaments when called upon to do so. The student shall get official prior permission from the Principal to represent the University.
- 15.3 The maximum grace marks that can be awarded to a candidate in a particular semester for all activities put together shall be 5% of the aggregate maximum ESE marks of all theory courses for which the institution conducts ESE.
- 15.4 The maximum grace marks that can be awarded to a student for a theory course in a particular semester for all activities put together shall not exceed 10% of the maximum aggregate marks of ESE of the course.
- 15.5 The Grace Marks shall be added to the Total Marks.
- 15.6 Grace Marks shall not be awarded to a student for Practical/ Lab/Viva Voce/internal assessment/ Seminar etc.
- 15.7 Eligible Grace Marks shall be distributed equally amongst all theory papers/courses of an examination. However, re-distribution of Grace Marks shall be allowed only in the case of those courses of an examination for which the candidate has passed. Re-distribution is possible from passed courses to failed courses only. Re-distribution of Grace Marks is not permissible from failed courses to other courses for a pass.
- 15.8 Grace Marks shall be awarded for all theory papers/courses/subjects with ESE in a semester.
- 15.9 Re-distribution shall be done only to enable a candidate to obtain the minimum marks required for a pass.
- 15.10 Grace Marks shall not be re-distributed from one semester to another semester.

- 15.11 If the candidate does not secure the minimum marks required for a pass even after effecting re-distribution, eligible moderation fixed by the respective board if any, shall be awarded to that candidate in addition to the Grace Marks for a pass.
- 15.12 Eligible Grace Marks shall be awarded for the regular examination of the performing semester only. Grace Marks shall not be awarded for supplementary examinations. The performing semester shall be considered from Odd semester and Even Semester.
- 15.13 Grace Marks shall be awarded on the basis of performance in the respective semester.
- 15.14 Request for Grace Marks shall be submitted to the CoE through the Principal along with all relevant documents, within the time limit prescribed. The request for Grace Marks received after the time limit shall not be entertained on any account.
- 15.15 Only a single highest achievement during the period of a semester shall be considered for awarding grace marks.

16. GRACE MARKS FOR PERSONS WITH DISABILITY (PWD)

- 16.1 A person with disability means a person suffering from not less than 40% of any disability as certified by the District Medical Board. To be eligible for the grace marks, the certificate of disability specifying the percentage of disability shall be produced before the Principal at the time of admission.
- 16.2 The Grace Marks that can be awarded for PWD candidates shall be 25% of the marks scored by the candidate in each course at the time of finalization of the results.
- 16.3 Transfer of marks from one paper to another shall not be permitted. Fractions of marks if any, while computing the Grace Marks shall be rounded off to the next higher integer.
- 16.4 PWD candidates who are eligible for Grace Marks shall be awarded Grace Marks for regular and supplementary chances until they pass the whole examination.
- 16.5 Grace Marks shall be awarded only for the marks of the ESE conducted by the institution.
- 16.6 The request for Grace Marks shall be submitted to the CoE through the Principal along with all relevant documents, within the time limit prescribed. The request for Grace Marks received after the time limit shall not be entertained on any account.

17. MALPRACTICE

- 17.1 If a student indulges in malpractice in the ESE, he/she shall be liable for punishment as prescribed in the Examination Manual.
- 17.2 If a student indulges in malpractice for internal examination, the answer book shall not be evaluated. Refer “Examination Manual: Malpractices and Punishments”.

18. RESULT APPROVAL PROCESS

B.Tech final result will be published after the approval from the Governing Body.

19. REVISION OF REGULATION AND CURRICULUM

The institution may from time-to-time revise, amend or change the Regulations, scheme of examinations and syllabi if found necessary by the Academic Council and Governing Body.

20. SPECIAL CASES

In the event of any clarification in the interpretation of the above rules and regulations, they shall be referred to the Academic Council/Governing Body. The Principal in consultation with respective bodies will offer suitable interpretation/ clarifications/ amendments required for special cases on such references and get them ratified in the next meeting of the Academic Council, if necessary. The decision of the Academic Council is final.

21. TRANSITORY PROVISION

Notwithstanding anything contained in these regulations, the Principal shall, for a period of two years from the date of coming into force of these regulations, have the power to provide by order that these Regulations shall be applied to any B.Tech programme with such modifications as may be necessary.

Academic Council approved on	22 August 2023	Item No. AC 6/02
